

## Soitec announces appointment of new Chief Financial Officer

**Bernin (France), May 27, 2025** – Soitec (Euronext – Tech Leaders), a world leader in the design and production of innovative semiconductor materials, is pleased to announce the appointment of Albin Jacquemont as its new Chief Financial Officer (CFO), effective today.

Albin Jacquemont brings over 30 years of international experience in financial leadership, strategic planning, and corporate governance. His career spans listed and private equity-backed industrial and technology companies, including Inetum, Saur, Altran Technologies, Darty, and Carrefour. Throughout his tenure in these organizations, he has led major financial transformations and delivered significant value through operational performance improvement, cash-flow optimization and M&A execution.

In his new role, Albin Jacquemont will be responsible for all finance-related matters at Group level. He will play a pivotal role in reinforcing Soitec's financial and operational foundations and supporting the company's next phase of sustainable growth and value creation.

He succeeds Léa Alzingre, who will be stepping down to pursue new professional opportunities, having supported Soitec's growth over the past six years.

*"We are delighted to welcome Albin Jacquemont to Soitec's Executive Committee. His extensive experience across complex industrial and technology environments, combined with his proven track record in financial transformation and value creation, will be instrumental as we continue to scale globally. I am confident that his leadership will strengthen our financial strategy and support the acceleration of our sustainable growth ambitions. I would also like to warmly thank Léa Alzingre for her strong commitment and valuable contributions to Soitec's development during her tenure",* commented Pierre Barnabé, Soitec's CEO.

*"I am honored and excited to join Soitec's Executive Committee, a global leader in innovative semiconductor materials. After a career spanning over three decades in senior financial leadership roles across Europe, the U.S., and emerging markets — including listed groups and private equity-owned companies — I look forward to bringing my experience to support Soitec's global ambitions and pioneering technologies",* Albin Jacquemont stated.
