Board member Mr. Preston Haskell indirectly beneficially owns approximately 52 percent of the Company's share capital via Bertil Holdings Ltd. Bertil Holding Ltd. is a company wholly-owned by Golden Impala Limited.

Background for the proposal

On 9 April 2018, Auriant Mining and Golden Impala Limited entered into a bond issue agreement (the "Agreement") pursuant to which, Auriant Mining issued a bond (the "Bond") which Golden Impala Limited subscribed for. The Agreement and the Bond, respectively, has previously been amended so that the maturity date of the Bond is 31 December 2021. Auriant Mining and Golden Impala wish to amend the terms of the Agreement as set out below and issue an updated Bond. In light of this, Auriant Mining and Golden Impala Limited entered into an addendum agreement on 3 December 2021 (the "Addendum Agreement"). The Addendum Agreement is conditional upon the extraordinary general meeting's approval.

The board of directors' statement

The board of directors of Auriant Mining proposes that the extraordinary general meeting resolves to approve the Addendum Agreement. The Addendum Agreement shall however be effective from 1 January 2022. The following main terms shall apply for the new Bond.

The interest shall be paid quarterly in arrears within five business days after the last day of the relevant quarter. In case any interest for the quarter is not paid on its due date, the penalty interest at the rate equal to the Interest Rate plus 2 percentage points shall accrue on any unpaid interest. The maturity date shall be 31 December 2024. Based on the applicable Interest Rate as of 31 October 2021 and the principal amount if no further interest payments are made as of and including 31 December 2021 which entails that the principal amount of the new Bond will be equal to USD 35,954,797.36, the annual interest would be USD 2,362,230. The board of directors considers that the terms of the Addendum Agreement are on market terms.
