

## Planisware recognized as a Leader in 2024 Gartner® Magic Quadrant™ for Adaptive Project Management & Reporting report

**Paris, France, September 9, 2024** – Planisware, a leading B2B provider of SaaS in the rapidly growing Project Economy market, announces today it has been named a Leader in the 2024 Gartner “*Magic Quadrant for Adaptive Project Management and Reporting report*.” Of the 13 companies evaluated, Planisware was recognized as a Leader based on “*Completeness of Vision*” and “*Ability to Execute*”.

**Loïc Sautour, CEO of Planisware**, commented: “*Planisware’s goal has always been to align our product strategy with customers’ evolving needs, placing the end user at the center of our roadmap. We believe this recognition highlights that commitment to empowering organizations to tackle everything from decision-making and prioritization to driving cross-functional collaboration, systems integrations, and AI-enabled planning and reporting.*”

**Antoine Villata, CEO of Planisware North America**, added of the vendor’s recognition, “*We believe Planisware enables organizations across the globe, from SMBs to some of the world’s largest brands, to effectively and efficiently navigate complexities—whether that’s in accelerating innovation, optimizing resources, driving agile transformation, or maximizing portfolio value and alignment. We see a Leader recognition in this Magic Quadrant as a testament to our commitment to helping organizations transform how they strategize, plan, and deliver projects, programs, products, and portfolios.*”
