Multitude's 3rd Annual "Charity of Your Choice" Initiative Achieves Milestone, Contributing a total of EUR 71,350 to Inspire Giving and Impactful Change

Helsinki, 15 January 2024 - Multitude SE - a fully regulated international growth platform for financial technology (ISIN: FI4000106299, WKN: A1W9NS) ("Multitude" or "the Group") proudly announces the successful conclusion of its 3rd annual "Charity of Your Choice" initiative, following a robust voting process, where employees from over 25 global locations nominated 50 charitable organisations, resulting in a donation of over EUR 17,000 in 2023.

The initiative's unique aspect is the engaging pitch sessions, where employees advocate for their chosen charities by casting a live-vote during one of the company's All Staff gatherings, creating a dynamic platform that inspires colleagues to unite to support meaningful causes.

13 charities in seven countries will benefit from this generous contribution, genuinely making a difference in the communities where Multitude operates, making the total contribution given in the last three years to EUR 71,350, supporting a total of 32 charities.

"At Multitude, we believe in giving back to the communities that nurture our success. The 'Charity of Your Choice' initiative is a testament to our employees' commitment to making a positive impact, and we are thrilled to see the outstanding engagement increasing year by year," said Shaun Vella CHRO at Multitude.

Selected charities, spanning diverse causes like animal welfare, children protection and mental health charities, echo the varied interests of Multitude's global workforce. This initiative showcases Multitude's commitment to corporate social responsibility and emphasises the impactful potential of collective action in driving meaningful change.

About Multitude SE:

Multitude is a fully regulated growth platform for financial technology. Its ambition is to become the most valued financial ecosystem. This vision is backed by 18+ years of solid track record in building and scaling financial technology. Through its full European banking license, profound know-how in technology, regulation, cross-selling, and funding, Multitude enables a range of sustainable banking and financial services to grow and scale. Currently, it has three independent business units on this growth platform: Ferratum as consumer lender, CapitalBox as business lender, and SweepBank as a shopping and financial app. Multitude and its independent units employ over 700 people in 25 countries and offer services in 16 countries, and they together generated EUR 212 million turnover in 2022. Multitude was founded in 2005 in Finland and is listed in the Prime Standard segment of the Frankfurt Stock Exchange under the symbol 'FRU.' www.multitude.com
