KIADIS PHARMA N.V.

This offer memorandum (the **Offer Memorandum**) contains the details of the recommended public offer by Sanofi Foreign Participations B.V. (**Offeror**), a direct wholly-owned subsidiary of Sanofi (**Sanofi**), to all holders of issued and outstanding ordinary shares (the **Shares**, and each a **Share**) with a nominal value of EUR 0.10 each in the share capital of Kiadis Pharma N.V. (**Kiadis**) (the holders of such Shares, the **Shareholders**), to purchase for cash their Shares on the terms and subject to the conditions and restrictions set forth in this Offer Memorandum (the **Offer**). As at the date of this Offer Memorandum 40,308,501 listed Shares are issued by Kiadis and subject to the Offer.

This Offer Memorandum contains the information required by Article 5:76 of the Dutch Financial Markets Supervision Act (*Wet op het financieel toezicht*, the **Wft**) in conjunction with Article 8, Paragraph 1 of the Dutch Decree Public Takeover Bids (*Besluit openbare biedingen Wft*, the **Decree**) in connection with the Offer. This Offer Memorandum has been reviewed and approved by Dutch Authority for the Financial Markets (*Stichting Autoriteit Financiële Markten*, the **AFM**). The approval by the AFM does not entail an assessment of the opportunity and quality of the transaction, or of the condition of the person who executes it.

The information required by Article 18, Paragraph 2 of the Decree in connection with the Offer is included in a separate position statement of Kiadis (including all appendices thereto, the **Position Statement**), which is also published on the date of this Offer Memorandum. The Position Statement does not form part of this Offer Memorandum and has not been reviewed or approved by the AFM, nor recognized by the FSMA prior to publication. The Position Statement may be reviewed by the AFM after publication.

Capitalised terms used in this Offer Memorandum have the meaning set out in Section 4 (*Definitions*) or elsewhere in this Offer Memorandum. Capitalised terms used in the Dutch summary included in Section 12 (*Dutch language summary*) have the meaning set out in Section 12 (*Dutch language summary*).

Shareholders tendering their Shares under the Offer will be paid on the terms and subject to the conditions and restrictions contained in this Offer Memorandum in consideration for each Share validly tendered (or defectively tendered, provided that such defect has been waived by the Offeror prior to or on the Closing Date) (each such Share, a **Tendered Share**) and transferred (*geleverd*) to the Offeror an amount in cash of EUR 5.45 cum dividend and without interest (the **Offer Price**). In the event any (interim) cash or share dividend or other distribution (each, a **Distribution** and collectively, the **Distributions**) on the Shares is declared by Kiadis on or prior to the Settlement Date whereby the record date for entitlement to such Distribution is on or prior to the Settlement Date, the Offer Price will be decreased by the full amount of any such Distribution made by Kiadis in respect of each Share (before any applicable withholding tax).

The management board (*raad van bestuur*) of Kiadis (the **Management Board**) and the supervisory board (*de raad van commissarissen*) of Kiadis (the **Supervisory Board**, and together with the Management Board, the **Kiadis Boards**) unanimously support and recommend the Offer to the Shareholders for acceptance. Reference is made to Section 6.7 (*Decision making and Recommendation by the Kiadis Boards*) and the Position Statement.

Funds managed by Life Sciences Partners have committed to tender approximately 18.26%¹ of the outstanding Shares under the Offer and to vote in favour of the Resolutions. The irrevocable undertaking contains certain customary undertakings and conditions. In addition Supervisory Board members Mr Kleijwegt and Mr Saxena have committed to tender their Shares under the Offer and to vote in favour of the Resolutions, subject to the terms as further set out in Section 6.9 (*Irrevocable undertakings of Shareholders and members of the Kiadis Boards*). The Shares of Mr Kleijwegt and Mr Saxena represent less than 1% of Kiadis' issued share capital.

The Acceptance Period under the Offer will commence at 09.00 hours CET, on 15 February 2021 and will expire at 17.40 hours CET, on 12 April 2021, unless the Offeror extends the Acceptance Period in accordance with Section 5.10 (*Extension*). The day on which the Acceptance Period expires, whether or not extended, is the **Closing Date**. The Offeror will announce whether the Offer is declared unconditional (*gestand wordt gedaan*) within 3 (three) Business Days following the Closing Date, in accordance with Article 16 of the Decree (the **Unconditional Date**). If the Offeror declares the Offer unconditional (*gestand doen*), the Offeror shall publicly announce a post-closing acceptance period (*na-aanmeldingstermijn*) of 2 (two) weeks (the **Post-Closing Acceptance Period**) to enable Shareholders who did not tender their Shares during the Acceptance Period to tender their Shares on the same terms and subject to the same conditions and restrictions as the Offer.

Any Shares tendered on or prior to the Closing Date may not be withdrawn, subject to the right of withdrawal of any tender of Shares during the Acceptance Period in accordance with the provisions of Article 5b, Paragraph 5, Article 15, Paragraphs 3 and 8 and Article 15a Paragraph 3 of the Decree.

The obligation of the Offeror to declare the Offer unconditional (*gestand doen*) is subject to the satisfaction or waiver of the Offer Conditions in accordance with Section 6.6(a) (*Offer Conditions*). The Offer Conditions may be waived as set out in Section 6.6(b) (*Waiver*).

If the Offeror declares the Offer unconditional (*gestand doen*), the Offeror shall, within 5 (five) Business Days following the Unconditional Date, pay the Offer Price per Tendered Share to the holders thereof and acquire each Tendered Share (**Settlement**, and the day on which the Settlement occurs, the **Settlement Date**).

At the date of this Offer Memorandum, Kiadis has convened a general meeting of Shareholders to discuss the Offer in accordance with Article 18, Paragraph 1 of the Decree, which will be held at 10:00 hours CET on 30 March 2021. In addition, the Resolutions in connection with the Offer, as described in Section 6.28 (*EGM*), will be proposed to the EGM.² Separate convocation materials have been made available at Kiadis' website (www.kiadis.com). The Kiadis Boards unanimously recommend voting in favour of all Resolutions that will be proposed in connection with the Offer and the Post-Offer Restructuring. Reference is made to Section 6.28 (*EGM*).

The Offer is made in, and from, the Netherlands and Belgium with due observance of the statements, conditions and restrictions included in this Offer Memorandum. Without prejudice to the Offeror's right to reject defective tenders, the Offeror reserves the right to accept any tender under the Offer which is made by, or on behalf of, a Shareholder, even if it has not been made in the manner set out in this Offer Memorandum.

This Offer Memorandum is not an offer to sell securities and it is not a solicitation of an offer to buy securities, nor shall there be any sale or purchase of securities pursuant hereto, in any jurisdiction in which such offer, solicitation or sale is not permitted or would be unlawful prior to registration or qualification under the Laws of any such jurisdiction.

The distribution of this Offer Memorandum and the making of the Offer in jurisdictions other than the Netherlands and Belgium may be restricted or prohibited by Law. The Offer is not made, and the Shares will not be accepted for purchase from, or on behalf of, any Shareholder, in any jurisdiction in which the making of the Offer or acceptance of the Offer would not be in compliance with the securities or other Laws of such jurisdiction or would require any registration, approval or filing with any regulatory authority not expressly contemplated by this Offer Memorandum. If you are in any doubt as to your eligibility to participate in the Offer, you should contact your professional advisor immediately.

Persons obtaining this Offer Memorandum are required to take due note of and observe all such restrictions and obtain any necessary authorisations, approvals or consents (to the extent applicable). However, acceptances of the Offer by Shareholders not residing in the Netherlands or Belgium will be accepted by the Offeror if such acceptances comply with (i) the acceptance procedure set out in this Offer Memorandum and (ii) the Laws of the jurisdiction from which such acceptance has been made. No actions have been taken or will be taken to make the Offer possible in any jurisdiction outside of the Netherlands or Belgium where such authorisations, approvals or consents would be required. In addition, this Offer Memorandum has not been filed with or recognised by the authorities of any jurisdiction other than the Netherlands and Belgium.

Neither the Offeror, nor Kiadis, nor any of their advisors, nor the Settlement Agent accept any liability for any violation by any person of any such restriction. Any person, including custodians, nominees and trustees, who intends to forward this Offer Memorandum or any related document to any jurisdiction other than the Netherlands or Belgium should carefully read this Section 2 (*Restrictions*) and Section 3 (*Important information*) before taking any action.

The release, publication or distribution of this Offer Memorandum and any documentation regarding the Offer or the making of the Offer in jurisdictions other than the Netherlands and Belgium may be restricted by Law and therefore persons into whose possession this Offer Memorandum comes should inform themselves of and observe those restrictions. A failure to comply with any of those restrictions may constitute a violation of the Law of any such jurisdiction. The Offer is being made in and from the Netherlands and Belgium with due observance of the statements, conditions and restrictions included in this Offer Memorandum. The Offeror reserves the right to accept any tender under the Offer, which is made by or on behalf of a Shareholder, even if it has not been made in the manner set out in this Offer Memorandum.

3. IMPORTANT INFORMATION

3.1 Introduction

This Offer Memorandum contains, incorporates and refers to important information that should be read carefully before any Shareholder makes a decision to tender Shares under the Offer. Shareholders are advised to seek independent advice where necessary.

In addition, this Offer Memorandum only contains the principal Dutch and Belgian tax consequences of the disposal of Shares by a Shareholder in connection with the Offer, a Buy-Out and the Post-Offer Restructuring. It does not describe all Dutch or Belgian tax consequences of acceptance or non-acceptance of the Offer that may be relevant for a Shareholder, nor does this Offer Memorandum describe any tax consequences relating to jurisdictions other than the Netherlands or Belgium that may be relevant for a Shareholder (other than in Section 3.2 (*Information for U.S. Shareholders*)). Shareholders are therefore urged to consult their own tax advisor regarding the tax consequences of the Offer.

3.2 Information for U.S. Shareholders

The Offer is being made for the Shares of Kiadis, a public limited liability company incorporated under Dutch Law, and is subject to Dutch disclosure and procedural requirements, which differ from those of the United States. The financial information included in this document has been prepared in accordance with the International Financial Reporting Standards issued by the International Accounting Standards Board, as adopted by the European Commission (**IFRS**) and Part 9 of Book 2 of the Dutch Civil Code (**DCC**), and thus may not be comparable to financial information of U.S. companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States. The Offer will be made in the United States in compliance with Regulation 14E under the U.S. Securities Exchange Act of 1934, as amended (the **U.S. Exchange Act**) and the rules and regulations promulgated thereunder, including the exemptions therefrom, and otherwise in accordance with the applicable regulatory requirements in the Netherlands. Accordingly, the Offer will be subject to disclosure and other procedural requirements, including with respect to withdrawal rights, offer timetable, settlement procedures and timing of payments that are different from those applicable under U.S. domestic tender offer procedures and Law.

The receipt of cash pursuant to the Offer by a U.S. Shareholder will generally be a taxable transaction for U.S. federal income tax purposes and may be a taxable transaction under applicable state and local, as well as foreign and other tax Laws. Each Shareholder is urged to consult his or her independent professional advisor immediately regarding the tax consequences of acceptance or non-acceptance of the Offer.

It may be difficult for U.S. Shareholders to enforce their rights and claims arising out of the U.S. federal securities Laws, since the Offeror and Kiadis are located in a country other than the United States, and some or all of their officers and directors may be residents of a country other than the United States. U.S. Shareholders may not be able to sue a non-U.S. company or its officers or directors in a non-U.S. court for violations of the U.S. securities Laws. Further, it may be difficult to compel a non-U.S. company and its affiliates to subject themselves to a U.S. court's judgment.

Neither the U.S. Securities and Exchange Commission nor any U.S. state securities commission or other regulatory authority has approved or disapproved the Offer, passed upon the fairness or merits of the Offer or provided an opinion as to the accuracy or completeness of this Offer Memorandum or any other documents regarding the Offer. Any declaration to the contrary constitutes a criminal offence in the United States.

To the extent permissible under applicable law or regulation, including Rule 14e-5 of the U.S. Exchange Act, and in accordance with standard Dutch practice, the Offeror and its Affiliates or brokers (acting as agents for the Offeror or its Affiliates, as applicable) may before or during the period in which the Offer remains open for acceptance, directly or indirectly, purchase, or arrange to purchase, Shares outside of the United States, from time to time, other than pursuant to the Offer. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. In addition, the financial advisors to the Offeror may engage in ordinary course trading activities in securities of Kiadis, which may include purchases or arrangements to purchase such securities. To the extent required in the Netherlands, any information about such purchases will be announced by press release in accordance with Article 13 of the Decree and posted on the website of the Offeror at www.sanofi.com.

5.1 Invitation to the Shareholders

The Offeror hereby makes a public cash offer to purchase all Shares on the terms and subject to the conditions and restrictions set forth in this Offer Memorandum. Shareholders are advised to review this Offer Memorandum (including all documents incorporated by reference herein) and in particular Sections 2 (*Restrictions*) and 3 (*Important Information*) thoroughly and completely and to seek independent financial, legal and/or tax advice where appropriate in order to reach an informed judgement with respect to the Offer itself and the contents of this Offer Memorandum. Shareholders who consider not tendering their Shares are advised to review Sections 6.11 (*Consequences of the Offer*) and Section 6.11(d) (*Post-Offer Restructuring*) in particular.

With due reference to all statements, terms, conditions and restrictions included in this Offer Memorandum, the Shareholders are hereby invited to tender their Shares under the Offer in the manner, on the terms and subject to the conditions and the restrictions set out in this Offer Memorandum.

5.2 Offer Price

For each Tendered Share that is not validly withdrawn and is transferred (*geleverd*) under the Offer, subject to the Offeror declaring the Offer unconditional (*gestand doen*), the Offeror offers the Offer Price, being a cash consideration of EUR 5.45 (five euro and forty-five eurocents) cum dividend, without interest and less mandatory withholding tax payable under applicable Law (if any).

Consequently, if on or after 1 November 2020 any Distribution is declared by Kiadis whereby the record date for entitlement to such Distribution is on or prior to the Settlement Date, then the Offer Price will be decreased by the full amount of any such Distribution made by Kiadis in respect of each Share (before any applicable withholding tax). At the date of this Offer Memorandum, there are no Distributions envisaged by Kiadis.

Any adjustment to the Offer Price, resulting from a Distribution by Kiadis or an increase of the Offer Price, will be communicated by means of a press release in accordance with Section 5.16 (*Announcements*) of this Offer Memorandum. The relevant custodian, bank or stockbroker may set an earlier deadline for communication by Shareholders in order to permit the custodian, bank or stockbroker to communicate the acceptances to the Settlement Agent in a timely manner. Accordingly, Shareholders should contact such financial intermediary to obtain information about the deadline by which such

Shareholder must send instructions to the financial intermediary to accept the Offer and should comply with the dates set by such financial intermediary, as such dates may differ from the dates and times noted in this Offer Memorandum.

The institutions admitted to Euronext Amsterdam or Euronext Brussels (*aangesloten instelling*) (**Admitted Institutions**) can tender Shares for acceptance only to the Settlement Agent and only in writing. In submitting the acceptance, the Admitted Institutions are required to declare that:

- (a) they have the Tendered Shares tendered by the relevant Shareholder in their administration;

- (c) they undertake to effect the transfer (*levering*) of these Tendered Shares to the Offeror on or before the Settlement Date, provided that the Offer has been declared unconditional (*gestand is gedaan*).

Although under normal circumstances the relevant Admitted Institution will ensure that the Tendered Shares are transferred (*geleverd*) to the Offeror, if so instructed by the Shareholder, Shareholders are advised that each Shareholder is responsible for the transfer (*levering*) of such Tendered Share to the Offeror.

Subject to withdrawal rights as set out in Section 5.7 (*Withdrawal rights*), the tendering of Shares in acceptance of the Offer will constitute irrevocable instructions by the relevant Shareholder to the relevant Admitted Institution to:

- (a) block any attempt to transfer (*levering*) Shares, so that on or before the Settlement Date no transfer (*levering*) of such Shares can be effected (other than any action required to effect the transfer (*levering*) to the Offeror);

5.5 Validity of the Tendered Shares; waiver of defects; return of Tendered Shares

The Offeror will determine questions as to the validity, form, eligibility, including time of receipt, and acceptance for purchase of any tender of Shares, in its sole reasonable discretion and the Offeror's determination will be final and binding. The Offeror reserves the right to reject any and all tenders of Shares that it in all reasonableness determines are not in proper form or the acceptance for purchase of which may be unlawful. No tender of Shares will be deemed to have been validly made until all defects and irregularities have been cured or waived. The Offeror's interpretation of the terms and conditions of the Offer, including the acceptance forms and instructions thereto, will be final and binding.

There shall be no obligation on the Offeror, the Settlement Agent, or any person acting on its or their behalf to give notice of any defects or irregularities in any acceptance or notice of withdrawal and no liability shall be incurred by any of them for failure to give any such notification.

The Offeror reserves the right to accept any tender of Shares pursuant to the Offer, even if such tender has not been made in compliance with the terms and conditions of the Offer, including the procedures set forth in this Section 5.3 (*Acceptance by Shareholders*).

If any Shares tendered in accordance with the instructions set forth in this Offer Memorandum are not accepted for purchase pursuant to the terms and conditions of this Offer, the Offeror will cause these Shares to be returned promptly following the announcement of the lapse or withdrawal of the Offer, as the case may be.

5.6 Undertakings, representations and warranties by tendering Shareholders

Each Shareholder tendering Shares under the Offer, by such tender, on the date that such Shares are tendered and up to and including the Settlement Date (or, with respect to Shares tendered in the Post-Acceptance Period, up to and including the settlement date for such Shares) undertakes, represents and warrants to the Offeror that:

Shares are free of any third-party rights and restrictions of any kind, unless such third-party rights and restrictions arise solely and result directly from the Shares being held in book entry form in Euroclear Nederland;

- (c) such Shares are being tendered in compliance with the restrictions as set out in Section 2 (*Restrictions*) and Section 3 (*Important Information*) and the securities and other applicable laws or regulations of the jurisdiction in which such Shareholder is located or of which it is a resident and no registration, approval or filing with any regulatory authority of such jurisdiction is required in connection with the tendering of such Shares;
- (d) such Shareholder acknowledges and agrees that having tendered its Shares, such Shareholder shall, as from the Settlement Date, be deemed to have waived any and all rights or entitlements that such Shareholder may have in its capacity as shareholder of Kiadis or otherwise in connection with its shareholding in Kiadis vis-à-vis any member of the Kiadis Group and any member of the Kiadis Boards; and
- (e) such Shareholder is not the subject or target, directly or indirectly, of any economic or financial sanctions administered or enforced by any agency of the US government, the European Union, any member state thereof, or the United Nations, other than solely by virtue of its inclusion in, or ownership by a person included in, the U.S. “Sectoral Sanctions Identifications (SSI) List” or Annex III, IV, V or VI of Council Regulation (EU) No. 833/2014 of 31 July 2014, as amended.

Furthermore, each Shareholder tendering Shares under the Offer, by such tender, acknowledges towards and agrees with the Offeror (i) that it has received this Offer Memorandum, and has reviewed and accepted the restrictions, terms, conditions and other considerations of the Offer, all as described in this Offer Memorandum, and has undertaken an analysis of the implications of the Offer without reliance on the Offeror, the Settlement Agent or any other representative of the Offeror, except as set forth in this Offer Memorandum and (ii) as of the date on which its Shares are transferred (*geleverd*) to the Offeror, to have waived any and all rights or entitlements that the Shareholder may have in its capacity as Shareholder or otherwise in connection with its shareholding in Kiadis vis-à-vis Kiadis, any of the Group Companies and any past or current member of the Kiadis Boards.

To withdraw previously tendered Shares, Shareholders must instruct the Admitted Institution they initially instructed to tender the Shares to arrange for the withdrawal of such Shares by the timely deliverance of a written or facsimile transmission notice of withdrawal to the Settlement Agent at the address set out in Section 3.6 (*Contact details*).

Any notice of withdrawal must specify the name of the person having tendered the Shares to be withdrawn, the number of Shares to be withdrawn and the name of the registered holder of the Shares to be withdrawn, if different from that of the person who tendered such Shares. All questions as to the form and validity (including time of receipt) of any notice of withdrawal will be determined by the Offeror, in its sole discretion, which determination will be final and binding. Shareholders should contact their financial intermediary to obtain information about the deadline by which such Shareholder must send instructions to the financial intermediary to withdraw their acceptance of the Offer and should comply with the dates set by such financial intermediary, as such dates may differ from the dates and times noted in this Offer Memorandum.

Withdrawals of tenders of Shares may not be rescinded, and any Shares properly withdrawn will be deemed not to have been validly tendered for purposes of the Offer. However, withdrawn Shares may be retendered by the procedure for tendering Shares described in Section 5.3 (*Acceptance by the Shareholders*).

If any of the Offer Conditions is or are not satisfied or waived on the then scheduled Closing Date, the Offeror may, after consultation with Kiadis and in accordance with Article 15 of the Decree, extend the Acceptance Period, provided that (i) the extension of the Acceptance Period shall be no less than 2 (two) weeks and no more than 10 (ten) weeks calculated from the initial Closing Date; and (ii) any subsequent extension shall be, subject to the receipt of an exemption granted by the AFM.

For the avoidance of doubt, in case of any extension of the Acceptance Period, all references in this Offer Memorandum to “Closing Time” and “Closing Date” shall, unless the context requires otherwise, be changed to the latest time or date (as applicable) to which the Acceptance Period has been so extended.

If the Acceptance Period is extended, so that the obligation pursuant to Article 16 of the Decree to announce whether the Offer is declared unconditional (*gestand wordt gedaan*) is postponed, a public announcement to that effect will be made ultimately on the third (3rd) Business Day following the Initial Closing Date in accordance with the provisions of Article 15, Paragraphs 1 and 2 of the Decree. If the Offeror extends the Acceptance Period, the Offer will expire on the latest time and date to which the Offeror extends the Acceptance Period.

During an extension of the Acceptance Period, any Shares previously tendered and not withdrawn in accordance with Section 5.7 (*Withdrawal Rights*) will remain tendered under the Offer. Any Shares tendered during the extension of the Acceptance Period cannot be withdrawn, subject to the withdrawal rights set forth in Section 5.7 (*Withdrawal Rights*).

5.11 Settlement

If the Offeror declares the Offer unconditional (*gestand doen*), the Offeror will accept the transfer (*levering*) of all Tendered Shares on the terms of the Offer.

On the Settlement Date, the Offeror will pay the Offer Price in respect of each Tendered Share tendered during the Acceptance Period and transferred (*geleverd*) to the Offeror by a Shareholder to such Shareholder's Admitted Institution, on the terms set out in this Offer Memorandum. The Settlement Date shall be no later than five (5) Business Days after the Unconditional Date. The Offeror cannot guarantee that Shareholders will actually receive the Offer Price from their Admitted

Institution within this period. No specific action is required from the Shareholders regarding the delivery of the Offer Price.

As of the Settlement Date, revocation (*herroeping*), dissolution (*ontbinding*) or annulment (*vernietiging*) of the tendering, sale or transfer (*levering*) of any Share tendered during the Post-Closing Acceptance Period is not possible.

5.12 Post-Closing Acceptance Period

If the Offeror declares the Offer unconditional (*gestand doen*), the Offeror shall publicly announce the Post-Closing Acceptance Period to enable Shareholders who did not tender their Shares during the Acceptance Period to tender their Shares on the same terms and subject to the same conditions and restrictions as the Offer.

The Offeror will publicly announce the results of the Post-Closing Acceptance Period, accompanied by the number and percentage of Shares that have been tendered during the Post-Closing Acceptance Period and the total number and total percentage of Shares held by it in accordance with Article 17, Paragraph 4 of the Decree no later than on the third (3rd) Business Day following the last day of the Post-Closing Acceptance Period.

The Offeror shall continue to accept the transfer (*levering*) all Shares validly tendered (or defectively tendered, provided that such defect has been waived by the Offeror) during such Post-Closing Acceptance Period and shall pay for such Shares as soon as reasonably practicable after the last day of the Post-Closing Acceptance Period and in any case no later than on the fifth (5th) Business Day following the last day of the Post-Closing Acceptance Period.

During the Post-Closing Acceptance Period, Shareholders have no right to withdraw Shares from the Offer, whether validly tendered (or defectively tendered, provided that such defect has been waived by the Offeror) during the Acceptance Period or during the Post-Closing Acceptance Period.

As of the relevant settlement date, revocation (*herroeping*), dissolution (*ontbinding*) or annulment (*vernietiging*) of the tendering, sale or transfer (*levering*) of any Share tendered during the Post-Closing Acceptance Period is not possible.

5.13 Costs related to tendering

No costs will be charged to Shareholders by the Offeror or by Kiadis for the transfer (*levering*) of or payment for the Tendered Shares held through an Admitted Institution. However, Shareholders may be charged certain fees by Admitted Institutions or their custodians, their banks or stockbrokers. Shareholders should consult their Admitted Institution, custodian, bank or stockbroker regarding any charges. Costs might also be charged if a foreign institution is involved in the transfer (*levering*) of or payment for the Tendered Shares.

5.14 Withholding

The Offeror is entitled to deduct and withhold from the Offer Price such amounts as the Offeror is required to deduct and withhold with respect to the payment of the Offer Price under any provision of applicable tax or social security law. To the extent that amounts are so deducted and withheld by

the Offeror, such amounts shall be treated for all purposes as having been paid to the Shareholders on behalf of which such deduction and withholding was made by the Offeror.

5.15 Restrictions

The Offer is being made with due observance of the statements, conditions and restrictions included in this Offer Memorandum. The Offeror reserves the right to accept any tender under the Offer that is made by or on behalf of a Shareholder, even if it has not been effected in the manner as set out in Section 5.3 (*Acceptance by the Shareholders*).

5.16 Announcements

Any further announcement in relation to the Offer, including whether or not the Offeror declares the Offer unconditional (*gestand wordt gedaan*) and announcements in relation to an extension of the Acceptance Period, if any will be made by press release. Any press release issued by the Offeror will be made available on the website of the Offeror (www.sanofi.com). Any press release issued by Kiadis will be made available on the website (www.kiadis.com).

Subject to any applicable requirements of the Law and without limiting the manner in which the Offeror may choose to make any public announcement, the Offeror will have no obligation to make any public announcement other than as described in this Offer Memorandum.

6. EXPLANATION AND BACKGROUND OF THE OFFER

6.1 Background and public announcements

During the first half of 2020, Sanofi and Kiadis have had several discussions on a potential co-operation, as set out more extensively in the Position Statement. On 8 October 2020, a confidentiality agreement was signed by Sanofi and Kiadis, which among other things provided for a standstill arrangement. Subsequently, Sanofi was given the opportunity to perform a due diligence investigation on Kiadis and its business, consisting of a management presentation, a review of documents that were made available in a virtual data room prepared by Kiadis and several expert sessions and other meetings. Following exploratory discussions, on 16 October 2020, Sanofi sent a non-binding offer letter, expressing an interest in acquiring Kiadis. Following review of this offer letter by the Kiadis Boards, together with their advisors, constructive discussions between Sanofi and Kiadis (represented in such discussions by the Management Board (Arthur Lahr) and the chairman of the Supervisory Board (Mark Wegter) following consultations with the Supervisory Board) and their advisors on the terms and conditions of a potential acquisition took place, resulting in a merger agreement being executed on 1 November 2020. On 2 November 2020, Sanofi and Kiadis jointly announced that they reached conditional agreement in connection with a recommended public offer by Sanofi for all the Shares at an offer price of EUR 5.45 (cum dividend) in cash for each Share, subject to customary conditions, and that Sanofi intends to finance the offer by utilizing readily available cash resources (the **Initial Announcement**). Reference is made to Section 11.1 (*Initial Announcement dated 2 November 2020*).

On 30 November 2020, Sanofi and Kiadis jointly announced that they were making good progress on the preparations of the Offer and that the Offeror would submit a request for review and approval of the Offer Memorandum with the AFM. Reference is made to Section 11.2 (*Four weeks announcement dated 30 November 2020*).

On 9 December 2020, Sanofi and Kiadis jointly announced that the competition condition for completion of the Offer, as announced in the press release of 2 November 2020, was satisfied and that Sanofi and Kiadis anticipated that the Offer would close during the first half of 2021. Reference is made to Section 11.3 (*Press release satisfaction competition condition related to the tender offer dated 9 December 2020*).

6.2 The Offer

The Offeror is making an offer to purchase from the Shareholders all the Shares on the terms and subject to the conditions and restrictions contained in this Offer Memorandum.

Subject to the Offer being declared unconditional (*gestand wordt gedaan*), Shareholders who have tendered and transferred their Shares under the Offer will receive the Offer Price in respect of each Tendered Share.

6.3 Substantiation of the Offer Price

(a) General

In establishing the Offer Price, the Offeror carefully considered the history and prospects of Kiadis, analyses of historical financial information derived from Kiadis' annual and interim accounts, information included in the virtual data room, information derived from various management and expert sessions, equity research reports and press releases as well as possible long-term developments in profitability, patents, licenses, capital and balance sheet. In this context, the Offeror also took into account Kiadis' risk profile compared to private and publicly listed comparable companies based on its capital and liquidity position, as well as its risk sensitivities. In addition, the Offeror took into account historical market values of the Shares traded on Euronext Amsterdam and Euronext Brussels, as set forth below.

(b) Analysis

The Offer Price has been based on the following financial analysis by the Offeror:

- (i) a sum-of-the-parts discounted cash flow analysis for Kiadis of clinical product candidates and early-stage pipeline, on a risk-adjusted basis for probability of success, applying a range of risk adjustments typical for preclinical and clinical stage programs. This analysis also included programs that could be potentially combined with Sanofi's existing pipeline. The analysis was based on a forecast period until 2040 and used a range of discount rates, appropriate for the combined and standalone business entities;
- (ii) selected analyst price targets for the Shares, issued prior to 30 October 2020 (the **Reference Date**) by 5 research analysts who follow Kiadis' developments and issue research reports on Kiadis. This included reports from equity research functions of Piper Sandler, KBC Securities, Kempen & Co, Jefferies and Canaccord Genuity over the 6 months leading up to the transaction announcement. The median target price per Share based on the most recent target price estimate from these reports was EUR 2.80 (range from EUR 2.40 to EUR 4.50);
- (iii) the closing price of the Shares since 30 October 2019 up to and including the Reference Date. This included an analysis of the Offer Price premium versus the current price per Share (for example, EUR 1.46 as at the Reference Date), the 52-week high closing price per Share (EUR 3.21) and the volume-weighted average closing price per Share for different time intervals. The premium against the 52-week high closing price per Share is 70% and the premium against the volume-weighted average closing price per Share ranges from 272% for the thirty trading days prior to the Reference Date to 169% for the twelve month period prior to the Reference Date. During this period, the closing price of the Shares ranged from EUR 1.27 to EUR 3.21;
- (iv) precedent transactions of biotechnology companies over the last three years, including a comparison of:

- I. the premium to unaffected closing price per Share and the 52-week high closing price per Share implied by the Offer;³
 - II. the multiple of enterprise value, implied by the Offer, to future estimated revenue (non-risk-adjusted and risk-adjusted for probability of success);
 - III. with selected transactions being: Gilead Sciences/Immunomedics, Menarini Group/Stemline Therapeutics, Gilead Sciences/Forty Seven, Merck & Co/ArQule, Sanofi/Synthorx, Novartis/Endocyte, and Sanofi/Ablynx; and
- (v) return on invested capital and internal rate of return.

