1. Voting on the proposed resolution

The Chairman noted that the first item on the agenda required voting on behalf of the Noteholders or proxies at the meeting. The Chairman referred to the proposed resolution, which was on item 1 of the agenda. It was as follows:

"The Noteholders hereby request the Issuer of the Notes to terminate or waive the appointment of the relevant common depositary according to the Exchange Offer Memorandum and relevant agreements related to the Terms and Conditions of the Notes. According to the Exchange Offer Memorandum the common depositary for the Notes is Euroclear Bank, S.A./N.V. as operator of the Euroclear System ("Euroclear"), and Clearstream Banking, société anoonyme, Luxembourg ("Clearstream")."

"The undersigned Noteholder request that the Issuer appoints Verðbréfamiðstöð Íslands hf. as the successor depositary for Euroclear and Clearstream Luxembourg and to amend the Conditions of the Notes. According to, article 15 of the Terms and Conditions of the Notes."

The Chairman enquired whether anyone at the Meeting wished to present or explain the proposal. No one wished to make any comments.

The Chairman noted that the proposal, if passed by the Meeting, could potentially become a non-binding resolution, which would then be forwarded to the Issuer for review and, as case may be, any action. Further, the Chairman noted that the Fiscal Agreement, including the Terms and Conditions of the Notes and the Provisions for the Meetings of Noteholders, could potentially not be seen to hold any provisions which provided that the Noteholders could unilaterally amend the terms and conditions of the Notes or related issues, whether in a Meeting or not, in the manner proposed. No comments or objections were made thereto.

The Chairman noted that Clauses 13 to 15 of Exhibit G to the Fiscal Agreement held provisions on the voting procedure. The Chairman informed the meeting that with reference to Clause 13 of Exhibit G, voting would in the first instance be done by a show of hands. However, a poll could be requested by the meeting before or at the time that the result of the vote is declared, subject to the provisions of Clause 14 of Exhibit G.

The Chairman noted that those who could demand a poll were the Chairman, the Issuer or one or more voters representing or holding not less than one fiftieth, i.e. 2%, of the aggregate principal amount of the outstanding Notes.

The Chairman suggested that the Meeting would wait for the result of the show of hands prior to any decision being made on a demand for a poll. No objections or comments were made thereto.

The Chairman noted that in any event, and in accordance with the definition of "Extraordinary Resolution" of Exhibit G, a resolution needed three quarters of the votes cast at the Meeting in order to be passed. Further, the Chairman explained the calculation of votes in accordance with Clause 15 of Exhibit G.

The Chairman conducted a voting on the proposed resolution with a show of hands. The result of the voting was as follows:

- 6 votes in favor.
- 6 votes against.

A demand was made to vote on the proposed resolution by poll by Noteholders and/or Proxies who held far more than 2% of the aggregate principal amount of the outstanding Notes. Therefore, the motion for a poll was approved.

The Chairman explained how the voting would take place and requested that the present voters would fill out the ballots, which they had received upon entry to the Meeting, and hand them in.

The result of the poll was as follows:

In favor of the resolution were 768,196 votes, or 58.0% of the votes cast.

Against were 556,931 votes, or 42.0% of the votes cast.

The Chairman declared the resolution rejected, as it was not accepted by three quarters of the votes cast.

2. Any other matters lawfully requested to be placed on the agenda by a Noteholder

or the Issuer

The Chairman invited those present to address the Meeting. No one wished to address the

Meeting.

The Chairman suggested that he and the secretary of the meeting would finalize the minutes, which

would then be available to the Noteholders in accordance with Clause 19 of Exhibit G. No

objections or comments were made to the Chairman's suggestion.

The Chairman expressed thanks to those who attended the Meeting and to the secretary of the

Meeting, and adjourned the Meeting at 10:26 am.
