

PRESS RELEASE (FIRST NORTH: WPAY)

For immediate release 15th October 2020

WESTPAY:

BEDEGE AND WESTPAY SIGN AGREEMENT AND MAKE OVERALL OFFERING STRONGER, AVAILABLE AND SCALABLE.

Westpay AB, a leading fintech company, announced last week its plan to expand its footprint on the Nordic payment market. As a result of this venture Bedege, the system provider, and POS supplier integrate their POS solution and make Westpay's offerings available for its merchants.

- *This is great news and a reliable sign that our expanded business model adds value to leading point-of-sales (POS) Suppliers. Bedege is a great company with a relevant portfolio. Our job now is to build a strong business case and identify where we can strengthen each other's position, says Hans Edin, CCO at Westpay.*

Bedege wants to make the everyday life of retail companies easier. They achieve this objective by building systems and solutions based on each unique customer's organization and industry.

- *Bedege are continuously investigating manners to strengthen our overall business. We have a strong focus on our core business, accordingly it is essential to collaborate with partners that amplify our impact. I am truly looking forward to developing a strong, scalable relationship with Westpay, says Roland Bogyo, CEO at Bedege.*