Given the very early-stage nature of the Kiadis pipeline and platform (including the recently integrated CytoSen business), the DCF analysis represents the most fundamental and complete reflection of all clinical programs in development by Kiadis (often not fully credited by the research analyst community) as well as programs for potential combination with Sanofi's existing pipeline. This analysis forms a key part of the Offer Price which has been supported by additional analyses including the precedent transaction comparables.

(c) Bid Premia

The Offer represents:

- (i) a premium of 272% to the closing price per Share on Euronext Amsterdam and Euronext Brussels on the Reference Date;
- (ii) a premium of 247% to the volume-weighted average closing price per Share on Euronext Amsterdam and Euronext Brussels for the 30 (thirty) trading days prior to and including the Reference Date;
- (iii) a premium of 200% to the volume-weighted average closing price per Share on Euronext Amsterdam and Euronext Brussels for the 90 (ninety) trading days prior to and including the Reference Date;
- (iv) a premium of 169% to the volume-weighted average closing price per Share on Euronext Amsterdam and Euronext Brussels for the 12 (twelve) month period prior to and including the Reference Date; and
- (v) a premium of 70% to the highest closing price per Share on Euronext Amsterdam and Euronext Brussels for the 52 (fifty-two) week period prior to and including the Reference Date.

³ The median premium to the unaffected closing price per Share and the 52-week high closing price per Share of the precedent transactions was 110% and 92% respectively.

6.4 Rationale for the Offer

Kiadis' NK cell platform and resulting therapeutic pipeline is complementary to the Offeror Group's in-house pipeline including CD-38 (isatuximab) and early stage NK cell engager bispecific programs.

The Offeror Group and Kiadis have the intention to accelerate the development and commercialisation of Kiadis' trajectory and pipeline programs by leveraging the Offeror Group's global infrastructure and capabilities in research, CMC, development, manufacturing and commercialisation, as well as the Offeror Group's financial strength. This will result in making products rapidly and economically available for a broad patient population across a wide range of indications. At the date of this Offer Memorandum, the Offeror Group has no intentions with regards to the place of establishment of Kiadis, other than as described in Section 6.17(c) (*Non-Financial Covenants*).

6.5 Financing of the Offer and Kiadis

The Offer values 100% of the Shares at approximately EUR 308,000,000 (three hundred and eight million euro).⁴ Because the 2025-I and 2025-II Warrants, which amount to 5,238,747 Warrants in total, will not be settled in cash, but exercised with a lower exercise price, the Fully Diluted share count consist of 40,308,501 ordinary Shares outstanding, 7,446,147 Shares from in-the-money Options, 2,585,507 Shares from the conversion of the Kreos Capital Facility Agreements, and 5,505,874 Milestone Shares, resulting in a total of 61,084,776 Shares. The Offeror shall pay the Offer Price fully through readily available cash resources. Reference is also made to the Initial Announcement in which the certainty of funds was announced in accordance with Article 7, Paragraph 4 of the Decree.

Pursuant to a heads of terms agreed upon on the date of the Merger Agreement, on 13 January 2021 Sanofi Finance Ireland Limited as lender and Kiadis as borrower entered into a facilities agreement (the **Bridge Loan**). The main purpose of the Bridge Loan is for general corporate and working capital purposes of the Kiadis Group in order to allow the Kiadis Group to be able to continue operating its business in the ordinary course following execution of the Merger Agreement, avoiding delay in the operations of its business and to ensure the continuity of the Kiadis Group. Part of the Bridge Loan, in the amount of EUR 7,700,000, can be used to refinance the debt under the Kreos Capital Facility Agreements and prepay the convertible bonds with Kreos Capital. The total principal amount agreed upon in the Bridge Loan amounts to EUR 27,700,000 (twenty seven million and seven hundred thousand euro). Funding of the Bridge Loan is on a certain funds basis, but shall be immediately cancelled in the event of a change of control of Kiadis (excluding a change of control to the Offeror, but including an asset sale of the Kiadis Group) or if the Merger Agreement is terminated following a material breach of the Merger Agreement by Kiadis pursuant to Section 6.27(a)(iii) or terminated following a Superior Offer, as described in Section 6.27(a)(iv), and can be cancelled by the lender if one or more material events of default have occurred or it has become unlawful for the lender to provide the loans. The Bridge Loan is a term loan facilities with the loans having to be repaid one year after the first utilisation of a facility (with a six month automatic extension period). The facilities

shall be available until and including 30 May 2021. The facilities rank pari passu with other senior unsecured debt of Kiadis but junior to the Kreos Capital Facility Agreements. The interest rate is EURIBOR plus a margin, being a PIK margin of 2.5% per annum and a 2.0% cash margin which margins will both be increased to 10% in the event of a change of control of Kiadis (excluding a change of control to the Offeror, but including an asset sale of the Kiadis Group) or if the Merger Agreement is terminated. The documentation contains a customary suite of representations, undertakings and events of default for transactions of this nature and a most favoured nation provision giving the lender the benefit of any more favourable protection agreed with other debt financiers of the Kiadis Group. The documentation also includes a provision that the Kiadis Group will be required to guarantee the Bridge Loan or grant security securing the Bridge Loan if certain customary circumstances are met.

On 14 January 2021, Kiadis announced via press release that it had drawn EUR 20,000,000 from the Bridge Loan to bridge Kiadis' capital needs through the closing of the acquisition by Sanofi.

6.6 Offer Conditions, waiver and satisfaction

(a) Offer Conditions

(b) Waiver

The Offer Conditions set forth in Sections 6.6(a) (i), (ii), (iii), (v), (vi), and (vii) are for the sole benefit of the Offeror and may, to the extent permitted by Laws, be waived (either in whole or in part) by the Offeror at any time, in its sole discretion, by written notice to Kiadis; provided, however, that a waiver of the Offer Condition set out in Section 6.6(a) (i) will require the approval of the Kiadis Boards (which will not be unreasonably withheld or delayed) in the event that the Tendered Shares (excluding any Shares held by Kiadis at the Closing Date) represents, at the Closing Date, less than 66.67% (sixty five per cent) of the aggregate issued and outstanding ordinary capital (*geplaatst en uitstaand gewoon kapitaal*) of Kiadis on a Fully Diluted basis.

The Offer Conditions set forth in Section 6.6(a) (viii) and (x) are for the benefit of both Kiadis and the Offeror and may, to the extent permitted by Law, be waived (either in whole or in part) by Kiadis and the Offeror jointly by written agreement.

The Offer Conditions set forth in Section 6.6(a)(ix) cannot be waived.

No Party may invoke any of the Offer Conditions if the non-satisfaction of such condition(s) is caused by a breach of that Party of any of its obligations under the Merger Agreement.

In the event that the Acceptance Threshold at the Closing Date is 95% (ninety-five per cent) of Kiadis' aggregate issued and outstanding ordinary share capital (*geplaatst en uitstaand gewoon aandelenkapitaal*) on a Fully Diluted basis, the Offeror shall, upon request of Kiadis, timely waive the Offer Condition set out in Section 6.6(a) (viii) under (b) (No Governmental or Court Order) to the extent the relevant governmental or court order solely relates to the Post-Offer Restructuring.

(d) Satisfaction

The satisfaction of each of the Offer Conditions does not depend on the will of the Offeror as prohibited by Article 12, Paragraph 2 of the Decree.

Each of the Offeror and Kiadis shall use its reasonable best efforts to procure the fulfilment of each of the Offer Conditions as soon as reasonably possible. If at any time either the Offeror or Kiadis becomes aware of any event or circumstance that would have a significant impact on the satisfaction of an Offer Condition it shall promptly notify the other Party thereof.

With respect to the Offer Condition set out in Section 6.6(a)(ii), the Offeror and Kiadis have agreed on a binding advice procedure in the event the Offeror considers this Offer Condition not satisfied and Kiadis disagrees. In such event, a binding advisor shall decide on the matter within 10 (ten) Business Days from the date having been referred to the binding advisor or such shorter period as the Offeror and Kiadis may agree, it being understood that a decision shall be rendered no later than noon CET on the Business Day before the Unconditional Date. The binding advisor will be appointed in accordance with the binding advice procedure (*bindend advies reglement*) of the NAI (*Nederlands Arbitrage Instituut*). The binding advice shall be final and binding upon the Offeror and Kiadis.

6.7 Decision making and Recommendation by the Kiadis Boards

Upon the receipt of the non-binding offer letter from Sanofi on 16 October 2020, the Kiadis Boards frequently met to be updated on the latest developments, monitor the process and discuss the Offer and alternatives thereto.

In the decision-making process, members of the Kiadis Boards have given due consideration to (potential) conflicts of interest between any of them and Kiadis, and they have established that such was not the case.

The Kiadis Boards, after having received extensive legal and financial advice, and having given due and careful consideration to all aspects of the Offer, including:

- (a) the strategic rationale of the Offer, also considering the risks and uncertainties of the alternatives available to Kiadis;
- (b) the financial aspects of the Offer (such as the consideration per Share);
- (c) the non-financial (such as operational and social) aspects of the Offer such as the impact on the stakeholders; and
- (d) deal certainty and deal protection,

have reached the conclusion that, taking into account all circumstances, the Offer is fair to the Shareholders from a financial point of view and in the best interests of Kiadis and all its stakeholders.

Moelis has issued a fairness opinion to the Kiadis Boards dated 1 November 2020 to the effect that, as of such date and based upon and subject to the qualifications, limitations and assumptions set forth therein, the Offer Price to be received by Shareholders in the Offer or Asset Sale (as defined in the Fairness Opinion) is fair, from a financial point of view, to the Shareholders (the **Fairness Opinion**). The full text of the Fairness Opinion, which sets forth the assumptions made, procedures followed,

matters considered and limitations on the review undertaken in connection with the Fairness Opinion, is included in the Position Statement.

With reference to the above, and subject to the terms and conditions of the Offer Memorandum, the Kiadis Boards (i) support the Transactions, (ii) recommend that the Shareholders accept the Offer and tender their Shares in the Offer, and (iii) recommend that the Shareholders vote in favour of the Resolutions (the **Recommendation**).

Neither the Kiadis Boards nor its members may effect an Adverse Recommendation Change, save for a withdrawal in accordance with Sections 6.20 (*Exclusivity and Alternative Proposal*) to 6.26 (*Consecutive (Potential) Superior Offers*).

If and when Settlement occurs, it is anticipated that the funds managed by Life Sciences Partners will receive a cash amount of approximately EUR 39,848,034 in consideration for their respective Shares tendered under the Offer. The funds managed by Life Sciences Partners did not receive any information from Sanofi, the Offeror or Kiadis relevant for a Shareholder in connection with the Offer that is not included in this Offer Memorandum and will tender their Shares under the Offer under the same terms and conditions as the other Shareholders.

In addition, the holders of the 2025 Warrants, Kreos Capital, and the former holders of CytoSen shares and options have committed to tender all their holdings of Shares under the Offer and vote in

favour of the Resolutions. For further information, please refer to Section 7.8(c) (*Warrants*), 7.8(d) (*Convertible Notes*), and 7.8(e) (*Rights of holders of CytoSen shares and options*),

Mr Kleijwegt and Mr Saxena, both members of the Supervisory Board of Kiadis, hold a certain number of Shares, as described in Section 6.8 (*Shareholdings of the members of the Kiadis Boards*), together representing less than 1% of Kiadis' issued and outstanding ordinary share capital. Each of Mr Kleijwegt and Mr Saxena has irrevocably undertaken to tender his Shares under the Offer and to vote on the Shares in favour of the Resolutions at the EGM, in each case subject to the condition that the Offer is declared unconditional and that the Merger Agreement has not been terminated in accordance with its terms. If and when Settlement occurs, it is expected that Mr Kleijwegt will receive a cash amount of EUR 1,635,000 and Mr Saxena will receive a cash amount of EUR 28,340 in consideration for their respective Shares tendered under the Offer. Mr Kleijwegt and Mr Saxena did not receive any information from Sanofi, the Offeror or Kiadis relevant for a Shareholder in connection with the Offer that is not included in this Offer Memorandum and will tender their Shares under the Offer under the same terms and conditions as the other Shareholders.

In total, approximately 36.6% of the issued and outstanding Shares, calculated on a Fully Diluted basis, has been irrevocably committed under the Offer.

6.10 Respective cross-shareholdings Sanofi – Kiadis

As at the date of this Offer Memorandum, neither Sanofi nor Offeror, nor any of their Affiliates directly or indirectly holds any shares in the capital of Kiadis.

In the year preceding the date of the Offer Memorandum, neither Sanofi nor the Offeror have executed transactions in relation to Kiadis securities.

The Offeror and its affiliates or brokers (acting as agents for the Offeror or its affiliates, as applicable) reserve the right to, to the extent permissible under applicable law or regulation, from time to time after the date of the Offer Memorandum, and other than pursuant to the intended Offer, directly or indirectly purchase, or arrange to purchase, Shares that are the subject of the Offer. To the extent information about such purchases or arrangements to purchase has to be made public in the Netherlands, such information will be disclosed by means of a press release to inform Shareholders of such information.

As at the date of this Offer Memorandum, neither Kiadis nor any of its Affiliates directly or indirectly holds any shares in the capital of the Offeror and/or Sanofi.

6.11 Consequences of the Offer for non-tendering Shareholders

It is likely that the Offer, if and when it is declared unconditional, has implications for the Shareholders who did not tender their Shares. Therefore, Shareholders considering not tendering their Shares under the Offer should carefully review the Sections of this Offer Memorandum that further explain the intentions of the Offeror, such as this Section 6.11 (*Consequences of the Offer*) and Section 6.11(d) (*Post-Offer Restructuring*), which describe certain actual or potential implications to which such non-tendering Shareholders will be subject if the Offer is declared unconditional and settled. These risks are in addition to the risks associated with holding securities issued by Kiadis generally, such as the exposure to risks related to the business of the Kiadis Group,

the markets in which the Kiadis Group operates, as well as economic trends affecting such markets generally as such business, markets or trends may change from time to time after the Settlement Date.

(a) Intentions following the Offer being declared unconditional

If the Offer is declared unconditional (*gestand wordt gedaan*), the Offeror and Kiadis:

- (i) shall as soon as possible seek to procure delisting of the Shares from Euronext Amsterdam and Euronext Brussels and seek to terminate the listing agreement between Kiadis and Euronext Amsterdam respectively Euronext Brussels in relation to the listing of the Shares; and
- (ii) intend to have the Offeror acquire all Shares not yet owned by it or the entirety of Kiadis' assets and operations (including the Group's entire business), through a Buy-Out, the Post-Offer Restructuring and/or one or more Post-Closing Measures.

(b) Liquidity and delisting

The purchase of Shares by the Offeror pursuant to the Offer will reduce the number of Shareholders, as well as the number of Shares that might otherwise be traded publicly. As a result, the size of the free float in Shares may be substantially reduced following Settlement and trading volumes and liquidity of Shares may be adversely affected. The Offeror does not intend to compensate the Shareholders for such adverse effect. Should the Offer be declared unconditional, the Offeror and Kiadis shall seek to procure the delisting of the Shares on Euronext Amsterdam and Euronext Brussels as soon as possible under Applicable Rules. This may further adversely affect the liquidity and market value of any Shares not tendered.

Delisting of the Shares from Euronext Amsterdam and Euronext Brussels may be achieved on the basis of at least 95% of the Shares having been acquired by the Offeror or in the basis of the Post-Offer Restructuring or a Post-Closing Measure. In the event that Kiadis will no longer be listed, the provisions applicable to the governance of listed companies will no longer apply and the rights of remaining minority Shareholders may be limited to the statutory minimum.

(c) Buy-Out

If, following the Settlement Date and, if applicable, the settlement of the Shares tendered during the Post-Closing Acceptance Period, the Offeror and its Affiliates, alone or together with Kiadis, hold at least 95% (ninety-five per cent) of the issued ordinary share capital (*geplaatst gewoon aandelenkapitaal*) of Kiadis, the Offeror shall commence (i) a compulsory acquisition procedure (*uitkoopprocedure*) in accordance with article 2:92a or 2:201a of the DCC to buy out the holders of Shares that have not tendered their Shares, and/or (ii) a takeover buy-out procedure in accordance with article 2:359c of the DCC to buy out the holders of Shares that have not tendered their Shares under the Offer (the **Buy-Out**), unless the Offeror elects to pursue the Post-Offer Restructuring and the Kiadis Boards, taking into account the interests of Kiadis and its stakeholders (including any remaining shareholders) and other relevant circumstances, agree to pursue the Post-Offer Restructuring, in which case the Post-Offer Restructuring shall be implemented in accordance with Section 6.11(d) (*Post-Offer Restructuring*). Kiadis shall provide the Offeror with any assistance as

may be reasonably required in connection with the Buy-Out, including, if needed, joining such procedure as co-claimant.

In a Buy-Out, any remaining minority shareholders of Kiadis will receive the Offer Price for their Shares unless there would be financial, business or other developments or circumstances that would justify a different price (including a reduction resulting from the payment of any Distribution) in accordance with, respectively, Article 2:92a, Paragraph 5 or Article 2:359c, Paragraph 6 of the Dutch Civil Code.

No Dutch dividend withholding tax (*dividendbelasting*) is due upon a disposal of the Shares under the Buy-Out. The Dutch income tax consequences of the Buy-Out are the same as the Dutch income tax, respectively, of the Offer. For more information reference is made to Section 10 (*Material Dutch and Belgian Tax consequences of the Offer*).

(d) Post-Offer Restructuring

Subject to (i) the adoption of the Post-Offer Resolutions, (ii) the Tendered Shares representing at least 80% (eighty per cent) and less than 95% (ninety five per cent) of Kiadis' aggregate issued and outstanding ordinary share capital (*geplaatst en uitstaand gewoon aandelenkapitaal*), in each case on a Fully Diluted basis (the **Post-Offer Restructuring Threshold**), or such higher or lower percentage as may be agreed between the Offeror and Kiadis in accordance with the considerations set out below, and (iii) the Offer having been declared unconditional, the Offeror may, after consultation with Kiadis, decide to pursue the Post-Offer Restructuring, in which case Kiadis shall:

- (i) as soon as possible after the Offeror's decision to pursue the Post-Offer Asset Sale, enter into an asset sale agreement with the Offeror (the **Asset Sale Agreement**), pursuant to which all assets and liabilities of Kiadis will be sold and transferred to the Offeror (or its nominee nominated in accordance with the Asset Sale Agreement), and the Parties shall promptly implement the asset sale as contemplated by the Asset Sale Agreement (the **Asset Sale**) and take (or cause to be taken) the steps to complete the actions and transactions set forth in the Asset Sale Agreement; and
- (ii) following the completion of the Asset Sale, effect the dissolution and liquidation of Kiadis (the **Kiadis Dissolution** and, together with the Asset Sale, the **Post-Offer Restructuring**) and make an advance liquidation distribution per Share that is intended to take place on or about the date the Asset Sale is completed and in an amount that is to the fullest extent possible equal to the Offer Price, without any interest and less any applicable withholding taxes and other taxes (the **Asset Sale Price Per Share**).

In the event that following the Post-Closing Acceptance Period the Offeror holds less Shares than the Post-Offer Restructuring Threshold, neither of the Parties shall be required to cooperate with the Post-Offer Restructuring, but each of the Parties is entitled to re-evaluate the relevant Post-Offer Restructuring and to propose to the other Party to nevertheless proceed with the Post-Offer Restructuring in light of the then prevailing circumstances.

Rationale of the Post-Offer Restructuring

The Offeror and Kiadis consider it important (i) to enhance the sustainable success of the business of the Kiadis Group as part of the Sanofi Group and (ii) for the Sanofi Group to acquire 100% of the Shares or Kiadis' assets and operations. This importance is based, *inter alia*, on:

- (i) the fact that having a single shareholder and operating without a public listing increases the Kiadis Group's ability to achieve goals and implement the actions of the proposed strategy of the Kiadis Group as part of the Sanofi Group; and
- (iii) the ability of Kiadis and the Offeror to terminate the listing of the Shares from Euronext Amsterdam and Euronext Brussels and to achieve an efficient capital structure (both from a tax, financing and capital requirements perspective), including the ability to form a fiscal unity between the Offeror and Kiadis, which are important factors in achieving the premium reflected in the Offer Price.

In light of the above, including the deal certainty considerations and the fact that the Offeror's willingness to pursue the strategic rationale, to pay the Offer Price and to pursue the Transactions is predicated on the acquisition of 100% of the Shares or the entirety of Kiadis' assets and operations (including the Kiadis Group's entire business), the ability to delist Kiadis, and to fully integrate the respective businesses of the Kiadis Group and the Sanofi Group and realise the operational, commercial, organisational, financial and tax benefits of the combination of the Parties, and in light of the willingness of the Offeror to reduce the Acceptance Threshold to the Post-Offer Restructuring Threshold if there is a pre-wired restructuring on fair and reasonable terms, Kiadis expressed its support for the Post-Offer Restructuring as contemplated in this section and the other Post-Closing Measures as contemplated in Section 6.11(e).

(e) Other measures

Without prejudice to Section 6.11(c) and Section 6.11(d) and, if the Offeror declares the Offer unconditional, after the Post-Closing Acceptance Period the Offeror may effect or cause to effect any restructuring of the Kiadis Group for the purpose of the acquisition of 100% of the Shares or the entirety of Kiadis' assets and operations (including the Kiadis Group's entire business), the ability to delist Kiadis, and to fully integrate the respective businesses of the Kiadis Group and the Sanofi Group and realise the operational, commercial, organisational, financial and tax benefits of the combination of the Parties in accordance with the Merger Rules and Law in general, even though some of which may have the (side) effect of diluting the interest of any remaining minority shareholders of Kiadis holding Shares that were not tendered pursuant to the Offer or in the Post-Closing Acceptance Period (the **Minority Shareholders**) of Kiadis (**Post-Closing Measures**), including:

- (i) a statutory cross-border merger (*grensoverschrijdende fusie*) between the Offeror, or an Affiliate of the Offeror, and Kiadis, with Kiadis being the disappearing entity and the Offeror or its Affiliate (as the case may be) being the surviving entity;
- (ii) a statutory (cross-border or domestic) legal (triangular) merger (*juridische driehoeks-fusie*) in accordance with article 2:309 et seq of the DCC between Kiadis, the Offeror or an Affiliate of the Offeror;

- (iii) a statutory legal demerger (*juridische splitsing*) of Kiadis in accordance with article 2:334a et seq of the DCC;
- (iv) a contribution of cash and/or assets by the Offeror or by any Affiliate of the Offeror in exchange for ordinary shares in Kiadis' share capital, in which circumstances the pre-emptive rights (*voorkeursrechten*), if any, of minority shareholders of Kiadis could be excluded;
- (v) a sale and transfer of assets and liabilities (i) by any member of the Kiadis Group to the Offeror or an Affiliate of the Offeror, or (ii) by the Offeror or an Affiliate of the Offeror to any member of the Kiadis Group;
- (vi) a distribution of proceeds, cash and/or assets to the shareholders of Kiadis or share buybacks;
- (vii) a liquidation of Kiadis;
- (viii) a subsequent public offer for any Shares held by minority shareholders;
- (ix) a conversion of Kiadis into a private company with limited liability (*besloten vennootschap met beperkte aansprakelijkheid*);
- (x) any transaction between Kiadis and the Offeror or their respective Affiliates at terms that are not at arm's length;
- (xi) any transaction, including a sale and/or transfer of any material asset, between Kiadis and its Affiliates or between Kiadis and the Offeror or their respective Affiliates with the objective of utilising any carry forward tax losses available to Kiadis, the Offeror or any of their respective Affiliates;
- (xii) any transactions, restructurings, share issues, procedures and/or proceedings in relation to Kiadis and/or one or more of its Affiliates required to effect the aforementioned objectives; and
- (xiii) any combination of the foregoing.

In the implementation of any Post-Closing Measure, due consideration will be given to requirements of applicable Law, including the fiduciary duties of the members of the Boards at that time to promote the sustainable success of Kiadis' business and to consider the interests of Minority Shareholders and all other stakeholders' and relevant employee representation bodies' information and/or consultation requirements.

(f) Dividend policy

The Shareholders should be aware that Kiadis may or may not pay dividends in the future. Future dividends paid may be of a one-off nature only and the amount of any dividends will depend on a number of factors associated with the Offeror's tax and financial preferences from time to time. Any Distribution made in respect of Shares after the Settlement Date will be deducted for the purpose of

establishing the value per Share in the Buy-Out, the Post-Offer Restructuring or any other Post-Closing Measure contemplated by Section 6.11 (d) (*Post-Offer Restructuring*) and Section 6.11 (e) (*Post-Offer Restructuring*).

(g) Dutch Corporate Governance Code

As long as the Shares are listed on Euronext Amsterdam, Kiadis shall continue to comply with the Dutch Corporate Governance Code (except for deviations that find their basis in the Merger Agreement, as disclosed in this Offer Memorandum (including, but not limited to the composition of the Supervisory Board as described in Section 6.14 (*Composition of the Kiadis Supervisory Board*), which entails that (i) the majority of the Supervisory Board shall not be “independent” as defined in the Dutch Corporate Governance Code, but are nominated by the Offeror and (ii) the chairman of the Supervisory Board shall not be “independent” as defined in the Dutch Corporate Governance Code, but is nominated by the Offeror) and other deviations in accordance with the “explain” requirement in respect of such deviations). Current deviations from the Dutch Corporate Governance Code by Kiadis are described on page 25 of Kiadis’ annual report for the financial year 2019, which is available on the website of Kiadis (www.kiadis.com). There are currently no intentions for post-Settlement deviations from the Dutch Corporate Governance Code by Kiadis other than the current deviations and deviations that find their basis in the Merger Agreement (as disclosed in this Offer Memorandum).

(h) Tax treatment of distributions

The Offeror and Kiadis give no assurances and have no responsibility with respect to the tax treatment of Shareholders with respect to any distributions made by Kiadis or any successor entity to Kiadis on the Shares, which may include dividends, interest, repayments of principal, repayments of capital and liquidation distribution.

6.12 Role and veto right of Independent Members

(a) Role of Independent Members

In the implementation of the Post-Offer Restructuring or any Post-Closing Measure, due consideration will be given to requirements of applicable Laws, including the fiduciary duties of the members of the Kiadis Boards at that time to promote the sustainable success of Kiadis’ business and to consider the interests of minority shareholders and all other stakeholders’ and relevant employee representation bodies’ information and/or consultation requirements.

(b) Approval rights of Independent Members

If any proposed Post-Settlement Measure could reasonably be expected to lead to a dilution of the shareholdings of the remaining minority shareholders in Kiadis, other than:

- (i) pursuant to a rights issue by Kiadis or any other share issue where the remaining minority shareholders have been offered an opportunity to subscribe pro rata to their then existing shareholding in Kiadis (*voorkeursrecht*);

- (ii) any shares issued to a third party not being an Affiliate of a Party at the time of such issue;
- (iii) the Buy-Out;
- (iv) the Post-Offer Restructuring; and
- (v) the delisting (including the execution of the draft amended Articles of Association included in Section 14 (*Articles of Association*)).

or any other form of unequal treatment which prejudices or could prejudice or negatively affect the value of the Shares or voting rights attached to the Shares held by the remaining minority shareholders or their reasonable interests, then the affirmative vote of at least 1 (one) Independent Member will be required for approving any such Post-Settlement Restructuring.

(c) **Advisors to Independent Members**

The Independent Members will be entitled to engage, for the account of Kiadis, their own financial and legal advisors, if and to the extent they reasonably believe that the advice of such advisors is necessary to assist them in reviewing and assessing the matters that come before the Supervisory Board.

6.13 Amendments to the Articles of Association

The Offeror intends to have the Articles of Association amended in the following instances: (i) following Settlement, and (ii) following termination of the listing of the Shares on Euronext Amsterdam and Euronext Brussels, as included in Section 14 (*Articles of Association*).

The amendment of the Articles of Association following Settlement reflects that Kiadis will have the Offeror as a large majority Shareholder. The amendments mainly relate to (i) transferring or granting certain rights to the general meeting of shareholders and (ii) the deletion of references to preference shares.

The subsequent amendment to the Articles of Association, following delisting from Euronext Amsterdam and Euronext Brussels, will primarily relate to the removal of provisions that are only applicable to listed companies. The amendments include adding more flexibility to the governance structure of Kiadis, in accordance with the conversion from a public limited company (*naamloze vennootschap*) to a private limited company (*besloten vennootschap met beperkte aansprakelijkheid*).

6.14 Composition of the Kiadis Supervisory Board

At the Settlement Date, the Supervisory Board will be composed of:

- (A) three persons to be appointed upon nomination by the Offeror, being Frank Nestle, Kripa Ram and Jérémie Girard⁷, who are non-independent from the Offeror within the meaning of the Dutch Corporate Governance Code; and
- (B) Mark Wegter and Rob Soiffer as two current members of the Supervisory Board, qualifying as independent within the meaning of the Dutch Corporate Governance Code, to continue to serve on the Supervisory Board (including their successors, the **Independent Members**).

Frank Nestle will serve as chairman of the Supervisory Board.⁸

The Independent Members (or after their replacement, their successors) will continue to serve on the Supervisory Board for at least until the first anniversary of the Settlement Date.

6.15 Composition of the Management Board

At Settlement, the Management Board will be composed of the member of the Management Board, being Arthur Lahr plus Marion Zerlin.⁹

6.16 Compensation to the members of the Kiadis Boards in connection with termination/resignation

None of the members of the Supervisory Board who resign with effect from Settlement are entitled to a contractual severance payment or any other form of compensation on termination of service.

6.17 Non-Financial Covenants

The Offeror shall, in accordance with the terms and subject to the conditions of the Merger Agreement, comply with the principles and agreements set out in Section 6.11(d) (*Post-Offer Restructuring*)), 6.12 (*Role and veto right of Independent Members*), Section 6.14 (*Composition of the Kiadis Supervisory Board*) and this Section 6.17 (*Non-Financial Covenants*) (collectively, the **Non-Financial Covenants**).

(a) Strategic Rationale

- (i) By combining their businesses, the Offeror Group and Kiadis have the intention to accelerate the development and commercialisation of Kiadis' pipeline programs by leveraging the Offeror Group's global infrastructure and capabilities in research, CMC, development, manufacturing and commercialisation, as well as the Offeror's financial strength.
- (ii) The Offeror Group and Kiadis intend to set up a hybrid integration model with corporate R&D activities of Kiadis and the Offeror Group integrated, details of which will be treated on a case by case basis.

