Notice of Extraordinary General Meeting of Jyske Bank A/S

This is to give notice of an Extraordinary General Meeting of Jyske Bank A/S, which will be held on Thursday, 24 April 2025, at 3:00 p.m. at Vestergade 8-16, 8600 Silkeborg, Denmark (entrance via Jyske Bank's visitor entrance situated at Bankpassagen).

At the Annual General Meeting held on 25 March 2025, the motions to amend the Articles of Association were adopted.

However, the members in general meeting with a right to vote represented less than 90% of the share capital, wherefore

the final adoption of the proposed amendments to the Articles of Association is subject to adoption at an extraordinary general meeting.

The AGENDA for consideration and final adoption:

a. Motions proposed by the Supervisory Board:

- 1 Reduction of Jyske Bank's nominal share capital by DKK 27,651,180 (corresponding to 2,765,118 shares at a nominal value of DKK 10) from DKK 642,720,950 to DKK 615,069,770. With reference to S.188(1) of the Danish Companies Act we point out that the capital reduction takes place through cancellation of previously acquired own shares acquired by Jyske Bank in accordance with authorisation from members in general meeting. Hence, the capital reduction is spent on payment of capital owners. If the motion is adopted, Jyske Bank's holding of own shares will be reduced by 2,765,118 shares of a nominal value of DKK 10. These shares have been bought back at a total amount of DKK 1,499,999,584 which implies that, apart from the nominal capital reduction, a total amount of DKK 1,472,348,404 has been paid to the capital owners in connection with the buy-backs. The capital reduction takes place at a share premium since it will be at 542.47 for each share of a nominal amount of DKK 10, corresponding to the average price at which the shares have been bought back.

In consequence of the above, the following amendment to the Articles of Association is proposed:

Art. 2 to be amended to the effect that Jyske Bank's nominal share capital be DKK 615,069,770 distributed on 61,506,977 shares.

- 2 Amendments to Art. 3(8), Art. 4(2) and (3), Art. 5(1) and (2) and Art. 24(2): "VP Securities Services" to be changed into "VP Securities A/S".

3 To replace the existing authorizations in the Articles of Association, the Supervisory Board is authorized to carry out capital increases with and without pre-emption rights and to raise convertible loans with and without pre-emption rights by amending Art. 4(2), (3) and (5), Art. 5(1), (2), (3) and (4) of the Articles of Association. The amendments are considered together and are proposed to be changed to the following wording:

- Art. 4(2): As specified by the Supervisory Board in respect of time and terms and conditions, the share capital can be increased through the subscription of new shares without preferential subscription rights for existing shareholders. The increase may be in one or several issues by not more than a nominal amount of DKK 60m (6 million shares of a face value of DKK 10). The increase may be effected through cash payment or through acquisition of existing businesses or specific assets. The increase must in every case be effected not below the market price. The increase cannot be effected through part payment. The authorisation will be effective until 1 March 2030.

The new shares shall when issued and transferred be registered in the names of their holders at VP Securities A/S and in the Bank's register of shareholders. The new shares are negotiable instruments, and there are no restrictions in their negotiability except for the provisions laid down in Art. 3 of the Articles of Association. Shareholders shall be under no obligation to have their shares redeemed in full or in part.

- Art. 4(3): As specified by the Supervisory Board in respect of time and terms and conditions, the share capital can be increased through the subscription of new shares with preferential subscription rights for existing shareholders. The increase may be in one or several issues by not more than a nominal amount of DKK 120m (12 million shares of a face value of DKK 10). The increase may be effected through cash payment or in any other manner. The increase may be offered at a favourable price. The increase cannot be effected through part payment. The authorisation will be effective until 1 March 2030.

The new shares shall when issued and transferred be registered in the names of their holders at VP Securities A/S and in the Bank's register of shareholders. The new shares are negotiable instruments, and there are no restrictions in their negotiability except for the provisions laid down in Art. 3 of the Articles of Association. Shareholders shall be under no obligation to have their shares redeemed in full or in part.

