Digitalist Group Plc has concluded an agreement on the delivery of design and development services to a Swedish public sector operator

Digitalist Group Plc (Digitalist Group or Company) has today concluded an agreement of significant size with a Swedish public sector operator on the delivery of design and development services. The agreement is part of long-term cooperation and its value is approximately EUR 1.5 million. The delivery of the services is planned to take place during 2019. The agreement supports Digitalist Group's growth in Sweden and its target to act as a strategic partner in digitalisation.

The conclusion of the agreement will not entail changes to the Company's earlier guidance regarding future prospects for 2019.