⁷ Assuming the respective Resolution(s) thereto are adopted at the EGM.

⁹ Assuming the respective Resolution thereto is adopted at the EGM.

(b) **Governance**

As long as the Shares remain listed on Euronext Amsterdam, Kiadis shall continue to comply with the current Dutch Corporate Governance Code, except for (i) current deviations from the Dutch Corporate Governance Code and (ii) deviations from the Dutch Corporate Governance Code that find their basis in the Merger Agreement.

(c) **Organisation / location**

- (i) There will be research and CMC activities at Kiadis' offices in Amsterdam, the Netherlands.
- (ii) The Offeror Group is focussed on ensuring that the Kiadis Group's key management and key staff is retained and offered suitable career opportunities.
- (iii) Sanofi fosters a culture of excellence, where qualified employees are offered suitable training and career progression.

(d) **Employees**

- (i) There will be no material redundancies with respect to the Kiadis Group's employees as a direct consequence of the Offer and necessary redundancies going forward will be part of the Integration Committee process.
- (ii) The existing rights and benefits of the Kiadis Group's employees shall be respected by the Offeror Group, including existing rights and benefits under their individual employment agreements and (at least) existing redundancy practices applied by the Kiadis Group.
- (iii) Any redundancies that need to occur will be done in accordance with all legal requirements.
- (iv) The existing pension rights of the Kiadis Group's current and former employees shall be respected by the Offeror Group.
- (v) Following the Settlement Date, the nomination, selection and appointment of staff for functions within the Offeror Group's NK activities will, subject to the applicable rules, be based on the "best person for the job" principle, or, where not feasible or appropriate, on a non-discriminatory, fair and business-oriented transparent set of criteria.

(e) **Minority Shareholders**

The following resolutions by the Supervisory Board shall require the prior approval of the Supervisory Board with the affirmative vote of at least one of the Independent Members:

- (A) issuing additional shares in the capital of Kiadis for cash without offering pre-emption rights to minority shareholders in Kiadis;

- (B) agreeing and entering into a related party transaction between the Offeror or any member of the Offeror Group on the one hand and any member of the Kiadis Group on the other hand or any other agreement, in each case, which is not at arm's length; and
- (C) the proposal to the general meeting of shareholders of Kiadis of any other resolution which disproportionately prejudices the value of, or the rights relating to, the shares held by the minority shareholders in Kiadis.

(f) **Integration Committee**

The preparation of the integration of Kiadis and the Offeror Group's overlapping business units will be prepared by an integration committee consisting of four members, two of whom are senior managers of Kiadis and two are senior managers of the Offeror's Group (the **Integration Committee**). Until the Settlement Date, the Integration Committee will report to the Head of R&D of the Offeror Group and the CEO of Kiadis, and after the Settlement Date, to the Head of R&D of the Offeror Group.

(g) **Financing**

- (A) It is intended that Kiadis remains prudently financed to safeguard the continuity of the business and to continue Kiadis' current business strategy including R&D and pipeline.
- (B) The Offeror will allocate suitable resources for Kiadis' R&D and CMC activities.

6.18 Duration, benefit and enforcement

The Non-Financial Covenants set out in Section 6.11(d) (*Post-Offer Restructuring*) and Section 6.12 (*Role and veto right of Independent Members*) will cease to apply on the earliest of (i) the date on which none of the Shares are held by any third party other than the Offeror or one or more of its Affiliates, (ii) the date on which the Buy-Out is irrevocably initiated and the Offer Price is deemed to be the fair price (*billijke prijs*) pursuant to section 2:359c(6) of the DCC, (iii) the date on which the Enterprise Chamber has determined the price payable by the Offeror to the other Shareholders pursuant to the Buy-Out, and (iv) the date on which, following the Post-Offer Restructuring, the holders of Shares have received the liquidation distribution. All other Non-Financial Covenants will cease to apply upon expiry of 18 (eighteen) months from the Settlement Date.

Until the first anniversary of the Settlement, any deviation from the Non-Financial Covenants requires the prior written approval of the Supervisory Board, including the affirmative vote of at least 1 (one) Independent Member.

The Non-Financial Covenants are made to Kiadis and until the first anniversary of the Settlement also to each of the 2 (two) Independent Members and regardless of whether he or she is in office or dismissed, provided that after dismissal, the dismissed Independent Member(s) must assign the benefit of such undertaking to a new Independent Member in function, unless such dismissal is successfully challenged by such Independent Member. New Independent Members will be nominated or appointed based on the recommendation of a majority of the members of the

Supervisory Board, subject to the approval of the outgoing and/or the remaining Independent Member who was originally a member of the Supervisory Board or who replaced the Independent Member who was originally a member of the Supervisory Board

6.19 Notification of the Social Economic Council

The secretariat of the Social Economic Council (*Sociaal Economische Raad*) has been informed in writing of the Offer in accordance with the *SER Fusiegedragsregels 2015*.

6.20 Exclusivity and Alternative Proposal

The Offeror and Kiadis have agreed that until the earlier of (i) the date of termination of the Merger Agreement, and (ii) 23:59 hours CET on the Settlement Date, Kiadis shall not, and shall ensure that none of its Group Companies and its and their respective directors, officers, employees, and agents, and/or any other representatives (together the **Relevant Persons**):

- (i) initiate, solicit, knowingly encourage (including by way of furnishing non-public information), or knowingly facilitate, induce any inquiries or the making, submission or announcement of, any proposal, request or offer that constitutes, or could reasonably be expected to lead to or result in, an Alternative Proposal, or
- (ii) subject to Section 6.22 (*Response to a bona fide Potential Superior Offer*), have or pursue any discussion (including any discussion that might have existed on or prior to the date of this Agreement) with any person relating to an Alternative Proposal, engage or otherwise participate in any negotiations concerning an Alternative Proposal, or
- (iii) Section 6.22 (*Response to a bona fide Potential Superior Offer*), provide any non-public or confidential information or data or grant access to its books or records or its Relevant Persons to any person in relation to an Alternative Proposal, or
- (iv) subject this Section 6.20 (*Exclusivity and Alternative Proposal*), approve or recommend, or propose publicly to approve or recommend, any Alternative Proposal, or
- (v) subject this Section 6.20 (*Exclusivity and Alternative Proposal*), approve or recommend, or propose to approve or recommend, or execute or enter into, any letter of intent, agreement in principle, merger agreement, acquisition agreement, business combination agreement, joint-venture agreement, option agreement or other similar agreement (any of the preceding in this subject this Section 6.20(v), an **Alternative Proposal Agreement**); or
- (vi) propose publicly or agree to do any of the foregoing related to any Alternative Proposal,

provided that Kiadis may hold limited discussions and exchange limited information with any third party making the Alternative Proposal, if the Kiadis Boards determine in good faith that that is

reasonably required to determine whether the Alternative Proposal is or can qualify as a Potential Superior Offer.

6.21 Alternative Proposal

The Offeror and Kiadis have agreed that until the earlier of (i) the date of termination of the Merger Agreement in accordance with its terms, and (ii) 23:59 hours CET on the Settlement Date, Kiadis shall promptly (and in any event within 48 (forty-eight) hours) after receipt, by it or any of its Group Companies or their respective Relevant Persons of an Alternative Proposal or of any request for non-public information or inquiry potentially leading to an Alternative Proposal, provide the Offeror with a written notice informing it of the receipt of such Alternative Proposal, request or inquiry, it being agreed that Kiadis' notification to the Offeror shall include (i) the main terms and conditions of such Alternative Proposal, request or inquiry (including any subsequent developments or modifications thereof), and (ii) the identity of the person making any such Alternative Proposal, request or inquiry. Thereafter, Kiadis shall provide the Offeror, as promptly as practicable, with written notice setting forth all such information as is reasonably necessary to keep the Offeror informed in all material respects promptly (and in any event within 48 (forty eight) hours) following any new development, of the status and details (including amendments or proposed amendments) of any such Alternative Proposal, request or inquiry (including any actions or discussions that may take place in accordance with Section 6.22 (*Response to a bona fide Potential Superior Offer*)). Following receipt of an Alternative Proposal, Kiadis shall continue to cooperate with and support the Offer and the other Transactions in accordance with the terms and conditions of the Merger Agreement.

6.22 Response to a bona fide Potential Superior Offer

Kiadis, in response to a *bona fide* Potential Superior Offer from a third party that was not received or obtained in violation of Section 6.20 (*Exclusivity and Alternative Proposal*), may, subject to compliance with the obligations pursuant to this Section 6.22, in relation to such Potential Superior Offer, engage in any of the actions referred to in Section 6.20(ii) and 6.20 (iii), provided that (y) the third party has signed a confidentiality agreement with Kiadis (on terms not substantially less onerous than the non-disclosure agreement between Kiadis and the Offeror) and containing no provision that could be inconsistent with the terms of this Section 6.22 and (z), subject to Law(s), all information which is provided to the third party is simultaneously provided to the Offeror, unless such information was already provided to the Offeror in the due diligence.

6.23 Superior Offer

A **Superior Offer** is a *bona fide* written Alternative Proposal that did not result from a breach of Section 6.20 (*Exclusivity and Alternative Proposal*) and as to which Kiadis complied with Section 6.20 (*Exclusivity and Alternative Proposal*), for or in respect of:

- (a) any offer (*volledig bod*) or proposal as may trigger a mandatory offer (*verplicht bod*) for Kiadis under Applicable Laws, a legal merger or legal demerger resulting in the control over all or substantially all the Shares; or

- (b) any Alternative Proposal which, if consummated, would result in (A) any person other than the Offeror or one of its Affiliates beneficially owning more than 50% (fifty percent) of any class of equity securities or voting power of Kiadis, or (B) the current Kiadis shareholders, as applicable, directly or indirectly beneficially owning (x) less than 50% (fifty percent) of the successor's share capital or (y) less than 50% (fifty percent) of the successor's consolidated assets, or assets of the successor to which 50% (fifty percent) or more of the consolidated gross revenues or earnings of the successor are attributable, but with the exception of intra-group reorganizations, or
- (c) any Alternative Proposal relating to any direct or indirect acquisition or purchase of assets of Kiadis, of its Group Companies that represent more than 50% (fifty percent) or more of the consolidated gross revenue, consolidated operating profit, or consolidated gross assets of Kiadis as presented in the audited consolidated financial statements of Kiadis in its financial communication for the fiscal year period ended 31 December 2019, and

that, in each case, the Boards determine in good faith (following receipt of the advice of their financial advisors and outside legal counsel, in each case of international repute), taking into account, among other things, all legal, financial and regulatory aspects, the timing and certainty of completion, the position of the employees, other matters contemplated by the Non-Financial Covenants, and compliance with Applicable Laws and the transaction structure of each of the Alternative Proposal and the Transactions on the terms described in the Merger Agreement, on balance to be more beneficial to Kiadis, the sustainable success of Kiadis' business and its Shareholders, patients, employees, business partners, creditors and other stakeholders than the Transactions, provided that:

- (i) the total consideration payable to the Shareholders in connection with such Alternative Proposal exceeds the Offer Price by at least 8% (eight per cent); and
- (ii) the Alternative Proposal is binding on the third party concerned and in the event the Superior Offer is a public offer for the Shares, such third party has (i) committed itself under customary conditions to Kiadis to launch such offer within the applicable time periods prescribed by the Merger Rules subsequent to the announcement under (ii) below and (ii) publicly announced its intention to launch the offer, which announcement includes the proposed price per Share and the relevant conditions precedent in relation to such offer and the commencement thereof.

To the extent that the Superior Offer is an offer for all or substantially all of the assets of Kiadis and its Group, the calculation will be made on the basis of the net proceeds (excluding applicable withholding taxes and other taxes) to be distributed to the Shareholders resulting from such a transaction calculated on a per Share basis.

If the consideration payable to the Shareholders in connection with a Potential Superior Offer or Superior Offer comprises solely or partly of securities, the securities component of such consideration is to be valued by the Boards in their calculation of whether the threshold under (i) is exceeded, at prevailing market prices and practices, as at the date that the comparison is made, after obtaining advice from its financial advisors.

6.24 Procedure in case of no Superior Offer

As soon as an Alternative Proposal has been determined by the Boards to not constitute a Superior Offer, Kiadis shall, to the extent permitted under the Merger Rules, inform the Offeror promptly thereof and shall confirm to the Offeror that the Boards continue to unanimously recommend and support the Offer and the other Transactions as contemplated herein in accordance with Section 6.7 (*Decision making and Recommendation by the Kiadis Boards*) and that Kiadis has discontinued considering the Alternative Proposal from such third party. If the relevant Alternative Proposal has been communicated in public, Kiadis shall make the confirmations referred to in this Section 6.24 (*Procedure in case of no Superior Offer*) by way of public announcement.

6.25 Procedure in case of a Superior Offer

In the event that a Potential Superior Offer is received by Kiadis, Kiadis shall promptly (and in any event within 48 (forty eight) hours), notify the Offeror of the name of the relevant third party with a copy of the proposal to the extent permitted and full details including the proposed consideration, the conditions to (the making of) the Potential Superior Offer, the contemplated governance and matters contemplated by the Non-Financial Covenants, the Antitrust Laws and other regulatory requirements that need to be complied with prior to closing of the Potential Superior Offer and all other material terms thereof to the extent available to Kiadis (the **First Notice**).

In the event that a Potential Superior Offer is received by Kiadis, subject to the terms and conditions of the Merger Agreement, Kiadis and the Relevant Persons may:

- (i) consider such Potential Superior Offer;
- (ii) engage in discussions regarding such Potential Superior Offer for a reasonable period which will in any event not exceed 20 (twenty) Business Days starting on the date of the Offeror's receipt of the First Notice (the **Potential Superior Offer Period**);
- (iii) provide non-public, confidential information to the third party making the Potential Superior Offer, provided that such third party will receive no more than the same information as provided to the Offeror, except if and to the extent the Kiadis Boards determine, taking into account their fiduciary duties and having consulted their financial and legal advisors, that the third party reasonably requires additional information to be able to make a Superior Offer. In that case, Kiadis will inform the Offeror of such determination, and will provide to the Offeror the motivation thereof. In such case, the Offeror shall be simultaneously provided with the same additional information provided to such third party. Kiadis shall not provide any information or data to any person in connection with such Potential Superior Offer, before the proposing party has first signed a confidentiality agreement (on terms not substantially less onerous than the non-disclosure agreement between Kiadis and the Offeror); and
- (iv) make any public announcement in relation to a Potential Superior Offer to the extent required under the Merger Rules.

Notice of a Superior Offer

If during or after the Potential Superior Offer Period a Potential Superior Offer has been determined by the Kiadis Boards to constitute a Superior Offer, Kiadis shall notify the Offeror in writing promptly (but in any event within 48 (forty-eight) hours) of the contents of such a Superior Offer (the **Second Notice**).

Notice of a Superior Offer

Prior to Kiadis making a decision to take any of the actions referred to in Section 6.20(iv) and 6.20 (v) (*Exclusivity and Alternative Proposal*) with respect to a Superior Offer, Kiadis shall send the Second Notice to the Offeror informing that it intends, in compliance with Laws, to take such action, which notice shall include a complete copy of the Superior Offer that is the basis for such action (including the identity of the third party, the proposed transaction structure and financing, if any, and other principal and ancillary terms) as well as the specification of the terms of the Alternative Proposal which led the Boards to determine that the Alternative Proposal is a Superior Offer.

Matching Offer Period

Without prejudice to the Offeror's ongoing right, but not obligation, to propose improvements and revisions to the Offer after the date of the Merger Agreement, the Offeror shall have 10 (ten) Business Days following the date on which it has received the Second Notice (the **Matching Offer Period**) to make a revision of the Offer and to match the Superior Offer by submitting in writing to the Kiadis Boards a revision of the Offer within the Matching Offer Period. During the Matching Offer Period, Kiadis shall continue to cooperate with and support the Offer and the Transactions in accordance with the terms and conditions of the Merger Agreement.

Consequences Matched Offer

If the Offeror has made a Matched Offer within the Matching Offer Period, Kiadis shall not accept the Superior Offer or terminate the Merger Agreement and Kiadis and the members of the Kiadis Boards will remain bound to the terms and conditions of the Merger Agreement, including with respect to future Superior Offers.

Consequences No Matched Offer

If the Offeror has not made a Matched Offer within the Matching Offer Period, Kiadis will formally notify (immediately after the Matching Period) the Offeror that the concerned Alternative Proposal constitutes a Superior Offer and that the Boards will approve or recommend, or propose to approve or recommend, or execute or enter into the relevant Alternative Proposal Agreement for such Superior Offer (the **Superior Offer Notification**). If Kiadis accepts the Superior Offer as set forth above, each of the Offeror and Kiadis may terminate the Merger Agreement in accordance with 6.27 (*Termination*).

6.26 Consecutive (Potential) Superior Offers

Section 6.25 (*Procedure in case of a Potential Superior Offer*) shall apply *mutatis mutandis* to any consecutive Superior Offer, including a new Superior Offer, which must exceed the consideration per Share of the Matched Offer by at least 4% (four percent) and meet the other requirements set out in the definition of Superior Offer to qualify as a (new) Superior Offer in accordance with Section 6.23 (*Superior Offer*) by the initial party making the initial Superior Offer following a Matched Offer or following another Potential Superior Offer or Superior Offer by another *bona fide* third party.

7.2 Business and organisational overview

Introduction

Kiadis is a fully integrated biopharmaceutical company committed to developing innovative, personalized, next-generation cell-based immunotherapies for patients with life threatening diseases.

As at 1 January 2021, Kiadis employed 105 employees of which 81 employees located in Amsterdam, 4 field-based employees in Europe and 20 field-based employees in the United States.

In 2019, Kiadis acquired CytoSen, with an NK-cell-based technology platform. Following this acquisition and a subsequent change in strategy in which Kiadis decided to terminate all activity on its legacy patient-specific T-cell therapy program ATIR101, Kiadis transformed into a company with an NK-cell-based immunotherapy platform and pipeline.

Today, Kiadis has a pipeline of clinical programs consisting of NK-cell therapy products as an adjunctive treatment for a haploidentical HSCT as well as treatment of AML R/R, and preclinical programs evaluating Kiadis' NK-cell therapies as treatment for solid tumours and infectious diseases.

NK-cells

Kiadis focuses on developing NK-cells, which have long been known to play a significant role in the body's innate immune response. These cells not only detect and identify malignant cancer cells and infected cells, but also directly induce cell death and even help trigger a broader adaptive immune response in order to fully engage and fight tumour and infected cells.

One of the challenges to historical investigation of NK-cell therapy has been the ability to produce enough cells with attributes necessary to fight cancer cells. The NK-cells of Kiadis have a unique phenotype that is hyperfunctional and Kiadis can industrially produce high doses at a low cost compared to personalized cell therapies.

NK-cell platform

The NK-cell platform of Kiadis is built on three pillars:

- **PM21 expansion and activation:** The first is a technology to expand and activate NK-cells ex-vivo using PM21 particles presenting membrane-bound interleukin 21 (**mbIL21**) and 4-1BB (**41BBL**) antigens instead of tumour feeder cells expressing mbIL21 and 41BBL.

- **Universal Donor Selection:** The second is an algorithm to identify a panel of universal donors for NK-cells with a unique mix of activating and inhibiting receptors for optimal potency and safety of NK-cells that can be used for all potential patients without need for patient genetic screening (allogeneic off-the-shelf).
- **Imprinting:** The third is Kiadis' ability, through its manufacturing process, to imprint NK-cells to be resistant to the effects of transforming growth factor beta (TGFβ) suppression. By exposing NK cells to TGFβ during manufacturing Kiadis is able to increase the cytotoxicity of their NK-cells in a solid tumour environment.

From the NK cell-based immunotherapy technology platform, Kiadis is clinically developing therapeutics as an adjunctive treatment for patients undergoing stem cell transplantation (**K-NK002**) and as potentially curative treatments for patients with AML R/R (**K-NK003**). Kiadis has also pre-clinical programs evaluating the potential application of its K-NK platform for blood cancers and solid tumours and in infectious disease. Its pre-clinical K-NK004 program is a CD38 knock out K-NK therapeutic recently licensed to Sanofi intended for development with their approved antibody, Sarclisa®, for the treatment of patients with multiple myeloma. In oncology, Kiadis is also researching the application of K-NK medicines for efficacy against other blood cancers and solid tumours and plans to initiate proof-of-concept signal studies in 2021. Kiadis is also evaluating the use of its K-NK cells for influenza and SARS, and has submitted an investigational new drug (IND) application with the FDA for its K-NK-ID101 program for the treatment of COVID-19 infection. Kiadis received a commitment for USD 9.5 million in funding from the U.S. Department of Defense through the Advanced Regenerative Manufacturing Institute that will fund the K-NK-ID101 COVID-19 program as costs are incurred. Below is an overview of the complete pipeline of Kiadis.

PROGRAM	INDICATION	SETTING	PRODUCT	PRE-CLINICAL	CLINICAL PoC	CLINICAL		STATUS
						PH. 1	PH. 2	
K-NK002	HSCT in blood cancer	Adjunctive to SoC (PTCy)	Haplo	→ 24 patients				Phase 2 with US BMT-CTN; IND approved
K-NK003	AML R/R	After induction chemo (FLAG)	OTS	→ 21 patients				Phase 1/2a with US OSU; enrolling patients
K-NK004	Multiple myeloma	Combination with Sarclisa	OTS CD38KO	→				Partnership Sanofi; value >€875 million
K-NK-ID101	Influenza / COVID-19	Prophylaxis & treatment	OTS-ID	→				Ph 1/2a IST IND approved; funded by US DoD

7.3 Strategy and objectives

The vision of Kiadis is to leverage the strengths of the human immune system to help patients with life-threatening diseases, by developing novel cell therapies that combine the innate and adaptive arms of the immune system. Based on its cell-based immunotherapy platform, Kiadis aims to maximize the value of its most advanced programs, namely K-NK002 and K-NK003. Kiadis is expanding and plans to continue to expand its pipeline with development of cell therapies for additional indications.

The strategy of Kiadis, which will leverage its competitive strengths, is based on the following objectives:

- (a) **Advancing its technology platform across multiple indications, including both liquid and solid tumours and infectious disease.**

Kiadis has a pipeline of therapeutic candidates based on its NK-cell therapy platform. Kiadis will advance development of these programs for the treatment of various cancers and infectious disease.

- (b) **Having a lead program, K-NK002, that seeks to improve outcomes of HSCT.**

Kiadis is developing K-NK002 as an adjunctive therapy to the current haploidentical HSCT standard of care to improve outcomes. Kiadis believes that more treatment options are needed for patients undergoing HSCT. Through its lead program, K-NK002 Kiadis believes that it can improve outcomes for patients in need of HSCT.

- (c) **Expanding a pipeline of cell-based immunotherapies.**

The human proof-of-concept data of the K-NK003 program for the treatment of AML R/R from the MD Anderson Cancer Center and the Hospital de Clínicas de Porto Alegre show significant promise in applying the NK-cell platform of Kiadis to treat patients with advanced blood cancer. Based on this and preclinical data, Kiadis is also exploring additional applications of its K-NK platform in other cancers and infectious disease.

- (d) **Retaining worldwide commercial rights for Kiadis entire pipeline.**

Kiadis has retained worldwide development and commercialisation rights for K-NK002, K-NK003 and all other programs in its NK-pipeline, with the exception of K-NK004. For K-NK002, the adjunctive therapy to HSCT, commercialisation will be directed towards the stem cell transplant community, which is a concentrated market with relatively few stem cell transplant centres and driven by a small group of key opinion leading physicians.

- (e) **Setting up an efficient manufacturing and supply chain infrastructure for cell-based product candidates.**

Kiadis currently utilizes CMO manufacturing capacity and is building its own manufacturing capabilities to support its global requirements. Kiadis believes its manufacturing platform has the potential for an attractive cost of goods profile and lower capital expenditures relative to other cell or gene therapy approaches.

- (f) **Having seasoned leadership.**

Members of the executive and non-executive leadership teams of Kiadis cumulatively have a century of experience in the life sciences industry and have previously served at companies including Ablynx, Actelion, Amgen, Crucell, Dendreon, Johnson & Johnson, Medivation, Keryx and Novartis. The leadership teams have a track record in senior management roles from early research to late stage drug development, global manufacturing operations and commercialisation of orphan drug and several innovative treatments, including advanced cell-based therapies.

In line with its vision, Kiadis is building its capabilities in development and operations of cell-based programs to become a fully integrated biopharmaceutical company. Driven by its seasoned leadership, it intends to leverage its infrastructure and medical leadership in this promising biopharmaceutical segment to pursue new programs and/or technology opportunities in a haploidentical HSCT and/or cell-based cancer immunotherapy.

7.4 Impact of COVID-19 on financial performance

Kiadis is monitoring the situation regarding the coronavirus and evaluating the potential interruption of the clinical trial activities, regulatory reviews and the supply chain production and deliveries, and will try to mitigate via alternative plans where necessary. The COVID-19 pandemic might slow down research and development activities, e.g. the start of clinical trials and when and how many patients Kiadis will be able to enrol in clinical trials. In case the Offeror is not able to execute on the acquisition of Kiadis, the possible slowdown of activities due to COVID-19 and a potential negative impact on capital markets in general might affect the availability, amount and type of financing and ultimately may impact the continuity of Kiadis. The exact future financial impact for Kiadis, however, remains difficult to estimate.

7.5 Kiadis Supervisory Board

Kiadis' issued capital consists of 40,308,501 listed Shares. No depositary receipts are issued for Shares. As of the date of this Offer Memorandum Kiadis holds nil Shares in its own capital.

The Shares are listed at Euronext Amsterdam and Euronext Brussels since 2 July 2015. The Euronext ticker symbol is KDS, the legal identifier (LEI) is 724500RS72JYSQJAMW52 and ISIN code is NL0011323407.

At the date of this Offer Memorandum, other than as set out in this Section and in Section 7.9 (*Options and SARs*), Kiadis and its Group Companies have not issued any options, warrants, convertible instruments or other rights to subscribe for, or acquire Shares from Kiadis or any of its Group Companies.

(b) Share price development

The graph below sets out the price development for Shares of Kiadis from 9 February 2020 to 9 February 2021.

(c) Warrants

Kiadis has five classes of warrants to acquire Shares in issue: two classes that are exercisable until 15 June 2022 (the **2022-I Warrants** and the **2022-II Warrants**, collectively, the **2022 Warrants**), one class that is exercisable until 31 July 2023 (the **2023 Warrants**) and two classes that are exercisable until 30 April 2025 (the **2025-I Warrants** and the **2025-II Warrants**, collectively, the

2025 Warrants; the 2022 Warrants, the 2023 Warrants and the 2025 Warrants collectively, the Warrants).

On the date of this Offer Memorandum, the following Warrants are outstanding, each representing the right to subscribe for one Share at the stated exercise price.

<u>Warrants</u>	<u>Outstanding</u>	<u>Exercise price</u>	<u>Exercise period</u>
2022-I Warrants	71,350	EUR 7.307	Until 15 June 2022
2022-II Warrants	3,731	EUR 7.312	Until 15 June 2022
2023 Warrants	41,212	EUR 9.71	Until 31 July 2023
2025-I Warrants	3,745,318	EUR 2.22	Until 30 April 2025
2025-II Warrants	1,493,429	EUR 2.32	Until 30 April 2025
Total	5,355,040		

Settlement will constitute a change of control under the agreements in relation to the Warrants. Pursuant to the agreements in relation to the 2022 and 2023 Warrants, the warrants will expire upon the change of control.

Pursuant to the agreements in relation to the 2025 Warrants, in the event of a change of control Kiadis shall purchase the 2025 Warrants from their holders by paying such holders a cash amount equal to the Black Scholes value of the remaining unexercised portion of the 2025 Warrants. The Black Scholes value is calculated on the basis of the Black Scholes model, the mathematical model that is widely used for the pricing of options, warrants and other derivative instruments based on various variables such as volatility, type of instrument, underlying share price, time, strike price, and risk-free rate. This was accessed through the “OV” function on Bloomberg. The value of the 2025 Warrants was calculated using the 5 year US treasury yield and the lower of 150% and the 30 day volatility obtained from the HVT function on Bloomberg. The value of the 2025 Warrants was based on an amended exercise price to enable Warrant holders to exercise their Warrants into Shares and tender at the Offer Price with no economic loss compared to a settlement in cash. For illustrative purposes only, on the date hereof, the Black Scholes value per 2025 Warrant equates to EUR 5.07.¹¹

The cash-settled value of the 2025 Warrants is included in the value of the Offer because, at the time of the transaction announcement, the cash-settled value was estimated to have greater value to the holders of the 2025 Warrants than the value that would be received from converting the 2025 Warrants into Shares and tendering these Shares at the Offer Price.

Instead of cash-settlement of the 2025 Warrants in accordance with their terms, Kiadis, Sanofi and the holders of the 2025 Warrants have agreed, pursuant to two separate agreements on customary terms and conditions and conditional upon the Offer being declared unconditional and the Merger Agreement not being terminated: (i) to adjust the exercise price payable by the holders of the 2025 Warrants to Kiadis for the exercise of the 2025 Warrants to EUR 0.38 per Warrant, such that the net

¹¹ The OV (option valuation) function in Bloomberg calculates the warrant price per share for a security based on certain inputs such as underlying security, strike price, volatility and date. The HVT (historical volatility) function in Bloomberg analyses a security's historical volatility over multiple periods. The historical volatility estimates can be adjusted for a specific time period, volatility model, currency and annual factor.

proceeds to be received by the holders of the 2025 Warrants per Warrant, being EUR 5.07 per Warrant, is equal to the Black Scholes value of the Warrant, which would otherwise have been due and payable upon Settlement; (ii) that the 2025 Warrants will be exercised by the holders thereof for the aforementioned exercise price; and (iii) that upon the exercise of the Warrants, the corresponding Shares will be tendered under the Offer in exchange for payment of the Offer Price per Share by the Offeror. As a result, all Shares issued and tendered pursuant to the exercise of the 2025 Warrants qualify as Tendered and Committed Shares. The total commitment by the holders of the 2025 Warrants amounts to 8.57% of the Shares outstanding on a Fully Diluted basis.

The holders of the 2025 Warrants did not receive any information from Sanofi, the Offeror or Kiadis relevant for a Shareholder in connection with the Offer that is not included in this Offer Memorandum and will tender their Shares under the Offer under the same terms and conditions as the other Shareholders.

(d) **Convertible Notes**

On 30 September 2020, Kiadis entered into an agreement with Kreos Capital constituting the issuance of EUR 5,000,000 9% secured convertible bonds of Kiadis. The current repayment date is set for 30 September 2021 and the conversion price is EUR 2 per Share.