- Art. 4(5): To be deleted.
- Art. 5(1): The Bank may, following resolution by the Supervisory Board, up to 1 March 2030, on one or more occasions raise loans against bonds or other instruments of debt which bonds or instruments of debt shall entitle the lender to convert his claim into shares (convertible loans) and the Supervisory Board is authorised to carry out the related capital increase. Convertible loans may be raised with a conversion right to a maximum number of shares with a total nominal value corresponding to the maximum nominal amount at the time of raising the convertible loans by which the share capital may be increased using the remaining authorization in Art. 4(3), calculated in relation to the conversion price determined at the time of raising the convertible loans. Exercising the authorisation to increase the share capital in Art. 4(3), will hence reduce the authorisation to raise convertible loans in accordance with this provision. The Bank's shareholders shall have a preferential subscription right

to convertible loans. Where the Supervisory Board decides to raise convertible loans, when exercising the authorization in this provision, the authorisation to increase the share capital, cf. Art. 4(3), shall be considered to be utilised by an amount corresponding to the maximum conversion right. The term allowed for conversion may be fixed at a period exceeding five years after the raising of the convertible loan. For shares which shall be issued on the basis of the convertible loans mentioned in this provision, the Supervisory Board shall decide – with due regard to the time of subscription or utilisation of the conversion right – the time from when such new shares shall carry a right to receive dividend and other terms and conditions of the share issue. Shares issued on the basis of the convertible loans mentioned in this provision cannot be paid in by partial payment, are registered shares and are registered in the name of the holder in VP Securities A/S and the Bank's register of shareholders upon issuance and transfer. The new shares are negotiable instruments and the same rules as apply to the existing shares in respect of rights and duties, redeemability and transferability shall apply.

- Art. 5(2): The Bank may, following resolution by the Supervisory Board, up to 1 March 2030, on one or more occasions raise loans against bonds or other instruments of debt which bonds or instruments of debt shall entitle the lender to convert his claim into shares (convertible loans) and the Supervisory Board is authorised to carry out the related capital increase. Convertible loans may be raised with a conversion right to a maximum number of shares with a total nominal value corresponding to the maximum nominal amount at the time of raising the convertible loans by which the share capital may be increased using the remaining authorization in Art. 4(2), calculated in relation to the conversion price determined at the time of raising the convertible loans. Exercising the authorisation to increase the share capital in Art. 4(2), will hence reduce the authorisation to raise convertible loans in accordance with this provision. The Bank's shareholders shall not have a preferential subscription right to convertible loans which are offered at a subscription price and a conversion price to the effect that the right of conversion corresponds to the market price of the shares at the time the resolution to raise convertible loans by using the authorisation of this provision was passed by the Supervisory Board. The convertible bonds or other instruments of debt may be issued as payment upon the Bank's acquisition of existing businesses or specific assets corresponding to the value of the convertible bonds or other instruments of debt. Where the Supervisory Board decides to raise convertible loans, when exercising the authorization in this provision, the authorisation to increase the share capital, cf. Art. 4(2), shall be considered to be utilised by an amount corresponding to the maximum conversion right. The term allowed for conversion may be fixed at a period exceeding five years after the raising of the convertible loan. For shares which shall be issued on the basis of the convertible loans mentioned in this provision, the Supervisory Board shall decide – with due regard to the time of subscription or utilisation of the conversion right – the time from when such new shares shall carry a right to receive dividend and other terms and conditions of the share issue. Shares issued on the basis of the convertible loans mentioned in this provision cannot be paid in by partial payment, are registered shares and are registered in the name of the holder in VP Securities A/S and the Bank's register of shareholders upon issuance and transfer. The new shares are negotiable instruments and the same rules as apply to the existing shares in respect of rights and duties, redeemability and transferability shall apply.
- Art. 5(3): To be deleted.

- Art. 5(4): To be deleted.
- b. Authorisation to the Supervisory Board to make such amendments as may be required by the Danish Business Authority in connection with registration of the Articles of Association.
- c. Any other business.
