### **About Trifork**

Trifork is a global NextGen IT company that develops innovative software solutions in collaboration with its customers. The company has more than 1,000 employees, across 60 business units, with offices in 12 countries in Europe and the USA, and works in six business areas: Digital Health, FinTech, Smart Building, Cloud Operations, Cyber Protection and Smart Enterprise. Trifork's research and development takes place in Trifork Labs, where Trifork continuously co-invests and develops technology start-up companies. Trifork is behind the brand, GOTO, which runs a global tech community with 295'000 subscribers and more than 33.5 million views on YouTube.