Under the convertible bond agreement between Kiadis and Kreos Capital, Kreos Capital has the irrevocable right to at any time before the repayment date convert the whole or part of the principal amount of the bonds then outstanding including interest accrued thereon into Shares by completing and submitting a corresponding conversion notice.

The agreement was entered into to restructure the secured credit facility dated 17 August 2017 (as amended and restated by a deed of amendment and restatement dated 31 July 2018) (the **First Kreos Capital Facility Agreement**) between Kiadis and Kreos Capital, and a second credit facility with Kreos Capital dated 31 July 2018 (the **Second Kreos Facility Agreement** and together with the First Kreos Capital Facility Agreement, the **Kreos Capital Facility Agreements**). At the date of this Offer Memorandum, an aggregate amount of EUR 1.6 million in loans is outstanding.

As described in Section 6.5 (*Financing of the Offer and Kiadis*), part of the Bridge Loan, in the amount of EUR 7,700,000 is available to Kiadis to prepay the Kreos Capital Facility Agreements and the convertible bond agreement between Kiadis and Kreos Capital.

Kiadis and Kreos Capital have agreed that Kreos Capital will convert into Shares, at an exercise price of EUR 2 per Share, its entire convertible bond of EUR 5,000,000, plus an additional amount of EUR 171,014 in interest, effective as per 15 February 2021. In addition, Kiadis, Sanofi and Kreos Capital have agreed, on customary terms and conditions and conditional upon the Offer being declared unconditional and the Merger Agreement not being terminated, that Kreos Capital: (i) will vote with its holdings of Shares in favour of the Resolutions at the EGM; and (ii) commits to tender all its holdings of Shares under the Offer in exchange for payment of the Offer Price per Share by the Offeror. The irrevocable undertaking given by Kreos Capital relates to its entire holding of Shares, representing, upon conversion, 4.35% of the Shares on a Fully Diluted basis.

Kreos Capital did not receive any information from Sanofi, the Offeror or Kiadis relevant for a Shareholder in connection with the Offer that is not included in this Offer Memorandum and will tender its Shares under the Offer under the same terms and conditions as the other Shareholders.

(e) **Rights of holders of CytoSen shares and options**

On 17 April 2019, Kiadis announced that Kiadis and CytoSen had entered into a binding agreement (the **CytoSen Acquisition Agreement**) regarding the acquisition by Kiadis of the entire share capital of CytoSen.

Following the general meeting of Shareholders having approved the same on 29 May 2019, the acquisition completed on 5 June 2019. The total upfront consideration paid to the former holders of CytoSen shares and options on completion consisted of 1,513,052 newly issued Shares and 159,778 options to acquire Shares on the terms and conditions of the Option Plan to cater for U.S.-based option holders.

Further to the abovementioned 1,513,052 newly issued Shares, the former holders of CytoSen shares have a conditional entitlement to receive 267,012 newly issued Shares (the **Holdback Shares**). These Holdback Shares were issued on 7 December 2020, being 18 months from the completion date under the CytoSen Acquisition Agreement. The Holdback Shares served as a source for the satisfaction of possible indemnification and other claims by Kiadis on the former CytoSen shareholders pursuant to the CytoSen Acquisition Agreement.

Also, as per the CytoSen Acquisition Agreement, the former holders of CytoSen shares and options are eligible to a potential future consideration of up to 5,819,466 additional Shares upon the achievement of six clinical development and regulatory milestones, with the final milestone being first FDA approval of an NK-cell product based on CytoSen's technology, and which milestones will, subject to the terms described below, be accelerated by Kiadis in light of the Transactions (the **Milestone Shares**).

Kiadis, Sanofi and the former holders of CytoSen shares and options have agreed, on customary terms and conditions and conditional upon the Offer being declared unconditional and the Merger Agreement not being terminated and subject to a discount mechanism agreed in the CytoSen Acquisition Agreement: (i) that the Milestone Shares shall accelerate and become immediately payable by Kiadis, and (ii) that upon such acceleration, the corresponding Milestone Shares will be tendered in exchange for the Offer Price. As a result, the Milestone Shares qualify as Tendered and Committed Shares. The irrevocable undertakings given by the former holders of CytoSen shares and options relate to their entire holdings of Shares, representing 11.19% of the Shares on a Fully Diluted basis. The former holders of CytoSen shares and options have also agreed to vote, with their current holding of Shares, in favour of the Resolutions at the EGM.

In connection with the acceleration of the Milestone Shares and the irrevocable undertaking given by former CytoSen shareholders and option holders, Kiadis will waive any remaining lock-up obligations for former holders of CytoSen shares and options under the CytoSen Acquisition Agreement on the Settlement Date.

The former holders of CytoSen shares and options did not receive any information from Sanofi, the Offeror or Kiadis relevant for a Shareholder in connection with the Offer that is not included in this

Offer Memorandum and will tender their Shares under the Offer under the same terms and conditions as the other Shareholders.

7.9 Options and SARs

Pursuant to the Option Plan members of the Management Board, members of the Supervisory Board, employees and advisors may be granted Options and/or SARs. Under the Option Plan, the following persons are eligible to receive Options and SARs:

- (i) members of the Supervisory Board subject to approval of the general meeting of Shareholders of Kiadis;
- (ii) members of the Management Board subject to approval of the Supervisory Board, provided such grants are in accordance with the then applicable remuneration policy of Kiadis; and
- (iii) employees of and advisors to Kiadis or one of its subsidiaries subject to approval of the Management Board and Supervisory Board,

(together the **Participants**)

Each Option or SAR has a different date on which it will become exercisable (**Vest**). An Option or SAR may only be exercised by the Participants in respect of that part of the Option or SAR that has Vested.

In the event of a reorganisation event, such as a public offer, there will be an accelerated Vesting of un-Vested Options and SARs immediately prior to and subject to the reorganisation event taking place. In such case, the Supervisory Board has the discretion to decide that all Vested and un-Vested Options and SARs (i) may be exercised up to the occurrence of the reorganisation event (or any other period determined by the Supervisory Board), whereby any restrictions on the Options or SARs, such as a lock-up period, will lapse, or (ii) will be cancelled in consideration of a cash payment equal to the value of the Options and SARs.

Conditional upon the Offer being declared unconditional by the Offeror all un-Vested Options shall Vest and each Participant shall be entitled to the value of all Vested and un-Vested Options that have an exercise price below the Offer Price. During the Acceptance Period, each Participant will receive a letter setting out (i) the number of Options and SARs he or she holds; (ii) how many of these Options and SARs have an exercise price below the Offer Price; (iii) subject to the Offer being declared unconditional, the accelerated Vesting of un-Vested Options and SARs; (iv) that, subject to the Offer being declared unconditional and unless the Participant opts out, Kiadis will, on his or her behalf, (a) exercise the Vested Options with an exercise price below the Offer Price, and (b) tender under the Offer the Shares the Participant is entitled to upon the exercise described under (a); and (v) that the relevant Participant will receive from Kiadis, on or shortly after the Settlement Date, an amount in cash in his or her bank account equal to the Offer Price multiplied by the number of Shares tendered on behalf of such Participant minus the aggregate amount of the exercise price and applicable taxes. Options and SARs with an exercise price equal to or above the Offer Price will also Vest, but not be exercised in accordance with the above. As a result, the Shares the Participant is entitled to upon the exercise described above qualify as Tendered and Committed Shares. All Options not exercised prior to the Unconditional Date will lapse.

As per date of this Offer Memorandum, 7,446,147 Options and no SARs are outstanding with an exercise price below the Offer Price and will be exercised and tendered under the Offer in accordance with the paragraph above. Assuming none of the Participants holding Options and SARs with an exercise price below the Offer Price opt-out, the total commitment by these Participants amounts to 12.19% of the Shares outstanding on a Fully Diluted basis. Kiadis does not have any other arrangements in place pursuant to which members of the Management Board and the Supervisory Board or Kiadis employees receive shares or options to shares in the share capital of Kiadis.

10. MATERIAL DUTCH AND BELGIAN TAX CONSEQUENCES OF THE OFFER

Material Dutch Tax Consequences

10.1 General

This section outlines certain material Dutch tax consequences of the disposal of the Shares in connection with the Offer, the Buy-Out and the Post-Offer Restructuring, if any. It does not present a comprehensive or complete description of all aspects of Dutch tax law which could be relevant to a Shareholder. For purposes of Dutch tax law, a Shareholder may include an individual or entity who does not have the legal title of these Shares, but to whom nevertheless the Shares or the income thereof is attributed based on specific statutory provisions or on the basis of such individual or entity having an interest in the Shares or the income thereof. These include statutory provisions attributing the Shares to an individual who is, or who has directly or indirectly inherited from a person who was, the settlor, grantor or similar originator of a trust, foundation or similar entity that holds the Shares.

This section is intended as general information only. Shareholders should consult their own tax advisor regarding the tax consequences of the disposal of their Shares in connection with the Offer, the Buy-Out or Post-Offer Restructuring, if any.

This section is based on the tax laws of the Netherlands, published regulations thereunder and published authoritative case law, all as in effect on the date of this Offer Memorandum, and all of which are subject to change, possibly with retroactive effect. Where the summary refers to “the Netherlands” or “Dutch” it refers only to the part of the Kingdom of the Netherlands located in Europe.

This section does not describe any Dutch tax considerations or consequences for:

- (i) holders of Shares if such holders, and in the case of individuals, such holder’s partner or certain of its relatives by blood or marriage in the direct line (including foster children), have a substantial interest (*aanmerkelijk belang*) or deemed substantial interest (*fictief aanmerkelijk belang*) in Kiadis under the Dutch Income Tax Act 2001 (*Wet inkomstenbelasting 2001*). Generally speaking, a holder of securities in a company is considered to hold a substantial interest in such company, if such holder alone or, in the case of individuals, together with such holder’s partner (as defined in the Dutch Income Tax Act 2001), directly or indirectly, holds (i) an interest of 5% or more of the total issued and outstanding capital of that company or of 5% or more of the issued and outstanding capital of a certain class of shares of that company; or (ii) rights to acquire, directly or indirectly, such interest; or (iii) certain profit sharing rights in that company that relate to 5% or more of the company’s annual profits or to 5% or more of the company’s liquidation proceeds. A deemed substantial interest may arise if a substantial interest (or part thereof) in a company has been disposed of, or is deemed to have been disposed of, on a non-recognition basis;
- (ii) holders of Shares, if such holder is required to apply the participation exemption (*deelnemingsvrijstelling*) (as defined in Article 13 of the Dutch Corporate Income Tax Act 1969, *Wet op de vennootschapsbelasting 1969*) with respect to the Shares.

Generally, a Shareholder is required to apply the participation exemption if it is subject to Dutch corporate income tax and it, or a related entity, holds an interest of 5% or more of the nominal paid-up share capital in Kiadis;

- (iii) pension funds, investment institutions (*fiscale beleggingsinstellingen*), exempt investment institutions (*vrijgestelde beleggingsinstellingen*) (as defined in the Dutch Corporate Income Tax Act 1969) and other entities that are, in whole or in part, not subject to or exempt from Dutch corporate income tax as well as entities that are exempt from corporate income tax in their country of residence, such country of residence being another state of the European Union, Norway, Liechtenstein, Iceland or any other state with which the Netherlands has agreed to exchange information in line with international standards;
- (iv) holders of Shares who are individuals for whom the Shares or any benefit derived from the Shares are a remuneration or deemed to be a remuneration for activities performed by such holders or certain individuals related to such holders (as defined in the Dutch Income Tax Act 2001); and
- (v) holds the Shares through an entity which is treated as transparent for Dutch tax purposes, while being treated as a resident under the laws of another state.

10.2 Material Dutch tax consequences for Shareholders who tender their Shares

Withholding tax

No Dutch withholding tax is due in respect of the payment of the Offer Price in consideration for the disposal of the Shares under the Offer.

Taxes on income and capital gains

Dutch Resident Entities

Generally speaking, if the holder of Shares is an entity that is a resident or deemed to be resident of the Netherlands for Dutch corporate income tax purposes (a **Dutch Resident Entity**), any benefits derived or deemed to be derived from the Shares, including any capital gains realized on the disposal of the Shares in connection with the Offer, are subject to Dutch corporate income tax at a rate of 15% with respect to taxable profits up to EUR 245,000 and 25% with respect to taxable profits in excess of that amount (rates and brackets for 2021).

Dutch Resident Individuals

If the holder of Shares is an individual resident or deemed to be resident of the Netherlands for Dutch income tax purposes (a **Dutch Resident Individual**), any benefits derived or deemed to be derived from the Shares, including any capital gains realized on the disposal of the Shares in connection with the Offer, are taxable at the progressive Dutch income tax rates (with a maximum of 49.50% in 2020), if:

- (i) the Shares are attributable to an enterprise from which the holder of Shares derives a share of the profit, whether as an entrepreneur (*ondernemer*) or as a person who has a co-entitlement to the net worth (*medegerechtigd tot het vermogen*) of such enterprise without being a shareholder (as defined in the Dutch Income Tax Act 2001); or
- (ii) the holder of Shares is considered to perform activities with respect to the Shares that go beyond ordinary asset management (*normaal, actief vermogensbeheer*) or derives benefits from the Shares that are taxable as benefits from other activities (*resultaat uit overige werkzaamheden*).

If the above-mentioned conditions (i) and (ii) do not apply to the individual holder of Shares, such holder will be taxed annually on a deemed return (with a maximum of 5.69% in 2021) on the individual's net investment assets (*rendementsgrondslag*) for the year, insofar the individual's net investment assets for the year exceed a statutory threshold (*heffingvrij vermogen*). The deemed return on the individual's net investment assets for the year is taxed at a rate of 31%.

Actual income, gains or losses in respect of the disposal of the Shares in connection with the Offer are as such not subject to Dutch income tax.

The net investment assets for the year are the fair market value of the investment assets less the allowable liabilities on 1 January of the relevant calendar year. The Shares are included as investment assets. For the net investment assets on 1 January 2021, the deemed return ranges from 1.90% up to 5.69% (depending on the aggregate amount of the net investment assets of the individual on 1 January 2021).

Non-residents of the Netherlands

A holder of Shares that is neither a Dutch Resident Entity nor a Dutch Resident Individual will not be subject to Dutch taxes on income or capital gains in respect of any benefit derived or deemed to be derived from the Shares, including any capital gains realized on the disposal of the Shares in connection with the Offer, provided that:

- (i) such holder does not have an interest in an enterprise or deemed enterprise (as defined in the Dutch Income Tax Act 2001 and the Dutch Corporate Income Tax Act 1969) which, in whole or in part, is either effectively managed in the Netherlands or carried on through a permanent establishment, a deemed permanent establishment or a permanent representative in the Netherlands and to which enterprise or part of an enterprise the Shares are attributable; and
- (ii) in the event the holder is an individual, such holder does not carry out any activities in the Netherlands with respect to the Shares that go beyond ordinary asset management and does not derive benefits from the Shares that are taxable as benefits from other activities in the Netherlands.

Gift and inheritance taxes

No Dutch gift tax or inheritance tax will be due by a Shareholder as a result of the disposal of the Shares under the Offer.

Value added tax (VAT)

No Dutch VAT will be payable by a Shareholder in respect of the Offer Price in consideration for the disposal of the Shares under the Offer.

Other taxes and duties

No Dutch registration tax, stamp duty or any other similar documentary tax or duty will be payable by a Shareholder in respect of the disposal of its Shares under the Offer.

10.3 Material Dutch tax consequences for Shareholders who do not tender their Shares

Following Settlement, certain restructuring measures may or will be implemented, including the Buy-Out (Section 6.11(c) (*Buy-Out*)) and the Post-Offer Restructuring (Section 6.11(d) (*Post-Offer Restructuring*)). This section outlines the material Dutch tax consequences of the Buy-Out and the Post-Offer Restructuring for Shareholders who do not tender their Shares under the Offer.

(a) Buy-Out

The material Dutch tax consequences for Shareholders who dispose their Shares in connection with the Buy-Out are the same as the material Dutch tax consequences set out in Section 10.2 (*Material Dutch tax consequences for Shareholders who tender their Shares*) above.

(b) Post-Offer Restructuring: Asset Sale

Taxes on income and capital gains

Shareholders will not be subject to Dutch corporate income tax or Dutch income tax in connection with the Asset Sale.

Gift and inheritance taxes

No Dutch gift tax or inheritance tax will be due by a Shareholder in connection with the Asset Sale.

Value added tax (VAT)

No Dutch VAT will be payable by a Shareholder by reason only of the Asset Sale.

Other taxes and duties

No Dutch registration tax, stamp duty or any other similar documentary tax or duty will be payable by a Shareholder by reason only of the Asset Sale.

(c) Post-Offer Restructuring: Kiadis Dissolution

Withholding tax

A liquidation distribution is generally subject to Dutch dividend withholding tax at a rate of 15%, to the extent that the liquidation distributions exceed the average paid-up capital per Share of Kiadis recognised for Dutch dividend withholding tax purposes.

The average paid-up capital of Kiadis recognised for Dutch dividend withholding tax purposes has been estimated by Kiadis. Based on these estimations, Kiadis has determined that liquidation distributions as part of the Kiadis Dissolution will not be subject to Dutch dividend withholding tax.

Taxes on income and capital gains

The material Dutch income tax consequences of the liquidation distributions as part of the Kiadis Dissolution are similar to the material Dutch income tax consequences as set out in Section 10.2 (*Material Dutch tax consequences for Shareholder who tender their Shares*) above.

Gift and inheritance taxes

No Dutch gift tax or inheritance tax will be due by a Shareholder in connection with the Kiadis Dissolution.

Value added tax (VAT)

No Dutch VAT will be payable by a Shareholder by reason only of the Kiadis Dissolution.

Other taxes and duties

No Dutch registration tax, stamp duty or any other similar documentary tax or duty will be payable by a Shareholder by reason only of the liquidation distributions as part of the Kiadis Dissolution.

Material Belgian Federal Tax Consequences

10.4 General

The following is a summary of the principal Belgian federal tax consequences for investors relating to the acceptance of the Offer.

The summary does not purport to present any comprehensive or complete picture of all Belgian tax aspects that could be of relevance to a holder of Shares who may be subject to a special tax treatment under any applicable law. This summary is based on the Offeror's understanding of the applicable laws, treaties and regulatory interpretations as in effect in Belgium on the date of this Offer Memorandum, all of which are subject to change, including changes that could have a retroactive effect. It should be appreciated that, as a result of evolutions in law or practice, the eventual tax consequences may be different from what is stated below.

This summary does not purport to address all tax consequences associated with the investment in, the ownership and disposal of the Shares, and does not take into account the specific circumstances of any particular investor or the tax laws of any country other than Belgium. In particular, this

summary does not address the tax treatment of investors who are subject to special rules, such as financial institutions, insurance companies, collective investment undertakings, dealers in securities or currencies or persons who hold the Shares as a position in a straddle, share-repurchase transactions, conversion transactions, a synthetic security or other integrated financial transaction. This summary does not address the tax regime applicable to Shares held by Belgian tax residents through a fixed basis or a permanent establishment situated outside Belgium. This summary does not address the local taxes that may be due in connection with an investment in the Shares, other than the additional local taxes which generally vary from 0% to 9% of the investor's income tax liability in Belgium. Investors should consult their own tax advisors regarding the tax consequences of an investment in the Shares in light of their particular situation, including the effect of any state, local or other national laws, treaties and regulatory interpretations thereof.

For purposes of this summary, a Belgian tax resident investor is (a) an individual subject to Belgian personal income tax (*impôt des personnes physiques/personenbelasting*) (that is, an individual who is domiciled in Belgium or has his seat of wealth in Belgium or a person assimilated to a resident for purposes of Belgian tax law); (b) a company (as defined by Belgian tax law) subject to Belgian corporate income tax (*impôt des sociétés/vennootschapsbelasting*) (that is, a corporate entity that has its main establishment, its administrative seat or seat of effective management in Belgium), (c) an Organisation for Financing Pensions subject to Belgian corporate income tax (i.e., a Belgian pension fund incorporated under the form of an Organisation for Financing Pensions), or (d) a legal entity subject to Belgian income tax on legal entities (*impôt des personnes morales/rechtspersonenbelasting*) (that is, a legal entity other than a company subject to Belgian corporate income tax, that has its main establishment, its administrative seat or seat of effective management in Belgium). A Belgian non-resident is any person that is not a Belgian resident.

10.5 Belgian withholding tax and income taxation

(a) Offer price

The Offer Price paid for the Shares will in principle not be subject to any withholding or deduction of or for any taxes of whatever nature imposed, levied, withheld or assessed by Belgium or any political subdivision or taxing authority thereof or therein.

(b) Dividends

For Belgian income tax purposes, the gross amount of all benefits paid on or attributed to the Shares is generally treated as a dividend distribution. By way of exception, the repayment of capital carried out in accordance with applicable Belgian (or foreign) company law provisions is not treated as a dividend distribution to the extent that such repayment is imputed to fiscal capital. This fiscal capital includes, in principle, the actual paid-up statutory share capital and, subject to certain conditions, the paid-up share premiums and the cash amounts subscribed to at the time of the issue of profit sharing certificates. However, it is not possible to fully impute a repayment of capital to fiscal capital if Kiadis also has certain reserves. Under Belgian tax law, a reimbursement of capital is proratedly imputed on, on the one hand, fiscal capital and, on the other hand, taxed reserves (whether or not incorporated in capital) and tax-exempt reserves incorporated in capital (according to a specific

priority rule). The part imputed on the reserves is treated as a dividend distribution subject to applicable tax rules.

Belgian withholding tax at the current rate of 30% is normally levied on dividends by any intermediary established in Belgium that is in any way involved in the processing of the payment of non-Belgian sourced dividends (e.g. a Belgian financial institution). This withholding tax rate is however subject to such relief as may be available under applicable domestic or tax treaty provisions.

The Belgian withholding tax is calculated on the dividend amount after deduction of any non-Belgian dividend withholding tax.

In the case of a redemption of the Shares, the redemption distribution (after deduction of the part of the fiscal capital represented by the redeemed Shares) will be treated as a dividend subject to a Belgian withholding tax of 30%, subject to such relief as may be available under applicable domestic or tax treaty provisions. No withholding tax will be triggered if this redemption is carried out on a stock exchange and meets certain conditions. In the event of Kiadis' liquidation, any amounts distributed in excess of the fiscal capital will in principle be subject to the 30% withholding tax, subject to such relief as may be available under applicable domestic or tax treaty provisions.

Under Belgian law, non-Belgian dividend withholding tax is not creditable against Belgian income tax and is not reimbursable to the extent that it exceeds Belgian income tax.

(i) *Holders of Shares: Belgian resident individuals*

For Belgian resident individuals who acquire and hold the Shares as a private investment, the Belgian dividend withholding tax fully discharges their personal income tax liability. They may nevertheless need to report the dividends in their personal income tax return if no intermediary established in Belgium was in any way involved in the processing of the payment of the non-Belgian sourced dividends and the dividends have not been subject to Belgian withholding tax. Moreover, even if an intermediary established in Belgium was involved, they can opt to report the income in their personal income tax return. If (and only if) the dividends are reported, they will normally, subject to certain conditions and formalities, be eligible for a personal income tax exemption with respect to ordinary dividends in an amount of up to EUR 800 (for income year 2021) per year and per taxpayer (Article 21, first subsection, 14°, of the Belgian Income Tax Code (the **ITC**)) (please note that, on the basis of a Program Act of 20 December 2020, the annual indexation of certain tax reductions and tax exemptions, amongst which the aforementioned exemption for dividends, is frozen for the income years 2020 to 2023. This Act has been published in the Belgian Official Gazette on 30 December 2020 and has entered into force on the same date. Consequently, the exempt amount of dividends is fixed at EUR 800, also retroactively for income year 2020). For the avoidance of doubt, all reported dividends (not only dividends distributed on the Shares) are taken into account to assess whether said maximum amount is reached. The aforementioned exempted amount is not applicable to redemption and liquidation gains.

Where the beneficiary needs or, as applicable, opts to report them, dividends will normally be taxable at the lower of the generally applicable 30% Belgian withholding tax rate on dividends or, in case globalization is more advantageous, at the progressive personal income tax rates applicable to the taxpayer's overall declared income. In addition, if the dividends are reported, the Belgian dividend withholding tax levied at source may be credited against the personal income tax due and is

reimbursable to the extent that it exceeds the personal income tax due, provided that the dividend distribution does not result in a reduction in value of or a capital loss on the Shares. The latter condition is not applicable if the individual can demonstrate that it has held the Shares in full legal ownership for an uninterrupted period of 12 months prior to the attribution of the dividends.

For Belgian resident individual investors who acquire and hold the Shares for professional purposes, the Belgian withholding tax does not fully discharge their Belgian income tax liability. Dividends received must be reported by the investor and will, in such a case, be taxable at the investor's progressive personal income tax rate increased with municipal surcharges. Belgian withholding tax levied may be credited against the personal income tax due and is reimbursable to the extent that it exceeds the income tax due, subject to two conditions: (i) the taxpayer must own the Shares in full legal ownership on the day the beneficiary of the dividend is identified and (ii) the dividend distribution may not result in a reduction in value of or a capital loss on the Shares. The latter condition is not applicable if the investor can demonstrate that it has held the full legal ownership of the Shares for an uninterrupted period of 12 months prior to the attribution of the dividends.

(ii) Holders of Shares: Belgian resident corporate entities

Dividends on the Shares received by Belgian resident companies are in principle exempt from Belgian withholding tax provided that the investor satisfies the identification requirements in Article 117, par. 11 of the Royal Decree implementing the Belgian Income Tax Code (the **RD/ITC**) (Art. 106, §1 RD/ITC).

Any Belgian dividend withholding tax levied at source can be credited against the ordinary Belgian corporate income tax and is reimbursable to the extent it exceeds such corporate income tax, subject to two conditions: (i) the taxpayer must own the Shares in full legal ownership on the day the beneficiary of the dividend is identified and (ii) the dividend distribution does not result in a reduction in value of or a capital loss on the Shares. The latter condition is not applicable: (i) if the taxpayer can demonstrate that it has held the Shares in full legal ownership for an uninterrupted period of 12 months immediately prior to the attribution of the dividends or (ii) if, during that period, the Shares never belonged to a taxpayer other than a Belgian resident company or a non-resident company that has, in an uninterrupted manner, invested the Shares in a permanent establishment, or PE, in Belgium.

For Belgian resident companies, the gross dividend income (after deduction of any non-Belgian withholding tax but including any Belgian withholding tax) must be declared in the corporate income tax return and will be subject to a corporate income tax rate of 25% (as of assessment year 2021 linked to a tax year starting on or after 1 January 2020), except that a reduced corporate income tax rate of 20% (as of assessment year 2021 linked to a tax year starting on or after 1 January 2020) applies to small companies and Medium Sized Enterprises (as defined by Article 1:24, §1 to §6 of the Belgian Code on Companies and Associations) on the first EUR 100,000 of taxable profits (subject to certain conditions).

Belgian resident companies can generally (although subject to certain limitations) deduct 100% of the gross dividend received from their taxable income (the so-called **Dividend Received Deduction**), provided that at the time of a dividend payment or attribution: (i) the Belgian resident company holds Shares representing at least 10% of Kiadis' share capital or a participation in Kiadis with an acquisition value of at least EUR 2,500,000 (it being understood that only one out of the two

tests must be satisfied); (ii) the Shares representing Kiadis' share capital have been or will be held in full ownership for an uninterrupted period of at least one year; and (iii) the conditions described in Article 203 ITC (relating to the taxation of the underlying distributed income and the absence of abuse) (the **Article 203 ITC Taxation Condition**), are met, or together, the **Conditions for the application of the Dividend Received Deduction regime**.

Conditions (i) and (ii) above are, in principle, not applicable to dividends received by an investment company within the meaning of art. 2, §1, 5°, f) ITC. The Conditions for the application of the Dividend Received Deduction regime depend on a factual analysis and for this reason the availability of this regime should be verified upon each dividend distribution.

Please note that the above described dividend received deduction will not be applicable to dividends which are connected to an arrangement or a series of arrangements (*rechtshandeling of geheel van rechtshandelingen/acte juridique ou un ensemble d'actes juridiques*) for which the Belgian tax administration, taking into account all relevant facts and circumstances, has proven, unless evidence to the contrary, that this arrangement or this series of arrangements is not genuine (*kunstmatig/non authentique*) and has been put in place for the main purpose or one of the main purposes of obtaining the dividend received deduction or one of the advantages of the EU Parent-Subsidiary Directive of 30 November 2011 (2011/96/EU) (**Parent-Subsidiary Directive**) in another EU Member State. An arrangement or a series of arrangements is regarded as not genuine to the extent that they are not put into place for valid commercial reasons which reflect economic reality.

(iii) Holders of Shares: Belgian organisations for financing pensions (or OFPs)

For organizations for financing pensions, or OFPs, i.e., Belgian pension funds incorporated under the form of an OFP (*organisme de financement de pensions/organisme voor de financiering van pensioenen*) within the meaning of Article 8 of the Belgian Law of 27 October 2006, the dividend income from the Shares is generally tax exempt.

Dividends distributed through the intervention of a Belgian intermediary are generally subject to Belgian dividend withholding tax. The Belgian dividend withholding tax can in principle, subject to certain limitations, be credited against the OFPs' corporate income tax and is reimbursable to the extent it exceeds the corporate income tax due.

Belgian (or foreign) OFPs not holding the Shares - which give rise to dividends - for an uninterrupted period of at least 60 days in full ownership amounts to a rebuttable presumption that the arrangement or series of arrangements (*rechtshandeling of geheel van rechtshandelingen/acte juridique ou un ensemble d'actes juridiques*) which are connected to the dividend distributions, are not genuine (*kunstmatig/non authentique*). Any withholding tax exemption for which an OFP would be eligible will in such case not apply and/or any Belgian dividend withholding tax levied on the dividends will in such case not be credited against the corporate income tax due, unless counterproof is provided by the OFP that the arrangement or series of arrangements are genuine.

(iv) Holders of Shares: other Belgian resident legal entities

For taxpayers subject to the Belgian income tax on legal entities, the Belgian dividend withholding tax in principle fully discharges their income tax liability.

(v) Holders of Shares: Belgian non-resident individuals and companies

Dividend payments on the Shares through a professional intermediary in Belgium will, in principle, be subject to the 30% withholding tax, unless the Shareholder is resident in a country with which Belgium has concluded a double taxation agreement and delivers the required affidavit. If the dividend income is not collected through a financial institution or other intermediary established in Belgium, no Belgian withholding tax should become due. Non-resident investors can also obtain an exemption of Belgian dividend withholding tax if they are the owners or usufructors of the Shares and they deliver an affidavit confirming that they have not allocated the Shares to business activities in Belgium and that they are non-residents, provided that the dividend is paid through a Belgian credit institution, stock market company or recognized clearing or settlement institution (Art. 264bis ITC).

