

## PRESS RELEASE

### Share Buyback Transaction Details August 11 – August 17, 2022

**August 18, 2022 - Wolters Kluwer today reports that it has repurchased 318,914 of its own ordinary shares in the period from August 11, 2022, up to and including August 17, 2022, for €33.2 million and at an average share price of €104.25.**

These repurchases are part of the share buyback program under which we intend to repurchase shares for €1 billion during 2022, as announced on August 3, 2022.

The cumulative amounts repurchased to date under this program are as follows:

#### Share Buyback 2022

Period	Cumulative shares repurchased in period	Total consideration (€ million)	Average share price (€)
2022 to date	4,468,377	422.6	94.58

For the period starting August 4, 2022, up to and including October 31, 2022, we have mandated third parties to execute €400 million in share buybacks on our behalf while for the period starting November 3, 2022, up to and including December 28, 2022, we have mandated another third party to execute €244 million in share buybacks on our behalf, within the limits of relevant laws and regulations (in particular Regulation (EU) 596/2014) and the company's Articles of Association

Repurchased shares are added to and held as treasury shares and will be used for capital reduction purposes or to meet obligations arising from share-based incentive plans.

In accordance with regulatory requirements regarding substantial holdings, the company has notified the Dutch Authority for the Financial Markets (AFM) on August 11, that the number of shares held in treasury exceeded the notification threshold of 3% of the issued capital that day. The number of shares held per the end of August 11, was 7.888.632.
