### **About Oasmia Pharmaceutical AB**

Oasmia Pharmaceutical AB develops, manufactures and markets new generations of drugs in the field of human and veterinary oncology. The company's product development aims to create and manufacture novel nanoparticle formulations and drug-delivery systems based on well-established cytostatics which, in comparison with current alternatives, show improved properties, reduced side-effects, and expanded applications. The company's product development is based on its proprietary in-house research and company patents. Oasmia is listed on Nasdaq Stockholm (OASM) and Frankfurt Stock Exchange (OMAX.GR).
