About ISS

ISS is a leading, global provider of workplace and facility service solutions. In partnership with customers, ISS drives the engagement and well-being of people, minimises the impact on the environment, and protects and maintains property. ISS brings all of this to life through a unique combination of data, insight and service excellence at offices, factories, airports, hospitals and other locations across the globe. ISS has more than 350,000 employees around the globe, who we call "placemakers". In 2022, Group revenue was DKK 76.5 billion. For more information on the ISS Group, visit www.issworld.com.
