STMicroelectronics Publishes its IFRS 2023 Semi Annual Accounts

Geneva, August 23, 2023 – STMicroelectronics NV (NYSE: STM), a global semiconductor leader serving customers across the spectrum of electronics applications, published today its IFRS 2023 Semi Annual Accounts for the six-month period ended July 1, 2023, on its website and filed them with the Netherlands Authority for the Financial Markets (AFM).

The Company's Semi Annual Accounts, prepared in accordance with International Financial Reporting Standards (IFRS-EU) are posted on the Company's website (www.st.com) and the AFM's website (www.afm.nl).

About STMicroelectronics

At ST, we are over 50,000 creators and makers of semiconductor technologies mastering the semiconductor supply chain with state-of-the-art manufacturing facilities. An integrated device manufacturer, we work with more than 200,000 customers and thousands of partners to design and build products, solutions, and ecosystems that address their challenges and opportunities, and the need to support a more sustainable world. Our technologies enable smarter mobility, more efficient power and energy management, and the wide-scale deployment of the Internet of Things and connectivity. We are committed to achieving our goal to become carbon neutral on scope 1 and 2 and partially scope 3 by 2027. Further information can be found at www.st.com.
