Press Release August 1, 2020

Hexatronic completes previously announced acquisition of The Light Brigade

Hexatronic Group AB (publ) ("Hexatronic") has today, August 1, 2020, completed the previously announced acquisition of the US-based fiber optic training provider for the wireline, wireless, broadband communication, service providers, data centre, electric utility, oil & gas, mining, and industrial market sectors.

The acquisition is strategic and will further enhance Hexatronic's presence and network in the US, enable Hexatronic to reach out to more potential customers and to complement Hexatronic's system offering with training.

The acquisition was originally announced on July 23, 2020 and took place via a transfer of shares. Light Brigade will be consolidated into the Hexatronic Group from August 1, 2020.
