

Selskabsmeddelelse nr. / Corporate Announcement no - 33 / 2026

3. juni 2026

Indgåelse af Market Making-aftale / Conclusion of Market Making Agreement

NewCap Holding A/S har indgået en market making-aftale med Danske Bank. Aftalen påbegyndes d.d.

Formålet med Market Maker-ordningen er at understøtte likviditeten i handlen med selskabets aktier på Nasdaq Copenhagen og bidrage til en effektiv og transparent prisdannelse.

I henhold til aftalen vil Danske Bank løbende stille købs- og salgskurser i selskabets aktie på Nasdaq Copenhagen.

Danske Banks prisstillelse sker uafhængigt af selskabet, og køb og salg foretages af Danske Bank for egen regning og risiko.

Aftalen er indgået med henblik på at forbedre handelsmulighederne for eksisterende og potentielle investorer i selskabets aktie.

English

NewCap Holding A/S has entered into a market making agreement with Danske Bank. The agreement begins today.

The purpose of the Market Maker scheme is to support liquidity in trading in the company's shares on Nasdaq Copenhagen and contribute to efficient and transparent price formation.

According to the agreement, Danske Bank will continuously quote buy and sell prices in the company's shares on Nasdaq Copenhagen.

Danske Bank's pricing is done independently of the company, and purchases and sales are made by Danske Bank for its own account and risk.

The agreement has been entered into with a view to improving trading opportunities for existing and potential investors in the company's shares.