If the Shares are acquired by a non-resident investor in connection with a business in Belgium, the investor must report any dividends received, which are taxable at the applicable non-resident individual or corporate income tax rate, as appropriate. Any Belgian withholding tax levied at source can be credited against the non-resident individual or corporate income tax and is reimbursable to the extent it exceeds the income tax due, subject to two conditions: (i) the taxpayer must own the Shares in full legal ownership on the day the beneficiary of the dividend is identified and (ii) the dividend distribution does not result in a reduction in value of or a capital loss on the Shares. The latter condition is not applicable if (i) the non-resident individual or the non-resident company can demonstrate that the Shares were held in full legal ownership for an uninterrupted period of 12 months immediately prior to the attribution of the dividends or (ii) with regard to non-resident companies only, if, during the said period, the Shares have not belonged to a taxpayer other than a resident company or a non-resident company which has, in an uninterrupted manner, invested the Shares in a Belgian PE.

Non-resident companies that have invested the Shares in a Belgian establishment can deduct up to 100% of the gross dividends included in their taxable profits if, at the date dividends are paid or attributed, the Conditions for the application of the Dividend Received Deduction regime are satisfied (see above). Application of the Dividend Received Deduction regime depends, however, on a factual analysis to be made upon each distribution and its availability should be verified upon each distribution.

10.6 Capital gains and losses on the Shares

(a) Holders of Shares: Belgian resident individuals

Capital gains realised on the Shares by Belgian resident individuals holding the Shares as a private investment should, in principle, not be subject to Belgian capital gains tax on the disposal of the Shares; capital losses are not tax deductible.

However, capital gains realised by a private individual are taxable at 33% (plus local surcharges) if the capital gains are realised outside the scope of the normal management of the individual's private estate. Capital losses are, however, not tax deductible in such event.

Capital gains realised by Belgian resident individuals on the disposal of the Shares, outside the exercise of a professional activity, to a non-resident company (or body constituted in a similar legal

form), to a foreign State (or one of its political subdivisions or local authorities) or to a non-resident legal entity, each time established outside the European Economic Area, are in principle taxable at a rate of 16.5% (plus local surcharges) if, at any time during the five years preceding the sale, the Belgian resident individual has owned, directly or indirectly, alone or with his/her spouse or with certain relatives, a substantial shareholding in Kiadis (i.e., a shareholding of more than 25% in Kiadis). Tax losses are however not tax deductible in such event.

Capital gains realised by Belgian resident individuals upon redemption of the Shares or upon liquidation of Kiadis will generally be taxable as a dividend (see above).

Belgian resident individuals who hold Shares for professional purposes are taxable at the ordinary progressive personal income tax rates (plus local surcharges) on any capital gains realised upon the disposal of the Shares, except for: (i) capital gains on Shares realized in the framework of the cessation of activities, which are taxable at a separate rate of 10% or 16.5% (depending on the circumstances) (plus local surcharges); or (ii) Shares held for more than five years, which are taxable at a flat rate of 16.5% (plus local surcharges). Capital losses on the Shares incurred by Belgian resident individuals who hold the Shares for professional purposes are in principle tax deductible.

(b) Holders of Shares: Belgian resident corporate entities

Belgian resident companies are in principle exempt from Belgian corporate income tax on capital gains realised upon the disposal of the Shares provided that the Conditions for the application of the Dividend Received Deduction regime are met.

If one of those conditions is not met, the capital gains are taxable at the standard corporate tax rate of 25% (as of assessment year 2021 linked to a tax year starting on or after 1 January 2020), unless the reduced corporate income tax rate of 20% on the first EUR 100,000 of taxable profits applies (see above).

Capital losses on Shares incurred by Belgian resident companies are as a general rule not tax deductible.

Shares held in the trading portfolio (*portefeuille commercial / handelsportefeuille*) of qualifying credit institutions, investment firms and management companies of collective investment undertakings which are subject to the Royal Decree of 23 September 1992 on the annual accounts of credit institutions, investment firms and management companies of collective investment undertakings (*comptes annuels des établissements de crédit, des entreprises d'investissement et des sociétés de gestion d'organismes de placement / jaarrekening van de kredietinstellingen, de beleggingsondernemingen en de beheervenootschappen van instellingen voor collectieve belegging*) are subject to a different regime. The capital gains on such shares are taxable at the ordinary corporate income tax rate of 25% (as of assessment year 2021 linked to a tax year starting on or after 1 January 2020). Capital losses on such shares are tax deductible. Internal transfers to and from the trading portfolio are assimilated to a realization.

Capital gains realized by Belgian resident companies (both non-SMEs and SMEs and both ordinary Belgian resident companies and qualifying credit institutions, investment enterprises and management companies of collective investment undertakings) upon the redemption of Shares or

upon Kiadis' liquidation are, in principle, subject to the same taxation regime as dividends. See "Dividends" above.

(c) Holders of Shares: Belgian organisations for financing pensions (or OFPs)

OFPs within the meaning of article 8 of the Belgian Law of 27 October 2006 are, in principle, not subject to Belgian corporate income tax on any capital gains realised upon the disposal of the Shares, and capital losses are not tax deductible.

Capital gains realized by Belgian OFPs upon the redemption of ordinary shares or upon the liquidation of Kiadis will in principle be taxed as dividends (see above).

(d) Holders of Shares: Belgian other taxable legal entities

Belgian resident legal entities subject to the Belgian legal entities income tax are, in principle, not subject to Belgian capital gains taxation on the disposal of Shares.

Capital gains realised upon disposal of (part of) a substantial participation in a Belgian company (i.e., a participation representing more than 25% of the share capital of Kiadis at any time during the last five years prior to the disposal) may, however, under certain circumstances be subject to income tax in Belgium at a rate of 16.5% (see above).

Capital losses on Shares incurred by Belgian resident legal entities are not tax deductible.

(e) Holders of Shares: Belgian non-resident individuals and companies

Non-resident individuals or companies are, in principle, not subject to Belgian income tax on capital gains realised upon disposal of the Shares, unless the Shares are held as part of a business conducted in Belgium through a Belgian permanent establishment. In such a case, the same principles apply as described with regard to Belgian individuals (holding the Shares for professional purposes) or Belgian companies.

Capital gains realized on the Shares by a non-resident individual that has not held the Shares in connection with a business conducted in Belgium through a fixed base in Belgium are in principle not subject to taxation, unless in the following cases if such capital gains are obtained or received in Belgium:

- the gains are deemed to be realized outside the scope of the normal management of the individual's private estate. In such case, the capital gains have to be reported in a non-resident tax return for the income year during which the gain has been realized and may be taxable in Belgium; or
- the gains originate from the disposal of (part of) a substantial participation in a Belgian company (being a participation representing more than 25% of the share capital of Kiadis at any time during the last five years prior to the disposal) to a non-resident company (or a body constituted in a similar legal form), to a foreign State (or one of its political subdivisions or local authorities) or to a non-resident legal entity, each time established outside of the EEA. Then, the realized capital gains may, under certain circumstances, give rise to a 16.5% tax (plus local surcharges).

However, Belgium has concluded tax treaties with more than 95 countries which generally provide for a full exemption from Belgian capital gains taxation on such gains realized by residents of those countries. Capital losses are generally not tax deductible.

Capital gains realized by Belgian non-resident individuals or companies upon the redemption of Shares or upon the liquidation of Kiadis will generally be taxable as a dividend (see above).

10.7 Gift and inheritance taxes

In principle no Belgian gift or inheritance tax will arise in respect of or in connection with the acceptance of the Offer.

10.8 Value added tax

In principle no Belgian value added tax will arise in respect of or in connection with the acceptance of the Offer.

10.9 Other taxes and duties

(a) Tax on stock exchange transactions

A tax on stock exchange transactions (*taxe sur les opérations de bourse / taks op de beursverrichtingen*) at the rate of 0.35% (subject to a maximum amount of EUR 1,600 per party and per transaction) will in principle be levied upon the sale and purchase and any other acquisition or transfer for consideration of the Shares on the secondary market if (i) it is entered into or carried out in Belgium through a professional intermediary, or (ii) deemed to be entered into or carried out in Belgium, which is the case if the order is directly or indirectly made to a professional intermediary established outside of Belgium, either by private individuals with habitual residence (*gewone verblijfplaats/residence habituelle*) in Belgium, or legal entities for the account of their seat or establishment in Belgium (both, a **Belgian Investor**). A separate tax is due from each of the seller and the purchaser, both collected by the professional intermediary. No tax on stock exchange transactions will be due on the issuance of the Shares (primary market transaction).

However, if the order is directly or indirectly made to a professional intermediary established outside of Belgium by a Belgian Investor, the tax on stock exchange transactions will in principle be due by this Belgian Investor (who will be responsible for the filing of a stock exchange tax return and for the timely payment of the amount of stock exchange tax due), unless that Belgian Investor can demonstrate that the tax on stock exchange transactions due has already been paid by the professional intermediary established outside of Belgium. In such a case, the foreign professional intermediary also has to provide each client (which gives such intermediary an order) with a qualifying order statement (*bordereau/borderel*), at the latest on the business day after the day the transaction concerned was realised. The qualifying order statements must be numbered in series and a duplicate must be retained by the professional intermediary. The duplicate can be replaced by a qualifying day-to-day listing, numbered in series. Alternatively, professional intermediaries established outside of Belgium could appoint a stock exchange tax representative in Belgium, subject to certain conditions and formalities (**Stock Exchange Tax Representative**). Such Stock Exchange Tax Representative will then be liable towards the Belgian Treasury for the tax on stock exchange transactions due on behalf of clients that fall within one of the aforementioned categories (provided that these clients do

not qualify as exempt persons for stock exchange tax purposes – see below) and for complying with the reporting obligations and the obligations relating to the order statement (*bordereau/borderel*) in that respect. If such a Stock Exchange Tax Representative would have paid the tax on stock exchange transactions due, the Belgian Investor will, as per the above, no longer be the debtor of the tax on stock exchange transactions.

Moreover, a tax on repurchase transactions (*taks op de reportverrichtingen/taxe sur les reports*) (tax on a sale combined with a forward purchase) at the rate of 0.085 per cent (subject to a maximum of EUR 1,300 per party and per transaction) will be due from each party to any such transaction entered into or settled in Belgium in which a stockbroker acts for either party.

However, none of the taxes referred to above will be payable by exempt persons acting for their own account, including investors who are not Belgian residents (subject to the delivery of an affidavit to the professional intermediary confirming their non-resident status) and certain Belgian institutional investors as defined in Article 126.1, 2° of the Code of miscellaneous duties and taxes (*Wetboek diverse rechten en taksen/Code des droits et taxes divers*) for the tax on stock exchange transactions and article 139, §2 of the same code for the tax on repurchase transactions.

On 14 February 2013 the EU Commission adopted the Draft Directive on a Financial Transaction Tax (the **FTT** and the **FTT Draft Directive**). The FTT Draft Directive currently stipulates that once the FTT enters into effect, the Participating Member States shall not maintain or introduce any taxes on financial transactions other than the FTT (or VAT as provided in the Council Directive 2006/112/EC of 28 November 2006 on the common system of value added tax). For Belgium, the tax on stock exchange transactions and the tax on repurchase transactions should thus be abolished once the FTT enters into effect. The FTT Draft Directive is still subject to negotiation between the Participating Member States and may, therefore, be further amended at any time.

10.10 New annual tax on securities accounts

On 5 January 2021, the Belgian federal government has submitted a bill introducing a new annual tax on securities accounts (*solidarity contribution*) to Parliament. The taxable object is the holding of a securities account with a financial intermediary during a reference period of twelve consecutive months (in principle) starting on 1 October and ending on 30 September of the subsequent year. The tax would target securities accounts held by resident individuals, companies and legal entities, irrespective as to whether these accounts are held with a financial intermediary which is established or located in Belgium or abroad. The tax would also apply to securities accounts held by non-residents individuals, companies and legal entities with a financial intermediary established or located in Belgium. The tax would be levied at a rate of 0.15% on the average value of taxable financial instruments in securities accounts held by resident and non-resident individuals, companies, and other legal entities where the average value is greater than EUR 1 million, assessed per reference period. The financial instruments envisaged include not only shares and bonds, but also derivatives. When applicable, the amount of the tax is limited to 10% of the difference between the taxable base and the threshold of EUR 1 million. Each securities account will be assessed separately. When multiple holders hold a securities account, each holder shall be jointly and severally liable for the declaration and payment of the tax. The intention is to levy the tax as a liberating deduction at source in the hands of the Belgian intermediary.

A financial intermediary would be defined as (i) the National Bank of Belgium, the European Central Bank and foreign central banks performing similar functions, (ii) a central securities depository included in article 198/1, §6, 12° of the Belgian Income Tax Code, (iii) a credit institution or a stockbroking firm as defined by Article 1, §3 of the Law of 25 April 2014 on the status and supervision of credit institutions and investment companies and (vi) the investment companies as defined by Article 3, §1 of the Law of 25 October 2016 on access to the activity of investment services and on the legal status and supervision of portfolio management and investment advice companies, which are, pursuant to national law, admitted to hold financial instruments for the account of customers.

There would be various exemptions, such as securities accounts held by specific types of regulated entities for their own account.

An anti-abuse provision is also included to counter certain actions to avoid the tax, such as moving the taxable financial instruments to multiple security accounts to avoid exceeding the EUR 1 million threshold, converting taxable financial instruments into non-taxable nominative securities, or transferring to foreign securities accounts, among others. The anti-abuse provision would be considered to apply retroactively as from 30 October 2020.

Please note that this tax is still subject to negotiation and that the aforementioned principles could still change. The bill has not yet been adopted by the Belgian Parliament. Prospective Shareholders are therefore advised to follow up and seek their own professional advice in relation to this new annual tax on securities accounts.

10.11 The proposed financial transactions tax (FTT)

On 14 February 2013, the European Commission published a proposal (the **Commission's Proposal**) for a Directive for a common financial transaction tax (**FTT**), to be levied on transactions in financial instruments by financial institutions if at least one of the parties to the transaction is located in the 'FTT-zone' as defined in the Commission's Proposal. It was approved by the European Parliament in July 2013.

Originally, the adopted Commission's Proposal foresaw the financial transaction tax for 11 "Participating Member States" (Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia). However, on 16 March 2016 Estonia formally withdrew from the group of states willing to introduce the FTT. The actual implementation date of the FTT would depend on the future approval of the European Council and consultation of other EU institutions, and the subsequent transposition into local law.

If the financial transaction tax is introduced, under current published proposals financial institutions and certain other parties would be required to pay tax on transactions in financial instruments with parties (including, with respect to the EU-wide proposal, its affiliates) located in the FTT-zone. The proposed FTT has a very broad scope and could, if introduced in its current form, apply to certain dealings in the Shares in certain circumstances. It is a tax on derivatives transactions (such as hedging activities) as well as on securities transactions, i.e. it applies to trading in instruments such as shares and bonds. The initial issue of instruments such as shares and bonds is exempt from financial transaction tax in the current Commission's Proposal. This means that the issuance and subscription of the Shares should not become subject to financial transaction tax.

Under current proposals the FTT could apply in certain circumstances to persons both within and outside of the participating Member States. Generally, it would apply to certain dealings in the Shares where at least one party is a financial institution, and at least one party is established in a participating Member State. A financial institution may be, or be deemed to be, “established” in a participating Member State in a broad range of circumstances, including (a) by transacting with a person established in a participating Member State or (b) where the financial instrument which is subject to the dealings is issued in a participating Member State.

In 2019, Finance Ministers of the Member States participating in the enhanced cooperation indicated that they were discussing a new FTT proposal based on the French model of the tax and the possible mutualisation of the tax as a contribution to the EU budget.

According to the latest draft of this new FTT proposal (submitted by the German government), the FTT would be levied at a rate of at least 0.2 per cent. of the consideration for the acquisition of ownership of shares (including ordinary and any preference shares) admitted to trading on a trading venue or a similar third country venue, or of other securities equivalent to such shares (“Financial Instruments”) or similar transactions (e.g. an acquisition of Financial Instruments by means of an exchange of Financial Instruments or by means of a physical settlement of a derivative). The FTT would be payable to the Participating Member State in whose territory the issuer of a Financial Instrument has established its registered office. According to the latest draft of the new FTT proposal, the FTT would not apply to straight notes.

Like the Commission’s Proposal, the latest draft of the new FTT proposal also stipulates that once the FTT enters into force, the Participating Member States shall not maintain or introduce taxes on financial transactions other than the FTT (or VAT as provided in the Council Directive 2006/112/EC of 28 November 2006 on the common system of value added tax). As a consequence, Belgium should abolish the tax on stock exchange transactions and the tax on repurchase transactions once the FTT enters into force.

However, the FTT Commission’s Proposal remains subject to negotiation between the participating Member States. Further, its legality is at present uncertain. It may therefore be altered prior to any implementation, the timing of which remains unclear. Additional EU Member States may decide to participate.

Prospective Shareholders are advised to seek their own professional advice in relation to the FTT.

10.12 Common Reporting Standard

On 29 September 2020, 109 jurisdictions had signed the multilateral competent authority agreement (MCAA), which is a multilateral framework agreement to automatically exchange financial and personal information, with the subsequent bilateral exchanges coming into effect between those signatories that file the subsequent notifications.

49 jurisdictions, including Belgium, have committed to a specific and ambitious timetable leading to the first automatic information exchanges in 2017, relating to income year 2016 (“early adopters”). More than 50 jurisdictions have committed to exchange information as from 2018, two jurisdictions as from 2019 and seven jurisdictions as from 2020.

Under CRS, financial institutions resident in a CRS country are required to report, according to a due diligence standard, financial information with respect to reportable accounts, which includes interest, dividends, account balance or value, income from certain insurance products, sales proceeds from financial assets and other income generated with respect to assets held in the account or payments made with respect to the account. Reportable accounts include accounts held by individuals and entities (which includes trusts and foundations) with fiscal residence in another CRS country. The standard includes a requirement to look through passive entities to report on the relevant controlling persons.

On 9 December 2014, EU Member States adopted Directive 2014/107/EU on administrative cooperation in direct taxation (**DAC2**), which provides for mandatory automatic exchange of financial information as foreseen in CRS. DAC2 amends the previous Directive on administrative cooperation in direct taxation, Directive 2011/16/EU.

Belgium has implemented the DAC2 and respectively the CRS by the law of 16 December 2015 regulating the exchange of financial account information between Belgian financial institutions and the FPS Finances in the framework of automatic information exchange at the international level and for tax purposes (the **Law of 16 December 2015**).

As a result of the Law of 16 December 2015, the mandatory automatic exchange of information applies in Belgium (i) as of income year 2016 (first information exchange in 2017) towards the EU Member States (including Austria, irrespective of the fact that the automatic exchange of information by Austria towards other EU Member States is only foreseen as of income year 2017), (ii) as of income year 2014 (first information exchange in 2016) towards the US and (iii), with respect to any other non-EU States that have signed the MCAA, as of the respective date to be further determined by Royal Decree. In a Royal Decree of 14 June 2017, as amended, it has been provided that the automatic exchange of information has to be provided (i) as from 2017 (for the 2016 financial year) for a first list of eighteen foreign jurisdictions, (ii) as from 2018 (for the 2017 financial year) for a second list of 44 jurisdictions, (iii) as from 2019 (for the 2018 financial year) for a third list of another jurisdiction and (iv) as from 2020 (for the 2019 financial year) a fourth list of six jurisdictions.

The Shares are subject to DAC2 and the Law of 16 December 2015. Under DAC2 and the Law of 16 December 2015, Belgian financial institutions holding the Shares for tax residents in another CRS contracting state shall report financial information regarding the Shares (e.g. in relation to income and gross proceeds) to the Belgian competent authority, which shall communicate the information to the competent authority of the state of the tax residence of the beneficial owner.

Investors who are in any doubt as to their position should consult their professional advisors.

Any offer will be made only by means of an offer memorandum (the "Offer Document") approved by the Dutch Authority for the Financial Markets (Autoriteit Financiële Markten) (the "AFM") and recognized by the Belgian Authority for the Financial Markets (Autoriteit voor Financiële Diensten en Markten) (the "FSMA"). This announcement is not for release, publication or distribution, in whole or in part, in or into, directly or indirectly, the United States, Canada and Japan or in any other jurisdiction in which such release, publication or distribution would be unlawful.

Sanofi offers to acquire Kiadis for €308 million

Transaction highlights

- Kiadis and Sanofi have reached conditional agreement on a recommended all-cash public offer (the "Offer") by Sanofi for Kiadis of EUR 5.45 in cash (cum dividend) (the "Offer Price") for each issued and outstanding ordinary share in the capital of Kiadis (the "Shares") representing an aggregate adjusted equity value of EUR 308 million¹
- The Offer Price represents a premium of 272% over the closing price on 30 October 2020, a premium of approximately 247% over the 30 trading days VWAP and a premium of approximately 200% over the 90 trading days VWAP

- Sanofi's infrastructure and capabilities will be leveraged to advance the development of Kiadis' pipeline
- Kiadis' Boards unanimously support and recommend the Offer and believe the Offer is a fair reflection of the Kiadis' potential, given the risk/reward typical to a biotech company and the capital required to execute its business plan; additionally they believe that the Transaction is in the best interests of Kiadis, the sustainable success of its business, its shareholders, patients, employees, business partners and other stakeholders
- Funds managed by Life Sciences Partners have irrevocably committed to Sanofi to support the Offer and tender their 18.3%² shareholding in the Offer

- Kiadis to hold conference call for investors and analysts at 13:00 CET today

Paris, France and Amsterdam, The Netherlands, 2 November 2020 – Sanofi (Euronext: SAN and NYSE: SNY) and Kiadis Pharma N.V. ("Kiadis" or the "Company") (Euronext Amsterdam and Brussels: KDS) today announce that they have entered into a definitive merger agreement under which Sanofi will offer to acquire all of the outstanding ordinary shares of Kiadis at a price per Kiadis share of €5.45 in cash (272% premium to the closing price on 30 October 2020), representing an aggregate adjusted equity value of approximately €308 million. The Kiadis Management Board and Supervisory Board unanimously approve the intended transaction and recommend the Offer to holders of Kiadis' Shares.

John Reed, M.D., Ph.D., Global Head of Research and Development of Sanofi, commented, "We believe Kiadis' off the shelf K-NK cell technology platform will have broad application against liquid and solid tumors, and create synergies with Sanofi's emerging immuno-oncology pipeline, providing opportunities for us to pursue potential best-in-disease approaches."

Arthur Lahr, Chief Executive Officer of Kiadis, commented, "Kiadis' vision is to bring novel cell-based medicines to people with life-threatening diseases, and this transaction will help achieve that vision. After the discontinuation of our lead product candidate and subsequent reorganization in 2019, we restarted Kiadis early in 2020 as an entirely new company focused solely on the proprietary and differentiated NK-cell platform that we obtained through the acquisition of CytoSen Therapeutics. Sanofi's offer is a clear testimony to the uniqueness of our NK-cell platform and the rapid success of Kiadis' transformation. The Kiadis Boards unanimously believe that Sanofi has the resources and financial strength to accelerate development of our NK-cell products, to the benefit of patients. We believe this transaction represents compelling value to shareholders and offers a fair reflection of the potential of our platform and pipeline, given the risk/reward profile typical to biotech and the capital required to execute our business plan. Finally, this transaction will provide excellent career opportunities for our employees, who will be viewed by Sanofi as their internal cell-therapy experts."

Strategic rationale

Innovative K-NK-cell Platform

Kiadis' proprietary platform is based on allogeneic or 'off-the-shelf' NK-cells from a healthy donor. NK-cells seek and identify malignant cancer cells and have broad application across various tumor types. The platform has the potential to make products rapidly and economically available for a broad

patient population across a wide range of indications.

Kiadis' NK cell-based medicines will be developed alone and in combination with Sanofi's existing platforms.

Complementary Strong Science to Generate First-in-Class Medicines and Strategic Fit Across Core Therapeutic Areas

Sanofi's research, development, manufacturing and commercial expertise will be leveraged to advance Kiadis' pipeline, which includes NK-cell-based medicines for the treatment of patients undergoing hematopoietic stem cell transplant, liquid and solid tumors, as well as infectious disease.

In July 2020, Sanofi licensed Kiadis' pre-clinical K-NK004 program for multiple myeloma.

Kiadis' pipeline of NK-cell therapies has the potential to deliver adjunctive therapy for patients undergoing hematopoietic stem cell transplantation or who have acute myeloid leukemia (AML).

- **K-NK002** is in a Phase 2 study evaluating NK-cells to prevent post-transplant relapse in patients with AML and myelodysplastic syndromes. The trial will be conducted in collaboration with premier U.S. transplant centers.
- **K-NK003** is in a Phase 1 study evaluating NK-cells for patients with relapsed or refractory AML.
- **KNK-ID-101** is a program evaluating the properties of K-NK cells and their suitability to fight SARS-CoV-2 and the option to develop K-NK cells as a post-exposure pre-emptive therapy for COVID-19 in high risk patients. Kiadis plans to initiate a Phase 1/2a clinical trial evaluating the use of K-NK cells to treat COVID-19 patients with government grant funding.

Accelerates the clinical development and broadens patient reach of current Kiadis pipeline

Subject to the completion of the Offer, Sanofi will provide the resources and capabilities necessary to accelerate the development of current Kiadis programs for the treatment of blood tumors, solid cancers and infectious diseases, maximizing their potential to the benefit of patients.

Transaction details

The proposed transaction envisions the acquisition of the Shares of Kiadis pursuant to a recommended public offer by Sanofi. The Offer Price represents an implied equity value for 100% of Kiadis on a fully diluted basis of EUR 308 million.

The Offer Price, delivering immediate, certain and significant value to Kiadis' shareholders, represents the following premiums:

- a premium of 272% to Kiadis' closing price on 30 October 2020 of EUR 1.464;
- a premium of 247% to Kiadis' volume-weighted average price for the 30 trading days up to and including 30 October 2020 of EUR 1.571; and
- a premium of 200% to Kiadis' volume-weighted average price for the 90 trading days up to and including 30 October 2020 of EUR 1.819.

Support and recommendation by the Boards

This announcement follows constructive interactions between the companies. Kiadis' Management Board and Supervisory Board (together, the "**Boards**") have frequently discussed the developments of the proposed transaction and the key decisions in connection therewith throughout the process. Consistent with their fiduciary responsibilities, the Boards, with the support of their financial and legal advisors, have given careful consideration to all aspects of the proposed transaction. Having taken the interests of all stakeholders into account the Boards have unanimously concluded that the Offer is in the best interests of Kiadis, the sustainable success of its business, its shareholders, employees, patients, business partners and other stakeholders.

Accordingly, the Boards have decided to fully support and recommend the Offer to the holders of the Shares and to furthermore recommend the holders of the Shares to vote in favor of the resolutions relating to the Offer (the "**Resolutions**") at the upcoming extraordinary general meeting of Kiadis (the "**EGM**") to be held during the offer period. Furthermore, all members of the Boards who hold Shares for their own account have committed to tender all those Shares into the Offer.

Acquisition of 100%

Sanofi's willingness to pay the Offer Price and pursue the Offer is predicated on the acquisition of 100% of the Shares or the entirety of Kiadis' assets and operations, the ability to delist Kiadis, and the ability to fully integrate the respective businesses of Kiadis and Sanofi and realize the operational, commercial, organizational, financial and tax benefits of the combination of the parties. Such benefits could not, or would only partially, be achieved if Kiadis were to continue as a standalone entity with a minority shareholder base. As soon as possible following the settlement of the Offer, Kiadis and Sanofi shall seek to procure delisting of the Shares on Euronext Amsterdam and Euronext Brussels.

If Sanofi acquires at least 95% of the Shares, Sanofi shall commence statutory squeeze-out proceedings, unless Sanofi and Kiadis after reasonable consultation, taking into account the interests of the remaining stakeholders and other relevant circumstances, agree that Sanofi can pursue the Post-Offer Restructuring (as defined below).

If the Shares held by Sanofi after expiry of the post acceptance period of the Offer will represent at least 80% and less than 95% of Kiadis' aggregate issued and outstanding ordinary share capital on a fully diluted basis or such lower percentage as may be agreed between Sanofi and Kiadis prior to settlement and the Offer being declared unconditional, Sanofi will have the right to pursue an asset sale and liquidation (the "**Asset Sale**") whereby Kiadis will sell and transfer all of its assets and liabilities to Sanofi against payment of a purchase price equal to the offer consideration (the "**Sale Price**"). Following the completion of the Asset Sale, Kiadis will effectuate the dissolution and liquidation of Kiadis (the "**Company Dissolution**") and, together with the Asset Sale, the "**Post-Offer Restructuring**") and make an advance liquidation distribution per Share that is intended to take place on or about the date the Asset Sale is completed and in an amount that is to the fullest extent possible equal to the Offer Price, without any interest and less any applicable withholding taxes and other taxes. The Post-Offer Restructuring is subject to Kiadis' shareholders' approval at the EGM to be held prior to closing of the offer period.

Sanofi and Kiadis may explore and agree on potential alternative Post-Offer Restructurings, such as a combination of a statutory legal (triangular) merger and a sale of the shares in the surviving successor of Kiadis to Sanofi.

Sanofi may utilize all other available legal measures in order to acquire full ownership of Kiadis' outstanding Shares and/or its business in accordance with the terms of the Merger Agreement.

Fairness opinions

Moelis & Company LLC ("**Moelis**"), acting as exclusive financial advisor to Kiadis, has issued a fairness opinion to the Boards as to the fairness, as of such date, and based upon and subject to the factors, assumptions, qualifications and other matters set forth in the fairness opinion, to the effect that each of the Offer Price and the Sale Price is fair to the holders of Shares from a financial point of view. The full text of such fairness opinion, which sets forth the assumptions made, procedures followed, matters considered and limitations on the review undertaken in connection with such opinion, will be included in the Boards' position statement.

The support and recommendation of the Boards, and the obligations of Sanofi in relation thereto, are subject to the terms and conditions of the Merger Agreement.

Irrevocable undertaking from Life Sciences Partners

Funds managed by Life Sciences Partners have committed to tender approximately 18.3%³ of the outstanding Shares under the Offer, if and when made, and to vote in favor of the Resolutions. The irrevocable undertaking contains certain customary undertakings and conditions.

Certain funds

Sanofi intends to finance the Offer by utilizing available cash resources.

Non-financial covenants

Kiadis and Sanofi have agreed to certain non-financial covenants in respect of, amongst others, corporate governance, strategy, employees, financing and disposals for a duration of 18 months after settlement of the Offer (the "**Non-Financial Covenants**"), including the covenants summarized below.

