However, Interinvest points out that shareholders can only follow the annual general meeting via the webcast and cannot intervene or vote. The agenda of the ordinary general meeting comprises several mandatory items, among others, the approval of the annual accounts and the annual report of the 2021 financial year, the dividend declaration of financial year 2021 and the approval of the remuneration report.

Besides, Interinvest proposes the (re)appointment of Marleen Willekens and Marc Peeters as independent members of the supervisory board, as well as the reappointment of the statutory auditor of the company.
