Appointment of Luc Poyer as independent director

Voltaia (Euronext Paris, ISIN code: FR0011995588), an international player in renewable energy, announces the appointment of Luc Poyer to its Board of Directors.

Luc Poyer's appointment follows the resignation of Jean-Marc Armitano, an independent director since May 13, 2020. Luc Poyer has been appointed for the remainder of Jean-Marc Armitano's term of office, i.e. until the close of the Annual General Meeting to be held in May 2024. This appointment will be submitted to shareholders for ratification at that meeting.

In addition to his role as a member of the Board of Directors, Luc Poyer has also been appointed Chairman of the Appointments and Compensation Committee of the Board of Directors.

"The Board of Directors is delighted to welcome Luc Poyer. Voltaia will be able to benefit from his in-depth knowledge of the renewable energy sector and his experience of more than 10 years in hydrogen, a sector where the need for green energy is immense. On behalf of the Board of Directors and the entire company, I would like to extend my warmest thanks to Jean-Marc Armitano for his valuable contribution, which has been greatly appreciated for more than three years", says Laurence Mulliez, Chairwoman of Voltaia's Board of Directors.

More about Luc Poyer

Luc Poyer has over 25 years' experience in the energy sector, having managed or chaired various companies and activities in France and abroad, particularly in Latin America. Luc Poyer has extensive experience in the management and development of energy projects, particularly in renewable energies, as well as solid expertise in the hydrogen sector. A graduate of ESSEC and IEP Paris, and an alumnus of the Ecole Nationale d'Administration, he is also a member of the Association pour la Transition Bas Carbone (ABC) and the France Hydrogène trade association.

About Voltalia (www.voltalia.com)

Voltalia is an international player in the renewable energy sector. The Group produces and sells electricity generated from wind, solar, hydraulic, biomass and storage facilities that it owns and operates. Voltalia has generating capacity in operation and under construction of more than 2.7 GW and a portfolio of projects under development representing total capacity of 14.2 GW.

Voltalia is also a service provider and supports its investor clients in renewable energy projects during all phases, from design to operation and maintenance.

As a pioneer in the corporate market, Voltalia provides a global offer to private companies, ranging from the supply of green electricity and energy efficiency services to the local production of their own electricity.

The Group has more than 1,550 employees and is present in 20 countries on 3 continents and is able to act worldwide on behalf of its clients.

Voltalia is listed on the regulated market of Euronext Paris, compartment B (FR0011995588 – VL TSA) and is part of the SBF 120, Euronext Tech 40 and CAC Mid & Small indices. The Group is also included in the Gaïa-Index, an index for socially responsible midcaps.
