

AMG ANNOUNCES FINAL 2022 DIVIDEND

Amsterdam, 4 May 2023 (Regulated Information) --- AMG Advanced Metallurgical Group N.V. (“AMG”, Euronext Amsterdam: “AMG”) is pleased to announce that during the Annual General Meeting, held on May 4, 2023, AMG's shareholders approved the payment of a dividend of €0.70 per ordinary share over the financial year 2022. The interim dividend of €0.30, paid on August 10, 2022, was deducted from the amount distributed to shareholders. The final dividend per ordinary share therefore amounts to €0.40.

Payment of the final dividend will be completed on or around May 11, 2023, to shareholders of record on May 9, 2023. The ex-dividend date is May 8, 2023. Dutch withholding tax will be deducted from the dividend at a rate of 15%.

About AMG

AMG's mission is to provide critical materials and related process technologies to advance a less carbon-intensive world. To this end, AMG is focused on the production and development of energy storage materials such as lithium, vanadium, and tantalum. In addition, AMG's products include highly engineered systems to reduce CO₂ in aerospace engines, as well as critical materials addressing CO₂ reduction in a variety of other end use markets.

AMG Clean Energy Materials segment combines AMG's recycling and mining operations, producing materials for infrastructure and energy storage solutions while reducing the CO₂ footprint of both suppliers and customers. AMG Clean Energy Materials segment spans the vanadium, lithium, and tantalum value chains. AMG Critical Materials Technologies segment combines AMG's leading vacuum furnace technology line with high-purity materials serving global leaders in the aerospace sector. AMG Critical Minerals segment consists of AMG's mineral processing operations in antimony, graphite, and silicon metal.

With approximately 3,600 employees, AMG operates globally with production facilities in Germany, the United Kingdom, France, the United States, China, Mexico, Brazil, India, Sri Lanka, and Mozambique, and has sales and customer service offices in Japan (www.amg-nv.com).
