Availability of Crédit Agricole Assurances Group's Solvency and Financial Condition Report for the financial year 2025

Crédit Agricole Assurances announced today the release of its Group Solvency and Financial Condition Report (SFCR) for the financial year 2025.

The SFCR was established in accordance with Solvency II regulations. It takes account, in particular, of the guidelines of the European Insurance and Occupational Pensions Authority (EIOPA) and the notices of the *Autorité de Contrôle Prudentiel et de Résolution* (ACPR) in that respect.

The SFCR provides an overview of insurance activities in the Solvency 2 environment. This report, together with the various annual quantitative statements (Quantitative Reporting Templates - "QRT") attached to it, summarises and explains the activity and performance of the Crédit Agricole Assurances Group, demonstrates the appropriateness of its governance system, presents its risk profile, describes how its prudential balance sheet has been valued, and assesses its solvency.

Crédit Agricole Assurances Group's SFCR is available on Crédit Agricole Assurances' website at the following address: <https://www.ca-assurances.com/en/investors/>.