Corporate governance

It is envisaged that upon completion of the Offer the Supervisory Board of Kiadis will be composed of:

- Three members to be identified by Sanofi prior to the launch of the Offer;
- Two members qualifying as independent within the meaning of the Dutch Corporate Governance Code whereby these two members will be current members of the Supervisory Board to be identified prior to the launch of the Offer. The independent members will continue to serve for at least one year from settlement of the Offer or, if later, until the earliest of (i) the date on which all Shares are held by Sanofi, (ii) the date on which Sanofi has irrevocably initiated statutory buy-out proceedings and the Offer Price is deemed to be the fair price (*billijke prijs*) pursuant to section 2:359c(6) of the DCC, (iii) the date on which the Enterprise Chamber of the Amsterdam Court of Appeal has determined the price payable by Sanofi to the other shareholders pursuant to statutory buy-out proceedings, and (iv) the date on which, following the Post-Offer Restructuring, the holders of Shares have received the liquidation distribution.

It is envisaged that upon completion of the Offer the Management Board of Kiadis will be composed of the members of Kiadis' Management Board as per the date of the Merger Agreement and may be expanded with one additional member to be identified by Sanofi prior to launch of the offer.

Organization / location

There will be R&D and CMC activities at the Company's offices in Amsterdam, the Netherlands.

Sanofi is focused on ensuring that the Company group's key management and key staff is retained and offered suitable career opportunities.

There will be no material redundancies with respect to the Company group's employees as a direct consequence of the Offer and necessary redundancies going forward will be part of an integration committee process.

The existing rights and benefits of the Company group's employees shall be respected by Sanofi, including existing rights and benefits under their individual employment agreements and (at least) existing redundancy practices applied by the Company's group.

Any redundancies that need to occur will be done in accordance with all legal requirements.

The existing pension rights of the Company group's current and former employees shall be respected by Sanofi.

Following settlement of the Offer, the nomination, selection and appointment of staff for functions within Sanofi's group's NK activities will, subject to the applicable rules, be based on the "best person for the job" principle, or, where not feasible or appropriate, or non-discriminatory, fair and business-oriented transparent set of criteria.

Financing

It is intended that the Company remains prudently financed to safeguard the continuity of the business and to continue the Company's current business strategy including R&D and pipeline.

Sanofi will allocate suitable resources for the Company's R&D and CMC activities.

The Offer Conditions will have to be satisfied or waived ultimately on 31 December 2021.

Termination

On termination of the Merger Agreement by Sanofi on account of a material breach of the Merger Agreement by Kiadis or in case the Merger Agreement is terminated by either Kiadis or Sanofi pursuant to a Superior Offer that is not matched by Sanofi (see below), Kiadis will forfeit a gross EUR 2,880,600 termination fee to Sanofi.

On termination of the Merger Agreement by Kiadis, because of a material breach of the Merger Agreement by Sanofi, or because the competition clearance has not been obtained, Sanofi will forfeit a gross EUR 2,880,600 termination fee to Kiadis.

The foregoing termination fees are without prejudice to each party's rights under the Merger Agreement to demand specific performance.

Superior Offer

Sanofi and Kiadis may terminate the Merger Agreement in the event of a *bona fide* third-party offeror making an offer that the Boards determine in good faith to be substantially more beneficial than Sanofi's offer, also taking into account, amongst other things, all legal, financial and regulatory aspects, timing, certainty, conditionality and non-financial covenants, provided that (i) the offer exceeds the Offer Price by at least 8% and (ii) the third-party offeror has conditionally committed itself to Kiadis in the event of an offer, under customary conditions to the Company to launch such offer within the applicable time periods prescribed by applicable laws following announcement of such offer (a "**Superior Offer**"). In the event of a Superior Offer, Sanofi will be given the opportunity to match such offer. If Sanofi matches the Superior Offer, the third party offer may not be accepted and the Merger Agreement may not be terminated by Kiadis. Any additional subsequent competing offer will have a 4% offer threshold and matching right for Sanofi. As part of the agreement, Kiadis has entered into customary undertakings not to solicit third party offers.

Indicative Timetable

Sanofi and Kiadis will seek to obtain all necessary competition clearances as soon as practicable. The combination of Kiadis and Sanofi is not expected to raise antitrust concerns.

Sanofi expects to submit a request for review and approval of the Offer Document with the AFM at short notice and to publish the Offer Document after approval and recognition thereof by the FSMA, in accordance with the applicable statutory timeline.

Kiadis will hold the EGM at least ten business days prior to the closing of the Offer period to inform the shareholders about the Offer and to adopt the Resolutions.

Based on the required steps and subject to the necessary approval of the Offer Document, Kiadis and Sanofi anticipate that the Offer will close in the first half of 2021.

Bridge Loan

Sanofi and Kiadis have agreed upon the principal terms of a bridge loan facility in the aggregate amount of EUR 28 million to be provided by one of Sanofi's wholly owned subsidiaries to Kiadis, to be entered into within five weeks from today.

Paris, France and Amsterdam, The Netherlands, 2 February 2021 – Sanofi (Euronext: SAN and NYSE: SNY) and Kiadis Pharma N.V. ("Kiadis" or the "Company") (Euronext Amsterdam and Brussels: KDS)

Reference is made to the joint press release by Sanofi and Kiadis dated 2 November 2020 in respect of the Offer to be made by Sanofi at an offer price of EUR 5.45 in cash per share (cum dividend) (the "Offer Price").

Highlights:

- **36.6% Shares issued and outstanding on a fully diluted basis, now committed under the Offer**
- **Kiadis and Sanofi reached agreement with Empery, Life Sciences Partners, former CytoSen shareholders and option holders and Kreos Capital in relation to their rights to acquire Shares and their irrevocable commitment to tender all their Shares under the Offer**

Today, Sanofi and Kiadis jointly announce the entering into of irrevocable undertakings with (i) Empery Asset Master Ltd., Empery Tax Efficient, LP and Empery Tax Efficient III, LP (jointly "Empery"), (ii) funds managed by Life Sciences Partners (jointly "Life Sciences Partners"), (iii) former CytoSen Therapeutics Inc. ("CytoSen") shareholders and option holders, and (iv) Kreos Capital V (UK) Limited ("Kreos Capital").

36.6% Shares issued and outstanding on a fully diluted basis, now committed under the Offer

As set out in the joint press release by Sanofi and Kiadis dated 2 November 2020, Life Sciences Partners have previously undertaken to tender their current shareholding under the Offer. Together with the additional irrevocable undertakings given by Empery, Life Sciences Partners, the former CytoSen shareholders and option holders and Kreos Capital, approximately 36.6% of the total number of issued and outstanding ordinary shares in the capital of Kiadis, each with a nominal value of EUR 0.10 (the "Shares") on a fully diluted basis as at settlement of the Offer is now committed under the Offer.

Irrevocable Empery and Life Sciences Partners

Empery and Life Sciences Partners hold 3,745,318¹ and 1,493,429² warrants (the "Warrants"), respectively, and when exercised representing 6.13% and 2.44%, respectively, of the issued and outstanding Shares on a fully diluted basis as at settlement of the Offer.

Kiadis, Sanofi, Empery and Life Sciences Partners have agreed, pursuant to two separate agreements on customary terms and conditions and conditional upon the Offer being declared unconditional and the merger agreement between Sanofi and Kiadis (the "Merger Agreement") not being terminated: (i) to adjust the exercise price payable by Empery and Life Sciences Partners to Kiadis for the exercise of the Warrants to EUR 0.38 per Warrant, such that the net proceeds to be received by Empery and Life Sciences Partners per Warrant is equal to the Black Scholes value of the Warrant which would otherwise have been due and payable in cash upon settlement of the Offer; (ii) that the Warrants will be exercised by Life Sciences Partners and Empery for the aforementioned exercise price; and (iii) that upon exercise of the Warrants, the corresponding Shares will be tendered under the Offer in exchange for payment of the Offer Price per Share by Sanofi. The irrevocable undertakings given by Empery and Life Sciences Partners relate to their entire respective holdings of Warrants.

Irrevocable former CytoSen shareholders and option holders

Former CytoSen shareholders and option holders are, pursuant to the agreement made in relation to the Company's acquisition of CytoSen in June 2019, eligible to a potential future consideration of additional Shares, upon the achievement of six clinical development and regulatory milestones, which milestones will be accelerated in light of the Kiadis change of control, subject to a discount mechanism (the "Milestone Shares").

Kiadis, Sanofi and the former CytoSen shareholders³ and option holders⁴ have agreed, on customary terms and conditions and conditional upon the Offer being declared unconditional and the Merger Agreement not being terminated: (i) that the Milestone Shares shall accelerate and become immediately payable by the Company; and (ii) that upon such acceleration, the Milestone Shares will be tendered under the Offer in exchange for the

Offer Price. The irrevocable undertakings given by the former CytoSen shareholders and option holders relate to their entire holdings of Shares, representing 11.19% of the total number of issued and outstanding Shares as at settlement of the Offer on a fully diluted basis. The former CytoSen shareholders have also agreed to vote, with their current holding of Shares, in favor of the resolutions relating to the Offer (the "**Resolutions**") at the upcoming extraordinary general meeting of Kiadis.

Irrevocable Kreos Capital

Kiadis and Kreos Capital have agreed that Kreos Capital will convert into Shares, at an exercise price of EUR 2 per Share, its entire convertible bond of EUR 5,000,000, plus an additional amount of EUR 171,015 in interest, effective as per 15 February 2021. In addition, Kiadis, Sanofi and Kreos Capital have agreed, on customary terms and conditions and conditional upon the Offer being declared unconditional and the Merger Agreement not being terminated, that Kreos Capital: (i) will vote with its holdings of Shares in favor of the Resolutions at the upcoming extraordinary general meeting of Kiadis; and (ii) commits to tender all its holdings of Shares under the Offer in exchange for payment of the Offer Price per Share by Sanofi. The irrevocable undertaking given by Kreos Capital relates to its entire holding of Shares, representing, upon conversion, 4.35% of the total number of issued and outstanding Shares as at settlement of the Offer on a fully diluted basis.

Miscellaneous

Empery, Life Sciences Partners, the former CytoSen shareholders and option holders and Kreos Capital have not received any information in connection with the Offer other than: (i) the information that will be included in the Offer Document; or (ii) the information disclosed in this press release.

As at the date of this press release: (i) Sanofi does not hold any shares in the capital of Kiadis, Empery, Life Sciences Partners, any of the former CytoSen shareholders or option holders, or Kreos Capital; and (ii) Kiadis does not hold any shares in the capital of Sanofi, Empery, Life Sciences Partners, any of the former CytoSen shareholders or option holders, or Kreos Capital.

Parijs, Frankrijk en Amsterdam, Nederland, 2 februari 2021 – Sanofi (Euronext: SAN en NYSE: SNY) en Kiadis Pharma N.V. ("Kiadis" of de "Vennootschap") (Euronext Amsterdam en Brussels: KDS)

Verwezen wordt naar het gezamenlijke persbericht van Sanofi en Kiadis van 2 november 2020 met betrekking tot het voorgenomen openbaar bod (het "**Bod**") dat door Sanofi zal worden uitgebracht tegen een biedprijs van EUR 5,45 in contanten (cum dividend) per aandeel (de "**Biedprijs**").

Hoogtepunten

- 36,6% van de uitstaande aandelen op volledig verwaterde basis zijn nu toegezegd onder het Bod
- Kiadis en Sanofi hebben overeenstemming bereikt met Empery, Life Sciences Partners, de voormalig aandeelhouders en optiehouders van CytoSen en Kreos Capital met betrekking tot hun rechten om Aandelen te verwerven en hun onherroepelijke toezegging om al hun aandelen aan te melden onder het Bod

Vandaag kondigen Sanofi en Kiadis gezamenlijk aan dat er onherroepelijke toezeggingen zijn gedaan door (i) Empery Asset Master Ltd., Empery Tax Efficient, LP en Empery Tax Efficient III, LP (gezamenlijk "**Empery**"), (ii) fondsen beheerd door Life Sciences Partners (gezamenlijk "**Life Sciences Partners**"), (iii) de voormalige aandeelhouders en optiehouders in CytoSen Therapeutics Inc. ("**CytoSen**"), en (iv) Kreos Capital V (UK) Limited ("**Kreos Capital**").

36,6% van de Aandelen op volledig verwaterde basis nu toegezegd onder het Bod

Zoals uiteengezet in het gezamenlijke persbericht van Sanofi en Kiadis van 2 november 2020, heeft Life Sciences Partners eerder toegezegd zijn belang van ongeveer 18,3% onder het Bod aan te melden. Samen met de aanvullende onherroepelijke toezeggingen van Empery, Life Sciences Partners, de voormalige aandeelhouders en optiehouders van CytoSen en Kreos Capital zijn ongeveer 36,6% van het totale aantal uitstaande gewone aandelen in het kapitaal van Kiadis, elk met een nominale waarde van EUR 0,10 (de "**Aandelen**") op volledig verwaterde basis op het moment van *settlement* van het Bod nu toegezegd onder het Bod.

Onherroepelijke toezegging Empery en Life Sciences Partners

Empery en Life Sciences Partners bezitten respectievelijk 3.745.318⁵ en 1.493.429⁶ warrants (de "**Warrants**"), en vertegenwoordigen bij uitoefening daarvan respectievelijk 6,13% en 2,44% van de Aandelen op volledig verwaterde basis op het moment van *settlement* van het Bod.

Kiadis, Sanofi, Empery en Life Sciences Partners zijn overeengekomen, op grond van twee afzonderlijke overeenkomsten onder gebruikelijke voorwaarden, en op voorwaarde dat het Bod gestand wordt gedaan en de fusieovereenkomst tussen Sanofi en Kiadis (de "**Fusieovereenkomst**") niet wordt beëindigd: (i) om de uitoefenprijs die Empery en Life Sciences Partners aan Kiadis moeten betalen voor de uitoefening van de Warrants aan te passen naar EUR 0,38 per Warrant, zodat de netto-opbrengst die Empery en Life Sciences Partners per Warrant zullen ontvangen gelijk is aan de *Black Scholes*-waarde van de Warrant die anders in contanten verschuldigd en betaalbaar zou zijn bij *settlement* van het Bod; (ii) dat de Warrants door Life Sciences Partners en Empery zullen worden uitgeoefend voor de bovengenoemde uitoefenprijs; en (iii) dat bij uitoefening van de Warrants, de corresponderende Aandelen zullen worden aangemeld onder het Bod tegen betaling van de Biedprijs per Aandeel door Sanofi. De onherroepelijke toezeggingen afgegeven door Empery en Life Sciences Partners hebben betrekking op hun volledige respectievelijke bezit aan Warrants.

Onherroepelijke toezegging voormalige aandeelhouders en optiehouders van CytoSen

De voormalige aandeelhouders en optiehouders van CytoSen komen, overeenkomstig de overeenkomst die is gesloten met betrekking tot de overname van CytoSen door de Vennootschap in juni 2019, in aanmerking voor mogelijke toekomstige vergoeding in de vorm van aanvullende Aandelen, na het behalen van zes klinische- en regelgevingsmijlpalen, welke mijlpalen naar voren zullen worden gehaald in het licht van de verandering van controle over Kiadis, met inachtneming van een kortingsmechanisme (de "**Mijlpalaandelen**").

Kiadis, Sanofi en de voormalige aandeelhouders⁷ en optiehouders⁸ van CytoSen zijn overeengekomen, onder gebruikelijke voorwaarden en op voorwaarde dat het Bod onvoorwaardelijk wordt verklaard en de Fusieovereenkomst niet wordt beëindigd: (i) dat de Mijlpaalaandelen naar voren worden gehaald en onmiddellijk door de Vennootschap betaalbaar zijn; en (ii) dat na het naar voren halen, de Mijlpaalaandelen zullen worden aangemeld onder het Bod tegen de Biedprijs. De onherroepelijke toezeggingen die zijn afgegeven door de voormalige aandeelhouders en optiehouders van CytoSen hebben betrekking op hun volledige Aandelenbezit, wat neerkomt op 11,19% van het totale aantal uitstaande Aandelen op het moment van *settlement* van het Bod op volledig verwaterde basis. De voormalige aandeelhouders van CytoSen zijn ook akkoord gegaan om, met hun huidige Aandelenbezit, voor de besluiten te stemmen die betrekking hebben op het Bod (de "**Besluiten**") op de aankomende buitengewone algemene vergadering van Kiadis.

Onherroepelijke toezegging Kreos Capital

Kiadis en Kreos Capital zijn overeengekomen dat Kreos Capital zijn volledige converteerbare obligaties van EUR 5.000.000 zal converteren naar Aandelen, tegen een uitoefenprijs van EUR 2 per Aandeel, plus een bijkomend bedrag van EUR 171.015 in rente, ingaande op 15 februari 2021. Bovendien zijn Kiadis, Sanofi en Kreos Capital onder gebruikelijke voorwaarden en op voorwaarde dat het Bod gestand wordt gedaan en de Fusieovereenkomst niet wordt beëindigd, overeengekomen dat Kreos Capital: (i) met zijn Aandelenbelangen voor de Besluiten zal stemmen op de aankomende buitengewone algemene vergadering van Kiadis; en (ii) zich ertoe verbindt om al zijn Aandelenbelangen aan te melden onder het Bod tegen betaling van de Biedprijs per Aandeel door Sanofi. De onherroepelijke toezegging die Kreos Capital heeft gedaan, heeft betrekking op haar gehele aandelenbezit, die na conversie 4,35% van het totale aantal uitstaande Aandelen vertegenwoordigt op het moment van *settlement* van het Bod op volledig verwaterde basis.

Overig

Empery, Life Sciences Partners, de voormalige aandeelhouders en optiehouders van CytoSen en Kreos Capital hebben geen informatie ontvangen in verband met het Bod anders dan (i) de informatie die in het Biedingsbericht zal worden opgenomen; of (ii) de informatie die is bekendgemaakt door middel van dit persbericht.

Op de datum van dit persbericht: (i) houdt Sanofi geen aandelen in het kapitaal van Kiadis, Empery, Life Sciences Partners, een van de voormalige aandeelhouders of optiehouders van CytoSen, of Kreos Capital; en (ii) houdt Kiadis geen aandelen in het kapitaal van Sanofi, Empery, Life Sciences Partners, een van de voormalige aandeelhouders of optiehouders van CytoSen, of Kreos Capital.

Forward-looking statements are generally identified by the words "expects", "anticipates", "believes", "intends", "estimates", "plans" and similar expressions. Although Sanofi's management believes that the expectations reflected in such forward-looking statements are reasonable, investors are cautioned that forward-looking information and statements are subject to various risks and uncertainties, many of which are difficult to predict and generally beyond the control of Sanofi, that could cause actual results and developments to differ materially from those expressed in, or implied or projected by, the forward-looking information and statements. These risks and uncertainties include among other things, risks related to Sanofi's ability to complete the acquisition on the proposed terms or on the proposed timeline, the possibility that competing offers will be made, other risks associated with executing business combination transactions, such as the risk that the businesses will not be integrated successfully, that such integration may be more difficult, time-consuming or costly than expected or that the expected benefits of the acquisition will not be realized, the uncertainties inherent in research and development, future clinical data and analysis, including post marketing, decisions by regulatory authorities, such as the FDA or the EMA, regarding whether and when to approve any drug, device or biological application that may be filed for any such product candidates as well as their decisions regarding labelling and other matters that could affect the availability or commercial potential of such product candidates, the fact that product candidates if approved may not be commercially successful, the future approval and commercial success of therapeutic alternatives, Sanofi's ability to benefit from external growth opportunities, to complete related transactions and/or obtain regulatory clearances, risks associated with intellectual property and any related pending or future litigation and the ultimate outcome of such litigation, trends in exchange rates and prevailing interest rates, volatile economic and market conditions, cost containment initiatives and subsequent changes thereto, and the impact that COVID-19 will have on us, our customers, suppliers, vendors, and other business partners, and the financial condition of any one of them, as well as on our employees and on the global economy as a whole. Any material effect of COVID-19 on any of the foregoing could also adversely impact us. This situation is changing rapidly and additional impacts may arise of which we are not currently aware and may exacerbate other previously identified risks. The risks and uncertainties also include the uncertainties discussed or identified in the public filings with the SEC and the AMF made by Sanofi, including those listed under "Risk Factors" and "Cautionary Statement Regarding Forward-Looking Statements" in Sanofi's annual report on Form 20-F for the year ended December 31, 2019. 12.5 Rationale van de Transactie

Kiadis' NK cell platform en resulterende therapeutische pijplijn is complementair aan de Bieder Groep's in-house pijplijn, inclusief CD-38 (isatuximab) en NK-cell engager bispecifieke programma's die in een vroeg stadium zijn.

De Bieder Groep en Kiadis hebben de intentie om de ontwikkeling en commercialisatie van Kiadis' traject en pijplijn programma's te versnellen door gebruik te maken van de Bieder Groep's globale infrastructuur en mogelijkheden tot onderzoek, CMC, ontwikkeling, productie en commercialisering, alsmede de financiële kracht van de Bieder Groep. Dit zal erin resulteren dat producten snel en economisch beschikbaar worden voor een brede populatie patiënten over een breed spectrum van indicaties. Op de datum van dit Biedingsbericht heeft de Bieder Groep geen intenties

met betrekking tot de plaats van vestiging van Kiadis, anders dan zoals beschreven in Hoofdstuk 6.17 (c) (*Non-Financial Covenants*).

12.6 Financiering van het Bod

De Bieder waardeert 100% van de Aandelen op ongeveer EUR 308.000.000 (drie honderd acht miljoen euro).¹³ Omdat de 2025-I en 2025-II Warrants, die in totaal 5.238.747 Warrants bedragen, in totaal, niet zullen worden afgewikkeld door middel van cash, maar uitgeoefend met een lagere uitoefeningsprijs, zal het aandelenkapitaal op basis van Volledige Verwatering bestaan uit 40.308.501 gewone uitstaande Aandelen, 7.446.147 Aandelen op basis van de *in-the-money* uitstaande Opties, 2.585.507 Aandelen op basis van de Kreos Capital Faciliteiten en 5.505.874 Milestone Aandelen, aldus een totaal van 61.084.776 uitstaande Aandelen. De Bieder zal de Biedprijs volledig betalen door middel van beschikbare geldmiddelen. Gerefereerd wordt ook aan de Initiële Aankondiging, waarin de *certainty of funds* werd bevestigd.

Naar aanleiding van een overeenkomst op hoofdlijnen, overeengekomen op de datum van de Fusieovereenkomst, zijn Sanofi Finance Ireland Limited als leninggever en Kiadis als leningnemer op 13 januari 2021 een kredietfaciliteit overeengekomen (het **Overbruggingskrediet**). Het hoofddoel van het Overbruggingskrediet is de algemene bedrijfsvoering en werkkapitaaldoelinden, om de Kiadis Groep te voorzien in de mogelijkheid om hun bedrijfsvoering op de normale wijze te kunnen voortzetten volgend op de ondertekening van de Fusieovereenkomst, vertraging in de operaties van de bedrijfsvoering te voorkomen en de continuïteit van de Kiadis Groep te verzekeren. Een deel van het Overbruggingskrediet, ter hoogte van EUR 7.700.000 kan gebruikt worden om de schuld onder de Kreos Capital Faciliteiten te herfinancieren en om de converteerbare obligatie van Kreos Capital terug te betalen. In hoofdsom zal het overeengekomen Overbruggingskrediet EUR 27.700.000 (zeven en twintig miljoen zeven honderd duizend euro) bedragen. Het Overbruggingskrediet zal onmiddellijk worden opgezegd en alle uitstaande voorschotten, rente en andere bedragen zullen onmiddellijk opeisbaar en betaalbaar worden ingeval van een overdracht van zeggenschap bij Kiadis (exclusief een overdracht van zeggenschap naar de Bieder maar inclusief een activaverkoop van de Kiadis Groep) of als de Fusieovereenkomst wordt beëindigd ten gevolge van een materiële schending van de Fusieovereenkomst door Kiadis zoals bepaald in Hoofdstuk 6.27(a)(iii) of ten gevolge van een Superieur Bod, zoals beschreven in Hoofdstuk 6.27(a)(iv) en kan worden opgezegd door de leninggever indien een of meerdere materiële gevallen van verzuim zich hebben voorgedaan of als het onrechtmatig is geworden voor de leninggever om de leningen te verstrekken. Het Overbruggingskrediet is een termijnkredietfaciliteit, waarvan de kredieten binnen een jaar na het eerste gebruik van het krediet terugbetaald dienen te worden (met een automatische verlenging van zes maanden). De kredieten zijn beschikbaar tot en met 30 mei 2021. De faciliteiten staan op gelijke voet met andere senior ongedekte schulden van Kiadis, maar is ondergeschikt aan de Kreos Capital Faciliteiten. De rentevoet is EURIBOR plus een marge, zijnde een PIK-marge van 2,5% per jaar en een marge van 2,0% in contanten, die beide worden verhoogd tot 10% in geval van een verandering in zeggenschap bij Kiadis (exclusief een overdracht van zeggenschap naar de Bieder maar inclusief een activaverkoop van de Kiadis Groep) of indien de Fusieovereenkomst wordt beëindigd. De documentatie bevat een gebruikelijke reeks van verklaringen, toezeggingen en

¹³ Op basis van volledige verwatering gebruik makend van de *treasury stock method* op de datum van de Fusieovereenkomst en aangepast voor de waarde van de *warrants* die konden worden uitgeoefend in aandelen of contant betaald gebaseerd op de Black Scholes waarde per de dag onmiddellijk na de dag van de aankondiging van de overdracht van zeggenschap.

gevallen van verzuim voor transacties van deze aard en een meestbegunstigingsclausule die de kredietverstrekker het voordeel geeft van een gunstigere bescherming die met andere schuldfinanciers van de Kiadis Groep is overeengekomen. De documentatie bevat ook een bepaling dat de Kiadis Groep verplicht is het Overbruggingskrediet te garanderen of zekerheid te stellen voor het Overbruggingskrediet indien aan bepaalde gebruikelijke omstandigheden wordt voldaan.

Op 14 januari 2021 maakte Kiadis via een persbericht bekend dat zij EUR 20.000.000 had getrokken onder het Overbruggingskrediet om aan Kiadis' kapitaalvereisten te voldoen tot aan de voltooiing van de acquisitie door Sanofi.

In het geval dat de Aanmeldingsdrempel op de Laatste Dag van Aanmelding 95% (vijfennegentig procent) van Kiadis' geplaatst en uitstaand gewoon kapitaal op basis van Volledige Verwatering vertegenwoordigt, zal de Bieder op verzoek van Kiadis, tijdig afstand doen van de Voorwaarde genoemd in Hoofdstuk 12.7(a) (viii) onder (b) (*Geen Gerechtelijk Bevel of Overheidsbesluit*), voor zover het relevante Gerechtelijk Bevel of Overheidsbesluit uitsluitend betrekking heeft op de Herstructurering na de Aanbieding.

(c) Materieel Nadelig Effect

Naar weten van de Bieder heeft er zich op of voor de dag van dit Biedingsbericht geen Materieel Nadelig Effect voorgedaan.

(d) Vervulling

Overeenkomstig de in artikel 12 lid 2 van het Bob opgenomen verbodsbepaling hangt de vervulling van elk van de Voorwaarden niet af van de wil van de Bieder.

Zowel de Bieder als de Vennootschap zal in redelijkheid haar uiterste best doen om zo snel als redelijkerwijs mogelijk de vervulling van de Voorwaarden te bewerkstelligen. Indien de Bieder of Kiadis op enig moment kennisneemt van een feit of omstandigheid dat/die een significante impact zou hebben op de vervulling van een Voorwaarde zal die partij de ander daarvan onverwijld op de hoogte stellen.

Met betrekking tot de Voorwaarde opgenomen in Hoofdstuk 12.7(a) (ii), zijn de Bieder en Kiadis een bindend advies procedure overeengekomen voor het geval dat de Bieder deze Voorwaarde niet vervuld acht en Kiadis daarover van mening verschilt. In een dergelijk geval, zal een bindend adviseur over het geschil beslissen binnen 10 (tien) Werkdagen vanaf de datum waarop het geschil aan de bindend adviseur is voorgelegd of een kortere termijn zoals overeengekomen tussen de Bieder en Kiadis, waarbij is begrepen dat een beslissing niet later zal worden genomen dan 12:00 CET op de Werkdag voor de Dag van Gestanddoening. De bindend adviseur zal worden aangesteld in overeenstemming met het bindend advies reglement van het NAI (*Nederlands Arbitrage Instituut*). Het bindend advies zal finaal en bindend zijn voor de Bieder en Kiadis.

12.8 Aanvaarding door Aandeelhouders

Door het aanmelden van een Aandeel aanvaardt een Aandeelhouder het Bod. Aandeelhouders worden verzocht om de aanmelding van hun Aandelen bekend te maken via hun bewaarder, bank of commissionair, niet later dan op de Laatste Dag van Aanmelding om 17:40 uur CET (het **Afsluitingsuur**). De relevante bewaarder, bank of commissionair kan een uiterst moment vaststellen voor communicatie door een Aandeelhouder, zodat de bewaarder, bank of commissionair voldoende tijd heeft om de aanmelding door te geven aan het Omwissel- en Betaalkantoor. Aandeelhouders dienen daarom contact op te nemen met hun financiële tussenpersoon om informatie te verkrijgen over de toepasselijke deadline voor verzending van instructies aan de tussenpersoon om het Bod te aanvaarden en zich te houden aan de data gecommuniceerd door de tussenpersoon (welke data kunnen afwijken van de data en tijden die in dit Biedingsbericht zijn opgenomen).

De Aangesloten Instellingen kunnen de Aandelen uitsluitend aanmelden bij het Omwissel- en Betaalkantoor en alleen in schriftelijke vorm. Bij het indienen van de aanmelding dient iedere Aangesloten Instelling te verklaren dat:

- (a) zij de Aangemelde Aandelen, aangemeld door de relevante Aandeelhouder, in haar administratie heeft opgenomen;
- (b) iedere Aandeelhouder die het Bod aanvaardt, onherroepelijk verklaart en garandeert dat (i) de Aangemelde Aandelen worden aangemeld in overeenstemming met de restricties vermeld in

Hoofdstukken 2 en 3 en (ii) de Aandeelhouder niet, direct of indirect, onderwerp of doelwit is van enige economische of financiële sanctie opgelegd of afgedwongen door enige instantie van de Amerikaanse overheid, de Europese Unie, enige lidstaat van de Europese Unie of de Verenigde Naties, anders dan uitsluitend op grond van zijn opname in, of eigendom door een persoon opgenomen in, de Amerikaanse 'Sectoral Sanctions Identifications (SSI) List' of Annex 97 III, IV, V of VI van Verordening (EU) No. 833/2014 van 31 juli 2014, zoals laatstelijk gewijzigd;

- (c) zij zich verplicht om de Aangemelde Aandelen uiterlijk op de Dag van Overdracht te leveren aan de Bieder, onder de voorwaarde dat het Bod gestand is gedaan.

