For immediate release 5th March 2021

WESTPAY: PANINI CHOOSES WESTPAY AS PROVIDER OF PAYMENT SOLUTIONS.

Panini, a leading chain of healthy fast-food has, as a result of an in-depth assessment, chosen Westpay as their payment solution provider.

- *Panini knew that they wanted a payment solution that adds value and contributes to a greater customer experience. Of course, it feels nice when they now choose Westpay. Thanks to this, Panini can focus on its core business with the knowledge that they have a payment solution that handles today's and tomorrow's payment methods, says, Hans Edin, CCO at Westpay.*

Panini was established 1990 by Alexandro, Christo, Pierre and Ricard Constantinou. They were first in Stockholm to offer halloumi, dry-cured ham, sun-dried tomato, ingredients that were not even sold in the grocery stores then. Today, still family-owned, they are a chain of 29 meal shops in Stockholm.

- *We are always aiming for ways that strengthen our overall business. We have a strong focus, so we must team up with partners that simplify our work. Westpay has a flexible solution that makes it possible for us to expand features as we like, says Christo Constantinou at Panini.*
