Notes

Vast Resources plc, is an AIM listed mining company with mines in Romania and Zimbabwe focused on the rapid advancement of high quality brownfield projects by recommencing production at previously producing mines in Romania and finalising its Chiadzwa Community Development Trust joint venture on the Heritage Concession (Block T1A of the Marange Diamond Fields) in Zimbabwe.

The Company's portfolio includes an 80% interest in the Baita Plai Polymetallic Mine in Romania, where work is currently underway towards developing and recommissioning the mine on completion of funding.

Vast Resources owns the Manaila Polymetallic Mine in Romania, which was commissioned in 2015, currently on care and maintenance, and is focused on its expansion through the development of a second open pit operation and new metallurgical complex at the Carlibaba Extension Area.
