Press Release October 8, 2021

## Hexatronic signs contract in Germany to a value of 12 MEUR

Hexatronic GmbH (“Hexatronic”), a wholly owned subsidiary of Hexatronic Group AB, has signed a Fiber-To-The-Home (FTTH) contract with an existing customer on the German market amounting to a total order value of approximately 12 MEUR. To date, it is Hexatronic’s largest contract in Germany. The contract covers the Hexatronic passive fiber optic system solution including microcables, microducts and network products. The material will be delivered in 2022.

### CEO comment

*“We are very pleased that an existing customer again has decided to sign such a significant contract with Hexatronic. We see the project as proof that our system approach that solves the needs of our customers is successful”,* says Henrik Larsson Lyon, CEO of Hexatronic Group.
