Marc Mysterio vs Jake Paul

FROM: IBA Executive Office

"IBA was the first to have the 200-220lbs division, and we are intrigued by this potential matchup of our friend Marc Mysterio vs Jake Paul. Our Super Cruiserweight Intercontinental Championship is vacant at this time, so once this fight is confirmed, and WBC officially sanctions it for their 224lbs Bridgerweight Silver title, it could make sense to propose a unification of our two vacant titles to the participants and their teams, not to mention the WBC whom is, of course, a long time friend of Marc Mysterio that is affiliated with their charity WBC Cares".

Sincerely,
IBA Executive Secretary

For, Mr JC COURREGES, PRESIDENT
