Hexatronic Group AB (publ) announces an increase in the number of shares and votes

The number of shares and votes in Hexatronic Group AB (publ) (“Hexatronic”) have increased as a result of AGM’s decision to issue 261,071 series C shares to secure future delivery of performance shares and social costs connected to the long-term incentive program that was decided on this year (LTIP 2023).

Through the issue resolution above, which the Swedish companies Registration Office registered in June, the number of shares increased by a total of 261,071 and the number of votes by 26,107.

As of June 30, 2023, the total number of registered and outstanding shares in Hexatronic amounts to 205,323,650, whereof 203,026,610 are ordinary shares, together carrying in total 203,026,610 votes, and 2,297,040 are shares of series C, together carrying in total 229,704 votes. The share capital amounts to SEK 2,053,236.50. The company holds all shares of series C.
