Completion of Amundi's share repurchase programme

Paris on 3 December 2024 - Amundi's share repurchase programme, which started on 7 October 2024, was fully completed on 27 November 2024.

As of 27 November 2024, 1,000,000 shares of Amundi have been purchased pursuant to the instruction given to an independent investment services provider, for an aggregate purchase price of 67,367,302 euros. Such instruction was therefore terminated as of the same date.

As previously announced, this operation aimed to acquire the shares necessary to cover the performance share plans for Amundi employees that have already been allocated, and those to come, in order to avoid dilution of existing shareholders. These shares will be delivered starting in 2025, at the end of the vesting period and subject to certain conditions of performance and presence.
