## Shareholder agrees to issue call options to Hexatronic's proposed Chairman of the Board

Hexatronic Group AB (publ) has been informed that shareholder Accendo Capital SICAV RAIF ("Accendo") has undertaken to issue 200,000 call options in Hexatronic to Magnus Nicolin, proposed Chairman of Hexatronic's Board.

The call options are being issued on market terms according to the Black-Scholes pricing model and correspond to 200,000 shares at an exercise price of SEK 39.41 per share and can be exercised during a period of one year starting on February 27, 2026. A prerequisite for the call options to be issued is that Magnus Nicolin is elected Chairman of the Board at Hexatronic's annual general meeting on May 7, 2024. The call options will not dilute the holdings of other shareholders and do not entail any costs for Hexatronic.

Today, Accendo owns approximately 12.2 million shares in Hexatronic, corresponding to approximately 6% of the shares and votes.