Alhoewel gebruikelijk is dat de Aangesloten Instelling zorg draagt dat de Aangemelde Aandelen op verzoek van de Aandeelhouder geleverd worden aan de Bieder, zal elke Aandeelhouder verantwoordelijk zijn voor de levering van zulke Aangemelde Aandelen aan de Bieder.

Met inachtneming van het recht tot herroeping zoals omschreven in Hoofdstuk 12.10 (*Recht tot herroeping*), vormt de aanmelding van Aandelen ter aanvaarding van het Bod een onherroepelijke instructie door de betreffende Aandeelhouder aan de desbetreffende Aangesloten Instelling om:

- (a) elke poging tot levering van deze Aandelen tegen te houden, zodat op of vóór de Dag van Overdracht geen levering van deze Aandelen uitgevoerd kan worden (anders dan enige handeling die vereist is om de levering aan de Bieder te bewerkstelligen);
- (b) de effectenrekening te debiteren waarop deze Aandelen op de Dag van Overdracht worden aangehouden ten aanzien van al deze Aandelen, tegen betaling van de Biedprijs voor deze Aandelen door het Omwissel- en Betaalkantoor namens de Bieder; en
- (c) de levering van deze Aandelen aan de Bieder te bewerkstelligen.

12.9 Aanmeldingstermijn

De Aanmeldingstermijn vangt aan om 09:00 uur, CET op 15 februari 2021 en eindigt om 17:40 uur CET, op 12 april 2021, tenzij de Aanmeldingstermijn wordt verlengd in overeenstemming met artikel 15 van het Bob en Hoofdstuk 12.12 (*Verlenging*), de **Aanmeldingstermijn**. De dag waarop de Aanmeldingstermijn eindigt, ongeacht of die is verlengd of niet, is de **Laatste Dag van Aanmelding**.

Als het Bod gestand wordt gedaan door de Bieder, zal de Bieder alle Aangemelde Aandelen waarvan de aanmelding niet voordien geldig is herroepen, aanvaarden met inachtneming van de procedures zoals uiteengezet in artikel 15 van het Bob en Hoofdstuk 12.8 (*Aanvaarding door de Aandeelhouders*).

12.10 Recht tot herroeping

Aandelen die zijn aangemeld op of voorafgaand aan de Laatste Dag van Aanmelding mogen niet worden ingetrokken, behoudens het recht tot intrekking van elke aanmelding op grond van artikel 5b, paragraaf 5 en artikel 15 paragraaf 9 van het Bob of:

- (i) gedurende enige verlenging van de Aanmeldingstermijn in overeenstemming met de bepalingen in artikel 15 lid 3 van het Bob; of
- (ii) na de verhoging van de Biedprijs die erin resulteert dat de Biedprijs niet langer bestaat uit slechts contanten en er een document dat daaraan gerelateerd is algemeen verkrijgbaar wordt gemaakt in overeenstemming met de bepalingen in artikel 15a lid 3 van het Bob, mits dergelijke Aandelen reeds aangemeld waren voorafgaand aan het algemeen verkrijgbaar stellen van het document en werden ingetrokken binnen zeven (7) Werkdagen nadat het document algemeen verkrijgbaar is gesteld.

Om eerder aangeboden Aandelen in te trekken, moeten Aandeelhouders de Toegelaten Instelling die zij oorspronkelijk opdracht hebben gegeven om de Aandelen aan te melden, opdracht geven om de intrekking van die Aandelen te regelen door de tijdige levering van een schriftelijke of telefonische kennisgeving van intrekking aan het Omwissel- en Betaalkantoor op het adres dat in Hoofdstuk 3.6 (*Contact details*) is vermeld.

Elk bericht van intrekking moet de naam vermelden van de persoon die de Aandelen heeft ingeschreven op de inschrijving voor de in te trekken Aandelen, het aantal in te trekken Aandelen en de naam van de houder van de in te trekken Aandelen, indien deze verschilt van de persoon die de inschrijving voor de Aandelen heeft gedaan. De handtekening(en) op het bericht van intrekking moet(en) worden gegarandeerd door een Toegelaten Instelling, tenzij dergelijke Aandelen zijn aangeboden voor rekening van een Toegelaten Instelling. Alle vragen met betrekking tot de vorm en de geldigheid (inclusief het tijdstip van ontvangst) van enige kennisgeving van intrekking zullen door de Bieder naar eigen goeddunken worden bepaald, welke bepaling definitief en bindend zal zijn. Aandeelhouders dienen contact op te nemen met hun financiële intermediair om informatie te verkrijgen over de uiterste datum waarop deze aandeelhouder instructies moet sturen naar de financiële intermediair om zijn of haar aanvaarding van het Bod in te trekken en dienen zich te houden aan de data die door deze financiële intermediair zijn vastgesteld, aangezien deze data kunnen afwijken van de data en tijdstippen die in dit Biedingsbericht zijn vermeld.

Intrekkingen van inschrijvingen op Aandelen kunnen niet worden herroepen, en alle Aandelen die naar behoren zijn ingetrokken, worden geacht niet geldig te zijn aangeboden in het kader van het Bod. De ingetrokken Aandelen kunnen echter opnieuw worden aangeboden via de inschrijvingsprocedure voor Aandelen zoals beschreven in Hoofdstuk 12.8 (*Aanvaarding door de Aandeelhouders*).

Tijdens de (eventuele) Na-aanmeldingstermijn zullen geen intrekkingen gelden voor Aandelen die tijdens deze Na-aanmeldingstermijn worden aangeboden of voor Aandelen die in het kader van het Aanbod op of vóór het Afsluitingsuur worden aangeboden en door de Bieder worden aanvaard.

12.11 Gestanddoening

De verplichting van de Bieder om het Bod gestand te doen is onder voorbehoud van de vervulling van de Voorwaarden zoals uiteengezet in Hoofdstuk 12.7 (*Voorwaarden*). Van de Voorwaarden kan afstand worden gedaan, voor zover toegestaan onder Toepasselijke Regelgeving of bij overeenkomst, zoals uiteengezet in Hoofdstuk 12.7(b) (*Afstand*). Indien de Bieder, Kiadis, of de Bieder en Kiadis, waar relevant, afstand wensen te doen (volledig of deels) van een of meer Voorwaarden in

overeenstemming met het bepaalde in Hoofdstuk 12.7(b) (*Afstand*), dan zal de Bieder daarvan kennisgeven aan de Aandeelhouders zoals voorgeschreven onder Toepasselijke Regelgeving.

Uiterlijk op de 3^e (derde) Werkdag na de Laatste Dag van Aanmelding (de **Dag van Gestanddoening**) zal de Bieder vaststellen of aan de Voorwaarden is voldaan, dan wel daarvan afstand is gedaan, voor zover toegestaan onder Toepasselijke Regelgeving. Daarnaast zal de Bieder op de Dag van Gestanddoening bekendmaken of (i) het Bod gestand wordt gedaan, (ii) het Bod wordt verlengd in overeenstemming met artikel 15 van het Bob en Hoofdstuk 12.12 (*Verlenging*) of (iii) het Bod wordt beëindigd omdat de Voorwaarden zoals beschreven in Hoofdstuk 12.7(a) (*Voorwaarden*) niet zijn voldaan of daarvan afstand is gedaan, alles in overeenstemming met Hoofdstuk 12.7(b) (*Afstand*) en 12.7(c) (*Vervulling*) en artikel 16 van het Bob. Indien de Bieder het Bod niet gestand doet, zal de Bieder dit besluit toelichten.

Indien de Bieder het Bod gestand doet, dan zullen Aandeelhouders de Biedprijs ontvangen voor elk Aangemeld Aandeel, en zal de Bieder elk Aangemeld Aandeel verkrijgen, binnen 5 (vijf) Werkdagen na de Dag van Gestanddoening (de **Overdracht**, en de dag waarop die plaatsvindt, de **Dag van Overdracht**). Het Omwissel- en Betaalkantoor zal de Aangemelde Aandelen verkrijgen tegen betaling van de Biedprijs aan de Toegelaten Instellingen, de Bieder kan niet garanderen dat de Aandeelhouders de Biedprijs van de Toegelaten Instellingen zullen ontvangen binnen diezelfde periode.

12.12 Verlenging

Indien op de dan geplande Laatste Dag van Aanmelding één of meer Voorwaarden niet zijn vervuld en daarvan evenmin afstand is gedaan, mag de Bieder, na overleg met Kiadis en in overeenstemming met artikel 15 van het Bob, de Aanmeldingstermijn verlengen, met dien verstande dat (i) de eerste verlenging van de Aanmeldingstermijn minimaal twee (2) weken en maximaal tien (10) weken zal zijn gerekend vanaf de dag vanaf de oorspronkelijke Laatste Dag van Aanmelding, en (ii) elke volgende verlenging afhankelijk zal zijn van het verkrijgen van een vrijstelling van de AFM.

Ter voorkoming van misverstanden, in het geval van enige verlenging van de Aanmeldingstermijn zullen alle verwijzingen in dit Biedingsbericht naar “Afsluitingstijd” en “Laatste Dag van de Aanmelding” geacht te zijn gewijzigd in de laatste tijd en datum waarnaar de Aanmeldingstermijn is verlengd, tenzij uit de context anderszins blijkt.

Als de Aanmeldingstermijn wordt verlengd, waardoor de verplichting op grond van artikel 16 van het Bob om openbaar mede te delen of het Bod gestand wordt gedaan wordt uitgesteld, zal uiterlijk op de derde Werkdag na de oorspronkelijke Laatste Dag van de Aanmelding hierover een openbare mededeling worden gedaan in overeenstemming met de bepalingen van artikel 15, leden 1 en 2 van het Bob. Indien de Bieder de Aanmeldingstermijn verlengt, zal het Bod aflopen op de uiterste tijd en datum waartoe de Bieder de Aanmeldingstermijn heeft verlengd.

Gedurende een verlenging van de Aanmeldingstermijn blijft elk Aandeel dat reeds is aangemeld en waarvan de aanmelding niet is herroepen in overeenstemming met Hoofdstuk 12.10 (*Recht tot herroeping*), aangemeld onder het Bod. De aanmelding van elk Aandeel dat wordt aangemeld

gedurende een verlenging van de Aanmeldingstermijn kan niet worden herroepen, behoudens het recht tot herroeping in overeenstemming met Hoofdstuk 12.10 (*Recht tot herroepping*).

12.13 Overdracht

Als de Bieder het Bod gestand doet, zal de Bieder de levering van alle Aangemelde Aandelen aanvaarden onder de voorwaarden van het Bod.

Op de Dag van Overdracht zal de Bieder de Biedprijs betalen voor elk Aangemeld Aandeel dat is aangemeld gedurende de Aanmeldingstermijn en is geleverd aan de Bieder door een Aandeelhouder aan het Omwissel- en Betaalkantoor van die Aandeelhouder, onder de voorwaarden als uiteengezet in dit Biedingsbericht. De Dag van Overdracht zal niet later zijn dan vijf (5) Werkdagen volgend op de Laatste Dag van Aanmelding. De Bieder kan niet garanderen dat Aandeelhouders de Biedprijs daadwerkelijk binnen deze periode zullen ontvangen van hun Omwissel- en Betaalkantoor. Er is geen specifieke actie van Aandeelhouders vereist met betrekking tot de betaling van de Biedprijs.

Vanaf de Dag van Overdracht is het niet mogelijk de aanmelding, verkoop of levering te herroepen, te ontbinden of te vernietigen van enig Aangemeld Aandeel dat gedurende de Aanmeldingstermijn is aangemeld.

12.14 Na-aanmeldingstermijn

Indien de Bieder het Bod gestand doet, zal de Bieder binnen drie (3) Werkdagen na de Dag van Gestanddoening een na-aanmeldingstermijn aankondigen van twee (2) weken (de **Na-aanmeldingstermijn**) om Aandeelhouders die hun Aandelen niet hebben aangemeld tijdens de Aanmeldingstermijn de mogelijkheid te geven hun Aandelen alsnog aan te melden onder dezelfde voorwaarden en beperkingen als het Bod.

De Bieder zal de resultaten van de Na-aanmeldingstermijn, samen met het aantal en percentage van Aandelen die zijn aangemeld gedurende de Na-aanmeldingstermijn en het totale aantal en percentage van de door de Bieder gehouden Aandelen uiterlijk op de derde Werkdag na de laatste dag van de Na-aanmeldingstermijn openbaar mededelen, in overeenstemming met artikel 17 lid 4 van het Bob.

Tijdens de Na-aanmeldingstermijn zal de Bieder doorgaan met het aanvaarden van alle Aandelen die op geldige wijze zijn aangemeld (of op ongeldige wijze, indien de Bieder de aanmelding desalniettemin heeft aanvaard) en betaling van de Biedprijs voor dergelijke Aandelen die zijn

geleverd aan de Bieder tijdens de Na-aanmeldingstermijn zal plaatsvinden niet later dan op de vijfde Werkdag volgend op de laatste dag van de Na-aanmeldingstermijn.

Gedurende de Na-aanmeldingstermijn hebben Aandeelhouders niet het recht de aanmelding van Aandelen te herroepen, ongeacht of de desbetreffende Aandelen zijn aangemeld tijdens de Aanmeldingstermijn of tijdens de Na-aanmeldingstermijn.

Vanaf de relevante dag van overdracht is het niet mogelijk de aanmelding, verkoop of levering te herroepen, te ontbinden of te vernietigen van enig Aangemeld Aandeel dat gedurende de Na-aanmeldingstermijn is aangemeld.

12.15 Besluitvorming en Aanbeveling van het Bestuur

Na ontvangst van de niet-bindende indicatie van interesse van Sanofi op 16 oktober 2020 zijn de Kiadis Besturen regelmatig bijeengekomen om op de hoogte te blijven van de laatste ontwikkelingen, het proces te monitoren en het bod en de alternatieven daartoe te bespreken.

De leden van de Kiadis Besturen hebben in de besluitvorming gepaste aandacht besteed aan (potentiële) belangenverstrengelingen tussen een van hen en Kiadis en hebben vastgesteld dat dit niet het geval was.

De Kiadis Besturen hebben, na uitgebreid juridisch en financieel advies te hebben ingewonnen, alle aspecten van het aanbod zorgvuldig overwogen, inclusief:

- a) de strategische onderbouwing van het Bod, ook met inachtneming van de risico's en onzekerheden van de andere voor Kiadis beschikbare alternatieven;
- (b) de financiële aspecten van het Bod (zoals de vergoeding per Aandeel);
- (c) de niet-financiële (zoals operationele en sociale) aspecten van het Bod, zoals de impact op stakeholders; en
- (d) de zekerheid van de transactie en de bescherming van de deal,

en zijn tot de conclusie gekomen dat het Bod, alle omstandigheden in aanmerking te hebben genomen, *fair* is voor de Aandeelhouders vanuit financieel oogpunt en in het belang van Kiadis en al haar stakeholders.

Moelis heeft een *fairness opinion* aan de Raad van Bestuur van Kiadis uitgebracht van 1 november 2020, waarin wordt gesteld dat vanaf die datum, op basis van en onder voorbehoud van de daarin opgenomen kwalificaties, beperkingen en veronderstellingen, de Biedprijs die door de Aandeelhouders onder het Bod zal worden ontvangen of de Verkoopprijs van de activa (zoals gedefinieerd in de Fairness Opinion) vanuit financieel oogpunt *fair* is voor de Aandeelhouders (de **Fairness Opinion**). De volledige tekst van de Fairness Opinion, waarin de gemaakte veronderstellingen, de gevolgde procedures, de in overweging genomen kwesties en de beperkingen van de beoordeling in verband met de Fairness Opinion worden uiteengezet, is opgenomen in de Standpuntbepaling.

Onder verwijzing naar het bovenstaande, en met inachtneming van de voorwaarden van het Biedingsbericht, ondersteunen de Kiadis Besturen (i) de Transacties, (ii) bevelen de Aandeelhouders aan het Bod te aanvaarden en hun Aandelen onder het Bod aan te bieden, en (iii) bevelen zij de Aandeelhouders aan voor de Resoluties te stemmen (de **Aanbeveling**).

Het Kiadis Bestuur mag alleen overgaan tot een Nadelige Verandering van de Aanbeveling in de omstandigheden uiteengezet in Hoofdstukken 6.20 (*Exclusivity and Alternative Proposal*) tot 6.25 (*Consecutive (Potential) Superior Offers*).

Meer informatie is opgenomen in de Standpuntbepaling.

12.16 De gevolgen van het Bod voor Aandeelhouders die hun Aandelen niet aanbieden

De Bieder beoogt om uiteindelijk 100% van de Aandelen of alle activa en activiteiten van Kiadis (inclusief de volledige onderneming van de Kiadis Groep) te verwerven en de bereidheid van Bieder om de Biedprijs te betalen is gebaseerd op een dergelijke verkrijging. Daartoe kan de Bieder, na de Overdracht, ervoor kiezen om bepaalde herstructureringsmaatregelen te (laten) implementeren, waaronder een Uitkoopprocedure, de Verkoop na Overdracht en/of meer Overige Maatregelen na Overdracht (zoals nader beschreven in Hoofdstuk 6.11 (*Consequences of the Offer for non-tendering Shareholders*)) en dit Hoofdstuk 12.16 (*De gevolgen van het Bod voor aandeelhouders die hun Aandelen niet aanbieden*). De Bieder behoudt zich het recht voor om van iedere juridisch toegestane methode gebruik te maken om alle Aandelen (of de volledige eigendom van de onderneming van de Kiadis Groep) te verwerven en/of de juridische, financiële, en fiscale structuur van de Kiadis Groep te optimaliseren. Verwezen wordt naar Hoofdstuk 6.11 (*Consequences of the Offer for non-tendering Shareholders*).

12.17 Liquiditeit

De aankoop van Aandelen door de Bieder in het kader van het Bod zal het aantal Aandeelhouders en het aantal Aandelen dat anders publiekelijk zou kunnen worden verhandeld, verminderen. Hierdoor kan na de Overdracht de omvang van de *free float* van de Aandelen aanzienlijk zijn verminderd en kunnen de handelsvolumes en de liquiditeit van de Aandelen negatief worden beïnvloed. De Bieder heeft niet de intentie de Aandeelhouders voor dergelijke nadelige gevolgen te compenseren.

12.18 Beëindiging beursnotering

Indien het Bod gestand wordt gedaan, zullen de Bieder en Kiadis de notering van de Aandelen aan Euronext Amsterdam en Euronext Brussel zo snel mogelijk beëindigen in overeenstemming met de Toepasselijke Regelgeving. Dit kan de liquiditeit en marktwaarde van de Aandelen verder negatief beïnvloeden.

Beëindiging van de notering van de Aandelen aan Euronext Amsterdam en Euronext Brussel kan geschieden indien de Bieder tenminste 95% van de Aandelen heeft verkregen of op basis van Herstructurering na de Aanbieding of de Overige Maatregelen na Overdracht. In het geval dat Kiadis niet langer beursgenoteerd zal zijn, zullen de bepalingen ten aanzien van de governance van beursgenoteerde ondernemingen niet meer van toepassing zijn en worden de rechten van resterende minderheidsaandeelhouders mogelijk beperkt tot het wettelijk minimum.

12.19 Uitkoopprocedure

Indien na de Dag van Overdracht en, indien van toepassing, de afwikkeling van de aangeboden Aandelen gedurende de Na-Aanmeldingstermijn, de Bieder Groep, alleen of samen met Kiadis, ten minste 95% (vijfennegentig procent) van het geplaatste gewone aandelenkapitaal van Kiadis houden, zal de Bieder (i) een wettelijke uitkoopprocedure in gang zetten overeenkomstig artikel 2:92a of 2:201a BW om de houders van Aandelen die hun Aandelen niet hebben aangemeld uit te kopen, en/of (ii) een uitkoopprocedure in overeenstemming met artikel 2:359c BW om de houders van Aandelen die hun Aandelen niet in het kader van het Bod hebben aangemeld uit te kopen (de **Uitkoopprocedure**), tenzij de Bieder ervoor kiest om de Herstructurering na de Aanbieding en de Kiadis Besturen, rekening houdend met de belangen van Kiadis en haar stakeholders (inclusief eventuele overige aandeelhouders) en andere relevante omstandigheden, er mee instemmen om de Herstructurering na de Aanbieding uit te voeren, in welk geval de Herstructurering na de Aanbieding zal worden uitgevoerd conform Hoofdstuk 12.20 (*De Herstructurering na de Aanbieding*). Kiadis zal de Bieder alle bijstand verlenen die redelijkerwijs nodig is in verband met de Uitkoopprocedure, met inbegrip van, indien nodig, het deelnemen aan een dergelijke procedure als mede-eiser.

12.20 De Herstructurering na de Aanbieding

Onder voorbehoud van (i) de goedkeuring van de Besluiten na de Aanbieding, (ii) dat de Aangeboden Aandelen ten minste 80% (tachtig procent) en minder dan 95% (vijfennegentig procent) van het totale geplaatste en uitstaande gewone aandelenkapitaal van Kiadis vertegenwoordigen, in elk geval op basis van Volledige Verwatering (de **Herstructureringsdrempel**), of een lager percentage als overeengekomen tussen de Bieder en Kiadis in overeenstemming met de overwegingen die hieronder worden uiteengezet, en (iii) het Bod gestand is gedaan, kan de Bieder, na overleg met Kiadis, besluiten om de Herstructurering na de Aanbieding voort te zetten, in welk geval Kiadis:

- (a) zo spoedig mogelijk na het besluit van de Bieder om de verkoop van activa na het Bod voort te zetten, een overeenkomst voor de verkoop van activa zal aangaan met de Bieder (de **Activa Koopovereenkomst**), op grond waarvan alle activa en passiva van Kiadis zullen worden verkocht en overgedragen aan de Bieder (of de door hem voorgedragen persoon die in overeenstemming met de Fusieovereenkomst inzake de verkoop van activa is voorgedragen), en de partijen zullen de verkoop van activa zoals bedoeld in de overeenkomst inzake de verkoop van activa (de **Verkoop van Activa**) onmiddellijk ten uitvoer leggen en de stappen nemen (of laten nemen) om de acties en transacties die in de overeenkomst inzake de Verkoop van Activa zijn uiteengezet, te voltooien; en
- (b) na de voltooiing van de Verkoop van Activa, de ontbinding en vereffening van de Vennootschap (de **Ontbinding van de Vennootschap** en, samen met de Verkoop van Activa, de **Herstructurering na de Aanbieding**) uitvoeren en een voorafgaande vereffeningssuitkering per Aandeel doen die bedoeld is om te gebeuren op of over de datum waarop de Verkoop van Activa is voltooid en voor een bedrag dat zo volledig mogelijk gelijk is aan de Aanbodprijs, zonder enige rente en verminderd met de toepasselijke roerende voorheffing en andere belastingen (de **Verkoopprijs van Activa per Aandeel**).

Indien de Aanbieder na de Aanvaardingsperiode na het sluiten van de Aanmeldingsperiode minder Aandelen houdt dan de Herstructureringsdrempel, is geen van de Partijen verplicht om samen te

werken met de Herstructurering na de Aanbieding, maar heeft elk van de Partijen het recht om de betreffende de Herstructurering na de Aanbieding opnieuw te evalueren en om aan de andere Partij voor te stellen om toch door te gaan met de Herstructurering na de Aanbieding in het licht van de dan geldende omstandigheden.

Zo spoedig mogelijk na de datum van deze Fusieovereenkomst zal elke partij zich naar beste vermogen inspannen om de uitvoering en effectuering van de Verkoop van Activa voor te bereiden en mogelijke herstructureringen na de afwikkeling te onderzoeken, zoals een combinatie van een wettelijke (driehoeks-)fusie en een verkoop van de aandelen in de overlevende opvolger van de Vennootschap aan de Bieder, waarmee de partijen kunnen instemmen als alternatief voor de overeengekomen Verkoop van Activa.

12.21 Overige Maatregelen na Overdracht

Zonder af te doen hetgeen hierboven in Hoofdstuk 12.19 (*Uitkoopprocedure*) en 12.20 (*De Herstructurering na de Aanbieding*) is bepaald, is de bieder na Gestanddoening van het Bod bevoegd om een herstructurering van de Kiadis Groep te (laten) effectueren om 100% van de Aandelen te verkrijgen en de mogelijkheid te hebben om Kiadis te delisten in overeenstemming met Toepasselijke Regelgeving (**Overige Maatregelen na Overdracht**). Sommige Overige Maatregelen na Overdracht kunnen het (neven-)effect hebben van verwatering van de overgebleven minderheidsaandeelhouders van Kiadis. Verwezen wordt naar Hoofdstuk 6.11 (*Consequences of the Offer for non-tendering Shareholders*).

12.22 Aankondigingen

Iedere verdere aankondiging met betrekking tot het Bod, waaronder begrepen met betrekking tot het gestand doen van het Bod en aankondigingen met betrekking tot het verlengen van de Aanmeldingstermijn, zal worden gedaan door middel van een persbericht. Ieder persbericht dat wordt uitgebracht door de Bieder zal beschikbaar worden gesteld op de website van de Bieder (www.sanofi.com). Ieder persbericht dat wordt uitgebracht door Kiadis zal beschikbaar worden gesteld op de website van Kiadis (www.kiadis.com).

Met inachtneming van de toepasselijke vereisten op grond van de Toepasselijke Regelgeving en zonder afbreuk te doen aan de manier waarop de Bieder een openbare mededeling wenst te doen, zal op de Bieder geen enkele verplichting rusten om een openbare mededeling te doen anders dan zoals uiteengezet in dit Biedingsbericht.

12.23 Governance van de Bieder en Kiadis

Het bestuur van de Bieder wordt gevormd door mevrouw A.R. Perré en de heer P.W. Oldenziel. De Bieder heeft geen raad van commissarissen.

De bestuurder van Kiadis is de heer Arthur Lahr (CEO). De raad van commissarissen van Kiadis bestaat uit Mark Wegter (Voorzitter), Berndt Modig, Martijn Kleijwegt, Robert Soiffer, Otto Schwarz en Subhanu Saxena.

13. FINANCIAL INFORMATION KIADIS

13.1 Selected consolidated financial information Kiadis

The selected consolidated financial information has been derived from the 2017, 2018 and 2019 financial statements. Reading the selected consolidated financial information is not a substitute for reading the audited financial statements of Kiadis which are included in Section 13.7 (*Financial statements for the financial year 2019 including independent auditor's report of KPMG*).

13.2 Basis for preparation

The selected consolidated financial information of Kiadis is that of Kiadis and its consolidated subsidiaries. The selected consolidated financial information of Kiadis included in Section 13.3 (*Comparative overview of consolidated statements of financial position for the financial years 2019, 2018 and 2017*) to Section 13.5 (*Comparative overview of the consolidated statements of cash flows relating to the financial years 2019, 2018 and 2017*)] comprises of summaries of the consolidated statements of financial position, the consolidated statements of comprehensive income and the consolidated statements of cash flows for the financial years ended 31 December 2019, 2018 and 2017. This selected consolidated financial information has been derived from:

- (a) the consolidated financial statements for the financial year ended 31 December 2019 as audited by KPMG, which issued an independent auditor's report thereon, without qualification, on 30 April 2020;
- (b) the consolidated financial statements for the financial year ended 31 December 2018 as audited by KPMG, which issued an independent auditor's report thereon, without qualification, on 30 April 2019; and
- (c) the consolidated financial statements for the financial year ended 31 December 2017 as audited by KPMG, which issued an independent auditor's report thereon, without qualification, on 13 April 2018.

Although the opinions of the independent auditor KPMG are not modified in relation to this matter, it is noted that the 2019 audit opinion issued on 30 April 2020 and the 2018 audit opinion issued on 30 April 2019 contain a paragraph emphasizing that at the date of the opinions Kiadis had insufficient cash and cash equivalents to meet its working capital requirements through the next 12 months.

The financial statements from which the selected consolidated financial information has been derived were prepared in accordance with IFRS, and Part 9 of Book 2 DCC. Reference is made to note 2 to the consolidated financial statements for the financial year ended 31 December 2019 (included on page 55 of the annual report for the financial year 2019) for a summary of the significant accounting policies of Kiadis applicable to the financial year ended 31 December 2019.

The selected consolidated financial information set out in Section 13.3 (*Comparative overview of consolidated statements of financial position for the financial years 2019, 2018 and 2017*) to Section 13.5 (*Comparative overview of the consolidated statements of cash flows relating to the financial years 2019, 2018 and 2017*) contains summaries only of the consolidated statements of financial position, the consolidated statements of comprehensive income and the consolidated statements of

cash flows, excluding related note disclosures and a description of significant accounting policies. 13.6 Independent auditor's report of KPMG on the selected consolidated financial information of Kiadis

Report of the independent auditor

To: the Management Board of Kiadis Pharma N.V.

Our opinion

The selected consolidated financial information of Kiadis Pharma N.V. for the years ended December 31, 2017, 2018 and 2019 (hereafter 'the summary financial statements') have been derived from the audited financial statements of Kiadis Pharma N.V. for the years ended December 31, 2017, 2018 and 2019 included in the annual reports.

In our opinion the accompanying summary financial statements are consistent, in all material respects, with those financial statements, on the basis described in the basis for preparation as described in Section 13.2 of this Offer Memorandum.

The summary financial statements comprise:

- 1 the comparative overview of consolidated statements of financial position for the financial years 2017, 2018 and 2019;
- 2 the comparative overview of consolidated statements of comprehensive income for the financial years 2017, 2018 and 2019;
- 3 the comparative overview of consolidated statements of cash flows for the financial years 2017, 2018 and 2019.

The summary financial statements do not contain all the disclosures required by International Financial Reporting Standards as adopted by the European Union (EU-IFRS) and by Part 9 of Book 2 of the Dutch Civil Code. Reading the summary financial statements, therefore, is not a substitute for reading the audited financial statements of Kiadis Pharma N.V. and our report thereon.

The summary financial statements and the audited financial statements do not reflect the effects of events that occurred subsequent to the date of our report on those financial statements of April 13, 2018, April 30, 2019 and April 30, 2020 respectively.

The audited financial statements and our report thereon

We expressed an unmodified audit opinion on the audited financial statements of Kiadis Pharma N.V. for the years ended December 31, 2017, 2018 and 2019 in our reports dated April 13, 2018, April 30, 2019 and April 30, 2020 respectively. The 2019 audit opinion issued on April 30, 2020 and the 2018 audit opinion issued on April 30, 2019 contain a paragraph on material uncertainty related to going concern emphasizing that at the date of the opinions Kiadis had insufficient cash and cash equivalents to meet its working capital requirements through the next 12 months.

Our auditor's report also includes communication of materiality, scope of the group audit and key audit matters.

Responsibilities of the Management Board and the Supervisory Board for the summary financial statements

The Management Board is responsible for the preparation of the summary financial statements on the basis as described in Section 13.2 of this Offer Memorandum.

The Supervisory Board is responsible for overseeing the company's financial reporting process.

