

## PRESS RELEASE

May 2, 2022

## Availability of the Universal Registration Document 2021

**Voltalia (Euronext Paris, ISIN code: FR0011995588), an international player in renewable energy, today announces the publication of its Universal Registration Document 2021**

Voltalia announces that it has filed with the Autorité des Marchés Financiers and made available to the public its Universal Registration Document (period from 1 January 2021 to 31 December 2021).

The Universal Registration Document includes the following information:

- the Annual Financial Report;
- the Management Report including the extra-financial performance statement;
- the Statutory Auditors' reports and information on their fees;
- the Board of Directors' report on Corporate Governance; and
- information on the share buy-back programme.

The Universal Registration Document is available on the AMF website ([www.amf-france.org](http://www.amf-france.org)) and our corporate website ([www.voltalia.com](http://www.voltalia.com)). An English version of the document will also be available shortly.

Following a non-material correction to the version of the accounts closed by the Board of Directors (unaudited) on 23 March and published in the annual results press release on 24 March, the 2021 accounts were re-closed on 29 April 2022. The main impact is an improvement in equity of €2.8 million.

Next on the agenda: **Annual General Meeting** on May 17, 2022 at 3pm CET.

### About Voltalia ([www.voltalia.com](http://www.voltalia.com))

---

Voltalia is an international player in the renewable energy sector. The Group produces and sells electricity generated from wind, solar, hydraulic, biomass and storage facilities that it owns and operates. Voltalia has generating capacity in operation and under construction of more than 2 GW and a portfolio of projects under development representing total capacity of 11.1 GW.

Voltalia is also a service provider and supports its investor clients in renewable energy projects during all phases, from design to operation and maintenance.

As a pioneer in the corporate market, Voltalia provides a global offer to private companies, ranging from the supply of green electricity and energy efficiency services to the local production of their own electricity.

The Group has more than 1,300 employees and is present in 20 countries on 3 continents and is able to act worldwide on behalf of its clients.

Voltalia is listed on the regulated market of Euronext Paris, compartment B (FR0011995588 – VLTSA) and is part of the Euronext Tech 40 and CAC Mid & Small indices. The Group is also included in the Gaïa-Index, an index for socially responsible midcaps.
