

**ANNOUNCEMENT NO. 227**

15 August 2022

## Appointment of new CFO

ChemoMetec has appointed Niels Høy Nielsen new CFO and he will join no later than 1 November 2022, where he will become part of the company's executive management.

Niels Høy Nielsen has many years of broad experience in finance, production, and M&A from both the pharmaceutical industry, the consultancy industry, and the financial sector. He comes from a position as CFO in the Danish subsidiary of the British-American MedTech company ConvaTec, which is listed on the London Stock Exchange. Prior to that, he held several senior positions in the Danish company LEO Pharma for a number of years.

The management of ChemoMetec looks forward to welcoming Niels to ChemoMetec. Niels' strong financial competencies combined with his experience in a number of other areas in international companies will make an important contribution to supporting the positive development that ChemoMetec has achieved in recent years.
