

## The Board of Bilia AB (publ) has resolved on share repurchases

The Board of Directors of Bilia AB (publ) ("Bilia") has decided to exercise its authorization from the Annual General Meeting on 27 April 2021 to repurchase a maximum of 1,000,000 own shares. The main reason for the repurchasing programme is to give the company flexibility regarding its equity and thereby optimize the capital structure of the company.

Repurchases may take place until the company's next Annual General Meeting, on one or several occasions, and may not result in the company at any time holding own shares in excess of 10 per cent of the total number of shares in the company. The shares will be bought on Nasdaq Stockholm in accordance with its Rule Book for issuers, at a price per share within the quoted price range at any given time on Nasdaq Stockholm, by which is meant the range between the current highest buying price and the lowest selling price published continuously by Nasdaq Stockholm. Payment for the shares shall be made in cash.

At the time of issue of this press info, the total number of registered shares in the company is 102,799,952 and Bilia holds 4,250,451 own shares.
