

PRESS RELEASE

Lund, February 16, 2023

Terranet invites to presentation of year-end report for 2022 on February 23, 2023

On February 23, Terranet AB (publ) will release its year-end report 2022. On the same day at 9 a.m. CET, the company's CEO Magnus Andersson and CTO Nihat Küçük will provide an update on the operations in a webcast.

The event will be broadcasted digitally and is open to the public. The presentation will be held in English. Via the webcast, there is an opportunity to ask written questions.

Link to the webcast: <https://ir.financialhearings.com/terranet-q4-report-2022>

A recording of the presentation will be available on Terranet's website afterward.

For more information, please contact

Magnus Andersson, CEO

About Terranet AB (publ)

Terranet is on a mission to save lives in urban traffic.

We develop breakthrough tech solutions for Advanced Driver Assistance Systems (ADAS) and Autonomous Vehicles (AV) that protect vulnerable road users.

With a unique patented vision technology, Terranet's anti-collision system BlincVision laser scans and detects road objects ten times faster and with higher accuracy than any other ADAS technology available today.

Terranet is based in Lund, Sweden, and in the heart of the European automotive industry in Stuttgart, Germany. The company is listed on Nasdaq First North Premier Growth Market since 2017(Nasdaq: TERRNT-B).
