About SII

As a trusted technology partner, SII provides high value-added solutions for the IT projects of many large corporations. It relies on a staff of expert engineers and on methods at the cutting edge of quality standards to carry out its activities in:

- Technology Consulting (IT, electronics and telecommunications)
- Digital Services (IT technology and networks)

The SII Group has opted for a corporate structure that offers the responsiveness and flexibility associated with local-level services, with nine regional offices in France and eighteen more in other countries on four continents, all of which have access to all of the Group's operational resources and can provide effective services to major corporations' international operations.

The SII Group posted revenue of €560.9m in fiscal 2017-2018, which ended March 31, an increase of 27.8 percent (of which 15.6 percent in organic growth), and has been expanding its operations and its growth has outpaced that of other firms in its sector.
