### **Supply Constraints On UTZ Certified Coffee Due To COVID-19**

Due to supply chain disruptions caused by the COVID-19 pandemic, we are currently unable to source enough certified coffee for some of our brands with the UTZ label. This means that some of our Senseo and L'OR products may currently not contain 100% UTZ certified ingredients. We apologize for the inconvenience. As soon as this supply shortage is resolved, we expect to return to sourcing from UTZ certified and/or Rainforest Alliance Certified farms for these products. We will also purchase a volume of certified coffee equivalent to compensate for what we would have used during this period, doing our part to help support farmers and protect the environment.

Periodic Impact: 1<sup>st</sup> June 2020 – 28<sup>th</sup> August 2020
