Goodvalley at a glance

Goodvalley is an international producer of high quality pork products operating in Poland, Ukraine and Russia based on Danish production standards. The company is to a large extent self-sufficient and masters the whole production chain from field to fork, from growing crops for feed, breeding and slaughtering pigs including using the manure in biogas facilities to produce electricity and organic fertilizer for the fields. Goodvalley is certified as CO₂ neutral in the entire organization by German TÜV and operates according to the highest standards in terms of animal welfare, transparency in the production and sustainable production methods.
