## ANNOUNCEMENT REGARDING THE DIFFERENCE BETWEEN THE RESULT INDICATED IN THE AUDITED ANNUAL FINANCIAL STATEMENTS AND THE PUBLISHED PRELIMINARY RESULT

In accordance with clause 26.4.2 of the Nasdaq Vilnius, AB Listing Rules, AUGA group, RAB, code 126264360, address Konstitucijos pr. 21C (hereinafter – the **Company**), the management announces that the Group's financial year result specified in the audited set of annual financial statements of the group to which the Company belongs (hereinafter – the **Group**) differs from the unaudited annual results for 2024 (hereinafter – the **Unaudited Results**) announced on 1 July 2025 by more than 10%. Net loss according to the Unaudited Results – 26,866 thousand EUR, according to the audited annual financial statements of the Group – 32,441 thousand EUR. The difference is 5,575 thousand EUR. The majority of the difference – 5,249 thousand EUR – was due to the recorded impairment of intangible assets created by the Group. The Group has decided to suspend the development and expansion of technologies and reassessed the value of the intangible assets under development, given that the Group is currently unable to provide development plans for the technologies under development due to uncertainty.

Other differences between audited and unaudited results amount to EUR 326 thousand and constitute an impairment of other intangible assets.

It is important to emphasize that the aforementioned impairment does not change the value of the remaining assets and the Group retains the rights related to these created assets, but is currently unable to provide reliable business plans until the Group's situation is stabilized.
