

Annual General Meeting 2026 Resolutions

Amsterdam, April 15, 2026

SBM Offshore is pleased to announce that all resolutions were adopted as proposed during the Annual General Meeting of April 15, 2026. The adopted resolutions include the re-appointment of Øivind Tangen (Chief Executive Officer) as member of the Management Board, as well as the re-appointment of Roeland Baan (Supervisory Board Chair) as member of the Supervisory Board.

Shareholders also voted in favor of the proposed cash dividend of EUR84 million, which represents a dividend distribution of EUR0.5009 per ordinary share. The cash dividend is payable on May 13, 2026 to all shareholders of record as at April 20, 2026 through the bank or broker administering the shares.

ABN AMRO is responsible for executing the dividend payment on behalf of SBM Offshore and offers the Company's shareholders the option to participate in a Dividend Reinvestment Plan (DRIP). By participating in this program, shareholders can reinvest their net dividend into shares of the Company. Further information regarding the DRIP will be made available by ABN AMRO to all financial intermediaries.

Further details on the adopted resolutions can be found on the Company's website.

Disclaimer

Some of the statements contained in this release that are not historical facts are statements of future expectations and other forward-looking statements based on management's current views, expectations and various assumptions regarding the financial and non-financial position of SBM Offshore N.V., anticipated developments and other factors, and involve known and unknown risks, dependencies and uncertainties that could cause actual results, performance, or events to differ materially from those in such statements. These statements may be identified by words such as 'expect', 'should', 'could', 'shall' and / or similar expressions. Such forward-looking statements are subject to various risks and uncertainties. The principal risks which could affect the future operations of SBM Offshore N.V. are described in the 'Impacts, Risks and Opportunities' section of the 2025 Annual Report.

Should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual results and performance of the Company's business may vary materially and adversely from the forward-looking statements described in this release. SBM Offshore N.V. does not intend and does not assume any obligation to update any industry information or forward-looking statements set forth in this release to reflect new information, subsequent events or otherwise.

Data underpinning certain disclosures – particularly sustainability-related - may be subject to inherent limitations. These limitations include but are not limited to reliance on third party data providers whose data quality, completeness and integrity may differ; the use of estimates and assumptions where actual data is unavailable or incomplete; and dependencies on value chain partners for timely and accurate information provision. Methodologies, standards and regulatory requirements for measuring and reporting information—especially sustainability related information—continue to evolve. As a result, our measurement approaches and reported figures may be refined over time as more accurate, granular or standardised data becomes available. Accordingly, all data, and emissions data in particular, should be interpreted in light of these limitations and the ongoing maturation of sustainability reporting practices across our value chain.

This release contains certain alternative performance measures (APMs) as defined by the ESMA guidelines which are not defined under IFRS. Further information on these APMs is included in 2025 Annual Report, available on our website [Annual Reports - SBM Offshore](#).
