## Atos among the top 1% of the IT Services industry in the S&P Global ESG assessment 2022

**Paris, November 29, 2022** - Atos today announces that it is among the top 1% of the IT Services industry with a score of 85/100 in the 2022 S&P Global Corporate Sustainability Assessment (CSA) reflecting an improvement of 2 points over the last year which demonstrates its continuous development and commitment to sustainability and its excellence in ESG (Environmental, Social & Governance) practices. The average industry score of the 268 companies assessed within the industry is 25/100. Atos has received excellent results in the S&P Global CSA for 9 years running with a percentile ranking higher than 88 since 2013.

As of November 18, 2022, Atos performed in the 99 percentile of the IT Services industry in the S&P Global Corporate Sustainability Assessment. This result positions Atos among the top 1% of companies in the world in the 'TSV IT services' segment in one of the world's most renowned ESG ratings.

**Diane Galbe, Senior Executive Vice President, Atos** comments *"Atos is proud to rank among the top 1% of companies in the world in the IT services segment in the S&P Global CSA which is one of the world's most renowned ESG ratings and one of the largest extensive assessments of corporate sustainability practices globally. This positioning is a strong recognition to our commitment to sustainability practices. Created over 12 years ago, our ambitious environmental program continues to grow as we create long-term value for our stakeholders, communities, and employees."*

The S&P Global Corporate Sustainability Assessment is an annual evaluation of companies' sustainability practices. It covers over 10,000 companies from around the world. The CSA focuses on sustainability criteria that are both industry-specific and financially material and has been doing so since 1999.

These results add to Atos' international recognition as a leader in sustainability and ESG practices. Atos has been a member of the S&P Dow Jones World and Europe Indices for the last 7 years in a row, has received a 'AAA' rating (on a scale of AAA-CCC) in the [MSCI ESG Ratings assessment 2022](#), was rewarded a [Platinum Award](#) from EcoVadis, achieved a Prime status in the ESG assessment carried out by ISS in 2022 and was selected on [CDP's](#) prestigious 'A List 2021' for tackling climate change.