Our responsibilities for the audit of the summary financial statements

Our responsibility is to express an opinion on whether the summary financial statements are consistent, in all material respect, with the audited financial statements based on our procedures, which we conducted in accordance with Dutch law, including the Dutch Standard 810 'Opdrachten om te rapporteren betreffende samengevatte financiële overzichten' (Engagements to report on summary financial statements).

Going concern assessment

The unaudited special purpose condensed consolidated interim financial statements have been prepared on a going concern basis. Based on the existing operating plan, anticipated working capital requirements of the Group through the 12 months following the date of these financial statements require additional funds which indicates the existence of a material uncertainty and which may cast significant doubt about the Company’s ability to continue as a going concern.

Kiadis announced the intended acquisition by Sanofi on November 2, 2020. On January 13, 2021, Sanofi and the Company have entered into a credit facility (‘Bridge Loan’). The total principal amount agreed upon in the Bridge Loan amounts to a total EUR 27.7 million of which EUR 7.7 million for final payments under the existing debt facility with Kreos and of the secured convertible bonds with Kreos.

If the intended acquisition by Sanofi is successful, funding for the Company for the period after the intended acquisition has to be arranged by Sanofi. If the intended acquisition by Sanofi would not be successful, the Company will need additional sources of financing, which could include equity financing, non-dilutive financing or strategic transactions

starting in the third quarter of 2021. The Bridge Loan shall be immediately cancelled and all outstanding advances, interest and other amounts will become immediately due and payable in case of a change of control at Kiadis (not being Sanofi) or if the merger Agreement signed by both parties on November 1, 2020 is terminated following a material breach of the Merger Agreement by the Company or terminated following a superior offer for the Kiadis Shares.

On October 1, 2020 the Company announced the placement of €5 million of secured convertible bonds to Kreos Capital V (UK) Limited ("Kreos") in consideration for Kreos waiving the equivalent amount of €5 million in cash repayments under the Kreos debt facilities that the Company entered into with Kreos in 2017 and 2018. As a result of the placement of the bonds, the outstanding amount under the Kreos debt facilities has decreased to €1.6 million.

Management believes that sufficient additional funds can be raised to meet its financial obligations in the 12 months following these financial statements, also in case the intended acquisition is not successful and is therefore of the opinion that application of the going concern assumption is justified.

In the event the Company is not able to generate sufficient funds, it may be unable to continue as a going concern, its business, financial condition and/or results of operations could be materially and adversely affected and it may ultimately go into insolvency.

Impact Corona virus

The Company is monitoring the situation regarding the coronavirus and evaluating the potential interruption of the clinical trial activities, regulatory reviews and the supply chain production and deliveries, and will try to mitigate via alternative plans where necessary. The coronavirus may impact the continuity of the Company. The exact future financial impact for the Company remains difficult to estimate.

3. Significant accounting policies

The accounting policies are consistent with those of the financial statements for the year ended December 31, 2019.

New standards, interpretations and amendments adopted by the Group

The accounting policies adopted in the preparation of the unaudited special purpose condensed consolidated interim financial statements are consistent with those followed in the preparation of the Group's annual consolidated financial statements for the year ended December 31, 2019, except for the adoption of new standards effective as of January 1, 2020. The Group has not early adopted any standard, interpretation or amendment that has been issued but is not yet effective.

Several amendments and interpretations apply for the first time in 2020, but do not have an impact on the unaudited special purpose condensed consolidated interim financial statements of the Group.

The following new or amended standards have no significant impact on Kiadis' unaudited special purpose condensed consolidated interim financial statements:

- Amendments to References to Conceptual Framework in IFRS Standards.

NOTES TO THE UNAUDITED SPECIAL PURPOSE CONDENSED CONSOLIDATED INTERIM FINANCIAL STATEMENTS

For the six months ended June 30, 2020

- Definition of a Business (Amendments to IFRS 3).
- Definition of Material (Amendments to IAS 1 and IAS 8).
- Interest Rate Benchmark Reform (Amendments to IFRS 7, IFRS 9, and IAS 39).

In 2020, the Company received a subsidy from the Dutch Government which supports the Company's research efforts in defined research and development projects. These subsidies generally provide for reimbursement of approved costs incurred as defined in various grants. Subsidies are recognized if the Company can demonstrate it has complied with all attached conditions and it is probable that the grant amount will be received. The Company includes income from grants under other income in the statement of comprehensive income.

The functional currency of the US subsidiaries, including CytoSen Therapeutics Inc ("CytoSen"), is the US dollar.

Significant accounting estimates and judgments

The preparation of financial statements requires judgments and estimates that affect the reported amounts of assets and liabilities, revenues and expenses, and related disclosure of contingent assets and liabilities at the date of the unaudited special purpose condensed consolidated interim financial statements. The resulting accounting estimates will, by definition, seldom equal the actual results. See also note 15 Derivatives for estimates and judgements related to warrants issued in 2020 and note 3 of the consolidated financial statements on pages 65 to 67 of the Annual Report 2019.

4. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision-makers. The chief operating decision-makers, who are responsible for allocating resources and assessing performance of the operating segments, have been identified as the Management Board. The Group operates in one reportable segment.

11. Shareholders' equity

Shares issued and share capital

On June 30, 2020, the Company's authorized share capital pursuant to the Articles of Association amounts to EUR20,000,000 and is divided into 100,000,000 ordinary shares and 100,000,000 preference shares, each with a nominal value of EUR0.10. Kiadis' Articles of Association also state that as soon as the Company files with the Trade Register of the Dutch Chamber of Commerce that the issued capital amounts to at least EUR10,000,000, the authorized share capital as set out in the Articles of Association shall be amended and shall amount to EUR50,000,000 and be divided into 250,000,000 ordinary shares and 250,000,000 preference shares, each with a nominal value of EUR0.10.

On June 25, 2020 a General Meeting was held at which it was resolved to authorize the Management Board, subject to the approval of the Supervisory Board, to issue shares and to grant rights to subscribe for shares for a period of 5 years from the date of the General Meeting (i.e. up to and including June 25, 2025), up to the authorized share capital included in the Articles of Association from time to time, and to exclude pre-emptive rights in relation thereto.

Many Dutch listed companies have anti-takeover protection in the form of a call option, which is not limited in time and that is granted to an independent foundation, the statutory goal of which is to protect the listed company's interests by, amongst others, protecting the company from influences that may threaten its continuity, independence and identity. Such a call option typically entitles the foundation to acquire a number of preference shares in the company, which have the same voting rights as ordinary shares, not exceeding the total issued number of ordinary shares, and on which upon exercise of the call option, 25% of the nominal value of such preference shares needs to be paid by the foundation. As per this structure, in the event of any circumstances where the company in question is subject to influences as described above, the board of the foundation may decide to exercise the call option, with a view to enable the company to determine its position in relation to the circumstances as referred to above and seek alternatives, and without the company's ordinary shareholders having any pre-emptive rights.

The Company currently does not have anti-takeover protections as described above. However, the Management Board and the Supervisory Board are enabled to implement such anti-takeover protections (without further shareholder approval being required and without shareholders having any pre-emptive rights) if and when they deem this appropriate. The authorization to issue shares or grant rights to subscribe for shares that was granted to them on June 25, 2020 by the General Meeting enables the Management

Board and the Supervisory Board to grant a call option that is not limited in time to subscribe for preference shares to an independent foundation to be established, and which can be exercised in whole or in part, up to the authorized share capital of preference shares as per the articles of association at the time of exercise and at multiple times and occasions (including after the issuance and subsequent cancellation of preference shares) and which can also be made conditional upon the preceding cancellation of preference shares that have been issued following the exercise of an option or otherwise. Preference shares issued to an independent foundation may be paid-up at the expense of the Company's reserves.

As at June 30, 2020, a total number of 40,041,489 ordinary shares were outstanding. Each share holds the right to one vote.

Secured Loan from Kreos Capital V (UK) Ltd ("Kreos Capital Facility Agreements")

In August 2017, the Company entered into a debt financing agreement with Kreos for a total amount of EUR15.0 million ("Facility 1"), consisting of two tranches of EUR5.0 and EUR10.0 million respectively. The loan bears a contractual interest rate of 10.0% per annum. The change in the carrying amount reflects interest accrued during the period of EUR591 thousand, interest payments of EUR361 thousand and loan repayments of EUR2,519 thousand. The first tranche will be repaid in 36 equal instalments until May 2021. The second tranche will be repaid in 36 equal monthly instalments until October 2021.

In July 2018, the Company entered into a second debt financing agreement with Kreos for a total amount of EUR 20.0 million ("Facility 2"), consisting of two tranches of EUR5.0 and EUR15.0 million respectively. The first tranche was drawn down immediately. As at December 31, 2019 the second tranche of Facility 2 can no longer be drawn by the Company. The loan bears a contractual interest rate of 9.0% per annum. The change in the carrying amount reflects interest accrued during the period of EUR258 thousand interest payments of EUR164 thousand on the first tranche and a loan repayment of EUR783 thousand. This first tranche of Facility 2 will be repaid in 36 equal installments until April 2022. Kiadis issued 41,212 warrants to Kreos in relation to facility 2 (refer to note 11 Shareholders' equity).

The loan is secured by a lien on all Group assets, including the Company's intellectual property. The Kreos Capital Facility Agreements contain various affirmative and negative covenants and events of default. Further, as long as any of the loans under the Kreos Capital Facility Agreements remain outstanding, the Company is not entitled to make any dividend payment or other distributions to its shareholders without the prior written consent of Kreos, which may not be unreasonably withheld or delayed. Additionally, none of the Groups' subsidiaries may issue any shares (other than to Group affiliates) without the prior written consent of Kreos.

NOTES TO THE UNAUDITED SPECIAL PURPOSE CONDENSED CONSOLIDATED INTERIM FINANCIAL STATEMENTS

For the six months ended June 30, 2020

The loans provided under the Kreos Capital Facility Agreements shall become immediately due and payable in the event that a person or group of persons acting in concert gains direct or indirect control over the Company by (i) obtaining the power to (a) to cast or control the casting of more than half the votes that can be cast at a General Meeting, (b) appoint or remove all or the majority of the directors or (c) give binding directions with respect to the operating and financial policies or (ii) beneficially holding more than 50% of the issued share capital.

In the event that the Company breaches any of its covenants or an event of default becomes applicable, Kreos may require the Company to immediately prepay all loans. Events of default include non-payment, non-compliance, misrepresentation, cessation of business, cross-default, insolvency events, creditors' process, enforcement of security, illegality, material adverse change – including any event or circumstance which in Kreos' reasonable opinion has a material adverse effect on the ability to perform or otherwise comply with the payment obligations under the agreements or on the business, operations, property or financial condition - and de-listing. As management cannot exclude the risk of an event of default (e.g. the Company does not succeed in being properly funded, because of coronavirus related issues, if the discontinuation of ATIR101 is held to qualify as such, or otherwise) with early repayment of the loans as a result, management has classified the entire Kreos loan as a short term liability.

Loan from Hospira Inc.

In December 2011, the Company entered into an agreement with Hospira Inc. for which an amount of USD24.5 million had been judged as a loan. The loan bears a contractual interest rate of 1.5% per annum and the conditional payment obligations are dependent on the commercial sale of products based on Kiadis' ATIR platform, or linked to granting a sublicense to such products. For this financial liability, the Company had to make significant judgments and estimates previously about future cash flows towards Hospira Inc. Due to the 2019 decision to terminate all ATIR activities, the repayment of the outstanding amount became remote. The Company reduced the outstanding loan balance to zero in 2019.

University of Montreal and Hospital Maisonneuve-Rosemont Letter Agreement

Pursuant to a letter agreement with the University of Montreal and the Hospital Maisonneuve-Rosemont that the Company entered into on September 19, 2012 the Company agreed to pay the University of Montreal an amount of USD750,000, subject to a low-single digit percentage interest amount per annum (effective as of January 1, 2011), which is recorded as a loan on the balance sheet and that amounted to EURO.9 million as at June 30, 2020 including accrued interest. Repayment is contractually contingent upon a change of control, net sales of licensed ATIR products or partly (50%) upon granting a sublicense to any of the licensed ATIR products. Repayment in relation to ATIR events became remote due to the cancellation of the ATIR platform. However, full repayment of the loan and the interest applicable remains due upon undergoing a change of control.

The changes in loans and borrowings in the first six months of 2020 can be summarized as follows:

Future lease payments are adjusted annually based on a Consumer Price Index (CPI) as published by CBS, the Dutch Statistics Office causing an increase of the lease liability of EUR115 thousand in 2020 (2019 EUR175 thousand).

Balance end of period	4,600	-

On April 30, 2020, the Company raised EUR17 million in gross proceeds through the two private placements (refer to note 11 Shareholders' equity). Pursuant to the first EUR12.0 million private placement, 3,745,318 5-year warrants (the "2025- I Warrants") with an exercise price of EUR2.22 were granted and pursuant to the second EUR5.0 million private placement, 1,493,429 5-year warrants (the "2025- II Warrants") with an exercise price of EUR2.32 were granted (jointly the '2025 Warrants').

If the Company subdivides its ordinary shares into a greater number of shares, the number of ordinary shares purchasable upon the exercise of the 2025 Warrants shall be proportionately increased and the exercise price shall be proportionately decreased. If the ordinary shares are combined or consolidated into a lesser number of shares, the exercise price shall be proportionately increased and the number of ordinary shares purchasable upon the exercise of the 2025 Warrants shall be proportionately decreased. In the event that the Company would make a dividend payment or other distribution on its ordinary shares, the exercise price of the 2025-I Warrants is lowered with an equal amount. Upon any event whereby all of the ordinary shares are reclassified, exchanged, combined, substituted, or replaced for, into, with or by the securities of a different class and/or kind, then from and after the consummation of such event, the 2025 Warrants will be exercisable for the number, class and kind of Company securities that the holder of a 2025 Warrant would have received had the ordinary shares purchasable upon the exercise of the 2025 Warrant been outstanding on and as of the consummation of such event. This

adjustment shall similarly apply to successive reclassifications, exchanges, combinations, substitutions, replacements or other similar events.

In the event of a change of control, the Company shall purchase the 2025 Warrants from their holders by paying such holders a cash amount equal to the Black Scholes value of the remaining unexercised portion of the 2025 Warrants, provided, however, that if the greater of (i) the highest weighted average price of the Company ordinary shares during the ten trading day period ending on the trading day immediately following the public announcement of such change of control, and (ii) the sum of the price per share being offered in cash, if any, plus the value of any non-cash consideration, if any, being offered in the change of control (the "Change of Control Price") is less than fifty percent of then applicable exercise price of the 2025 Warrants, the Black Scholes value of the remaining unexercised portion of the 2025 Warrants shall instead be paid by delivery of a number of ordinary shares obtained by dividing the Black Scholes value of the remaining unexercised portion of the 2025 Warrants, by the applicable Change of Control Price.

The 2025 Warrants are classified as a type 3 financial instrument. The Company has calculated the fair value of the 2025 Warrants using a Black-Scholes pricing model. The Black-Scholes pricing model requires the use of highly subjective assumptions to estimate the fair value of share-based awards. These assumptions include the following estimates:

Volatility: the Company calculates the estimated volatility rate based on the volatilities of ordinary shares of comparable companies in its industry in line with the probability of the volatility used for calculating share-based payment expense.

Change of control: the estimated probability of a change of control and the time this might occur. In case of a change of control, the volatility is set at the contractual maximum for the remainder of the contractual term.

Contractual term: the expected life of the warrants, which is based on the contractual term of the warrants.

Expected dividend yield: the Company has never declared or paid any cash dividends and does not currently plan to pay cash dividends in the foreseeable future. Consequently, the Company used an expected dividend yield of zero.

Risk-free rate: the risk-free interest rate is based on the Euro Treasury rate for similar periods as those of expected volatility.

The following summarizes certain key assumptions used in estimating the fair values.

	June 30, 2020	April 30, 2020
Average volatility*	87,5%	87,5%
Contractual term (years)	4,83	5
Expected dividend yield	—%	—%
Risk-free rate	0.5%	0.4%

* based on probability of change of control.

As of April 30, 2020 and June 30, 2020, the fair value of the 2025 Warrants was estimated at EUR 6.5 million and EUR 4.6 million, respectively. The EUR 1.9 million decrease in the fair value of the liability for the 2025 Warrants during the two months period ended June 30, 2020 was recorded as other financial income.

NOTES TO THE UNAUDITED SPECIAL PURPOSE CONDENSED CONSOLIDATED INTERIM FINANCIAL STATEMENTS

For the six months ended June 30, 2020

The key Level 3 inputs used by management to estimate the fair value are the share price, the expected volatility and the probability of a change of control. If the share price were to increase by EUR1, this would increase the estimated fair value of the obligation by approximately EUR 4.3 million as at June 30, 2020. If the share price were to decrease by EUR1, this would decrease the estimated fair value of the obligation by approximately EUR 3.6 million. If the volatility were to increase or decrease by 2.5%, this would increase or respectively decrease the estimated fair value of the obligation by approximately EUR 0.1 million and EUR 0.1 million. In case the estimated probability on a change of control would increase or decrease by 5% the fair value of the obligation would respectively increase or decrease by approximately EUR 0.1 million and EUR 0.1 million as at June 30, 2020 in case all assumptions remain the same.

The Group has no further derivative financial instruments embedded in contracts.

The Group recognizes a contingent consideration related to the 2019 acquisition of CytoSen. Previous CytoSen's shareholders and former CytoSen's option holders received potential future consideration of Kiadis shares upon the achievement of six clinical development and regulatory milestones. The fair value of the contingent acquisition consideration is determined using the assumed probability rates of success (PoS) of the different milestones and the closing price as of each reporting date (refer to note 4 Business Combinations of the 2019 Consolidated financial statements). The change in fair value fully due to the change in the Kiadis share price is recorded as other net finance income (expenses).

As of June 30, 2020 the contingent consideration would increase by EUR5.3 million to EUR8.6 million considering full achievement of all milestones based on the share price of June 30, 2020. If the share price were to increase with EUR1, the total contingent consideration would increase to EUR5.5 million. If the share price were to decrease with EUR1, the contingent consideration would decrease to EUR1.0 million.

On April 1, 2020, subject to further conditions including renewed vesting, certain options previously granted to active eligible employees not being members of the Management Board were cancelled with new options granted as per that same date at the following exchange ratio: 1 new option for every option granted in 2017, for every 2 options granted in 2018 and for every 3 options granted in 2019. Options previously granted to active Management Board members have a similar conversion ratio, effectuated by amending all of the options granted in 2017, half of the options granted in 2018 and a third of the options granted in 2019, with all other options cancelled. These options as amended are also subject to an exercise price set as per April 1, 2020 and renewed vesting conditions, vesting between 1 and 3 years.

The incremental fair value of these options granted is the difference between (i) the fair value of the replacement options and (ii) the fair value of the cancelled options (i.e. based on original terms and conditions), both fair values determined at the date the replacement equity instruments are granted. The weighted average incremental value of the granted new options is EUR 0.43. The incremental fair value granted is recognized over the period from the replacement date until the date when the replacement options vest.

In the first six months of 2020 an aggregate number of 7,430,584 share options (including replacement options) were granted with a weighted average exercise price of EUR1.40.

For calculating the fair value of the share based options granted in 2020 and 2019, the Hull and White option valuation model is applied. The parameters used in the model were:

(c) Contingencies

Nationwide Children's Hospital (NCH) License Agreement

In relation to the intellectual property underlying the NK-platform, the Company obtained an exclusive worldwide license to certain NCH inventions, and in addition obtained the right to exclusively license related intellectual property developed by Dr. Dean Lee at NCH. The Company is obliged to pay NCH milestone payments that are tied to specific milestones and a royalty of a low single digit percentage of net sales of licensed products sold by the Company or by any of its sublicensees, including affiliates to whom the Company grants sublicenses. In addition, the Company must pay NCH a percentage of any non-royalty sublicense consideration payments the Company receives in connection with sublicenses the Company grants, the percentage ranging from medium single digit to a double-digit depending on the stage of development of licensed products at the time the corresponding sublicense agreement is executed.

University of Central Florida (UCF) License Agreement

In relation to the intellectual property underlying the NK-platform, UCF has granted the Company an exclusive worldwide license for certain patents and patent applications and a non-exclusive license for certain information and methods as necessary to exploit, utilize and commercialize such patents and patent applications.

In exchange for the license granted, the Company must pay UCF milestone payments that are tied to specific milestones and a royalty of a low single digit percentage of net sales of licensed products sold by the Company or by any of its sublicensees, including affiliates to whom the Company grants sublicenses. In addition, the Company must pay UCF a double-digit percentage of any non-royalty sublicense consideration payments the Company receives in connection with sublicenses the Company grants. between Kiadis and Kreos, Kreos Capital has the irrevocable right to at any time before the repayment date convert the whole or part of the principal amount of the bonds then outstanding including interest accrued thereon into Shares at a conversion price of EUR 2,- per Share.

On November 2, 2020, Kiadis Pharma N.V. ("Kiadis") and Sanofi jointly announced that they had reached conditional agreement on a recommended all-cash public offer (the "Offer") by Sanofi or one of its wholly owned subsidiaries for Kiadis of EUR 5.45 in cash (cum dividend) for each issued and outstanding ordinary share in the capital of Kiadis representing an aggregate adjusted equity value of EUR308 million. The Offer is subject to certain customary conditions and is expected to complete in the first half of 2021.

The announcement of the Offer and the subsequent completion of the transaction impacts the valuation of the 2025 Warrants and the contingent consideration to former CytoSen shareholders upon the achievement of certain milestones (the "Milestone Shares"). These changes in valuations will result in a non-cash expense to the income statement, and certain relevant liabilities will be converted to equity. The Company is currently assessing the accounting impact. These warrants and the contingent consideration, and the outstanding share options granted under Kiadis' share option and stock appreciation right plan, include change of control clauses, refer to notes 13, 15, 16 and 19. Specifically in relation to the outstanding share options, the completion of the transaction results in accelerated vesting of these options, being a total of 7,848,153 as of January 31, 2021.

In February 2021, Kiadis and Sanofi reached agreement with the 2025 Warrant holders, former CytoSen shareholders and option holders and Kreos in relation to their rights to acquire Shares and their irrevocable commitment to tender all their Shares under the Offer. All irrevocable commitments are subject to Sanofi declaring the offer unconditional and the Merger Agreement not being terminated. Approximately 36.6% Shares outstanding as at settlement of the Offer are now committed under the Offer.

Kiadis, Sanofi and the 2025 Warrant holders, pursuant to two separate agreements, agreed, conditional upon the Offer being declared unconditional and the Merger Agreement not being terminated: (i) to adjust the exercise price, such that the net proceeds to be received by the 2025 Warrant holders is equal to the Black Scholes value of the Warrants which would otherwise be due and payable upon settlement of the Offer; (ii) that the 2025 Warrants will be exercised for an adjusted exercise price of EUR0.38; and (iii) that upon exercise of the 2025 Warrants, the corresponding Shares will be tendered under the Offer in exchange for the Offer Price.

Kiadis, Sanofi and the former CytoSen shareholders and option holders have agreed that, conditional upon the Offer being declared unconditional and the Merger Agreement not being terminated, and subject to the discount mechanism in the agreement made in relation to the Company's acquisition of CytoSen in June 2019: (i) the Milestone Shares shall accelerate and be immediately payable by the Company to the former CytoSen shareholders and option holders against nil consideration; and (ii) upon such acceleration, the Milestone Shares will be tendered under the Offer in exchange for the Offer Price.

NOTES TO THE UNAUDITED SPECIAL PURPOSE CONDENSED CONSOLIDATED INTERIM FINANCIAL STATEMENTS

For the six months ended June 30, 2020

Kiadis and Kreos have agreed that: (i) Kreos will convert into Shares, at an exercise price of EUR 2 per Share, its entire convertible bond of EUR 5.0 million plus an additional amount of EUR 0.2 million interest. In addition, Kiadis, Sanofi and Kreos have agreed, on customary terms and conditions and conditional upon the Offer being declared unconditional and the Merger Agreement not being terminated, that Kreos: (i) will vote with its holdings of Shares in favor of the resolutions at the upcoming extraordinary general meeting of Kiadis; and (ii) commits to tender all its holdings of Shares under the Offer in exchange for payment of the Offer Price.

On January 13, 2021, Kiadis and Sanofi Finance Ireland Limited, a wholly owned subsidiary of Sanofi, entered into a credit facility ("Bridge Loan"). INDEPENDENT AUDITOR'S REVIEW REPORT

Review report

To: the General Meeting and the Supervisory Board of Kiadis Pharma N.V.

Introduction

We have reviewed the accompanying Special Purpose Condensed Interim Consolidated Financial Statements as of and for the six-month periods ended 30 June 2020 of Kiadis Pharma N.V., Amsterdam, which comprises the special purpose condensed consolidated statement of financial position as at 30 June 2020, the special purpose condensed consolidated statements of comprehensive income, changes in equity and cash flows for the six-month period ended 30 June 2020, and the notes, comprising a summary of the significant accounting policies and other explanatory information. The Management Board of the Company is responsible for the preparation and presentation of this Special Purpose Condensed Consolidated Interim Financial Statements in accordance with IAS 34 'Interim Financial Reporting' as adopted by the European Union. Our responsibility is to express a conclusion on this interim financial information based on our review.

Scope

We conducted our review in accordance with Dutch law including standard 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity'. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Dutch Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying Special Purpose Condensed Interim Consolidated Financial Statements as at 30 June 2020 is not prepared, in all material respects, in accordance with IAS 34 'Interim Financial Reporting' as adopted by the European Union.

Emphasis of an uncertainty with respect to the going concern assumption

We draw attention to page 6 of the Special Purpose Condensed Interim Consolidated Financial Statements, which indicate that the Company will require additional funding based on its existing operating plans. These conditions indicate the existence of a material uncertainty which may cast significant doubt about the Company's ability to continue as a going concern. Our conclusion is not qualified in respect of this matter.

Corresponding figures not audited or reviewed

The condensed Interim Consolidated Financial Statements as of and for the six month period ended 30 June 2019 have not been audited nor reviewed. Consequently, the corresponding figures included in the condensed consolidated statements of comprehensive income, changes in equity and cash flows and in the related notes have not been audited nor reviewed.

- 19.5** In the event of a tie at a meeting of the Supervisory Board, the chairperson of that board shall decide. If the Supervisory Board has not appointed a chairperson or if the chairperson does not participate in the decision making, the General Meeting shall decide.
- 19.6** All resolutions of the Supervisory Board, including those adopted without holding a meeting, shall be entered in a minute book.
- 19.7** A supervisory director may not participate in the deliberations and decision making of the Supervisory Board on a matter in relation to which the supervisory director has a direct or indirect personal interest which conflicts with the interests of the Company and of the enterprise connected with it. Where all supervisory directors or the only supervisory director have/has such a conflict of interest, the relevant decision shall be taken by the General Meeting.
- 19.8** Meetings of the Supervisory Board can be held through audio or audiovisual communication facilities, unless a Supervisory Director objects thereto.
- 19.9** Resolutions of the Supervisory Board may, instead of at a meeting, be passed in writing, provided that all supervisory directors are familiar with the resolution to be passed and none of them objects to this decision-making process.
- 19.10** The Supervisory Board may draw up rules concerning its internal matters. Such rules may not be in conflict with the provisions of these articles of association. The supervisory directors may also allocate their duties among themselves, whether by drawing up rules or otherwise. The resolution of the Supervisory Board to establish such rules is subject to the approval of the General Meeting.

GENERAL MEETINGS – CONVOCATION AND AGENDA

Article 20

- 20.1** During each financial year at least one General Meeting must be held or at least one resolution passed in accordance with Article 24.1.
- 20.2** General Meetings shall also be held whenever such a meeting is convened by the Management Board, Supervisory Board, one or more managing directors or supervisory directors, or a shareholder representing more than fifty percent (50%) of the issued and outstanding share capital.
- 20.3** One or more Shareholders who individually or collectively represent at least one percent (1%) of the issued capital may request the Management Board in writing to convene a General Meeting, setting out in detail the matters to be discussed. The Management Board must take the steps necessary to ensure that the General Meeting can be held within four weeks after the request, unless this would conflict with a substantial interest of the Company. In the event that the Management Board fails to convene the meeting in such a manner that it is held within four weeks of receipt of the request, each of the persons who made the request shall have the right to convene the meeting himself in accordance with the relevant provisions of these articles of association. For the purposes of applying Article 20.3, other Persons with Meeting Rights shall be equated with Shareholders.

- 20.4** General Meetings must be held in the place where the Company has its corporate seat as set out in these articles of association. In the event that the General Meeting is held elsewhere, legally valid resolutions may only be passed if all Persons with Meeting Rights have consented to the place of the meeting and the managing directors and supervisory directors have been afforded the opportunity to give their advice prior to the decision-making.
- 20.5** A General Meeting must be convened by letters sent to Persons with Meeting Rights no later than on the eighth day prior to the day of the meeting.
- 20.6** A convening notice may, if the Person with Meeting Rights consents thereto, take the form of a legible and reproducible communication sent by electronic means to the address notified by him to the Company for this purpose.
- 20.7** Any matter whose consideration has been requested in writing by one or more Shareholders who individually or collectively represent at least one percent (1%) of the issued capital shall be included in the convening notice or made known in the same manner, provided that the Company has received the request no later than on the thirtieth day prior to the day of the meeting and that doing so would not conflict with a substantial interest of the Company. For the purposes of applying Article 20.7, other Persons with Meeting Rights shall be equated with Shareholders.
- 20.8** Where the rules laid down by law or by these articles of association in relation to the place where meetings should be held, the convening of meetings or the drawing up of agendas and the availability for inspection of the list of matters to be discussed, have not been complied with, legally valid resolutions may still be passed provided that all Persons with Meeting Rights have consented to the place of the meeting or to a decision being made on the relevant matters, respectively, and provided that the managing directors and supervisory directors have been afforded the opportunity to give their advice prior to the decision-making.

GENERAL MEETING - PROCEDURAL RULES

Article 21

- 21.1** The General Meeting shall be chaired by the chairperson of the Supervisory Board or, where the Supervisory Board has not appointed a chairperson or where the chairperson is not present, by the supervisory director present at the meeting who is the oldest in age. Where no supervisory director is present at the meeting, the meeting shall be chaired by the chairperson of the Management Board or, where the Management Board has not appointed a chairperson or where the chairperson is not present, by the managing director present at the meeting who is the oldest in age. Where no managing director is present at the meeting, the General Meeting shall appoint its own chairperson.
- 21.2** The chairperson shall appoint one of the persons present as secretary to minute the meeting. The chairperson and the secretary shall adopt the minutes and, in evidence thereof, sign them. The minutes shall be entered into a minute book. Where an official report of the meeting is drawn up by a civil law notary, no minutes need be taken and signing of the report by that notary shall suffice.
- 21.3** Every managing director and the chairperson of the meeting may instruct a civil law notary to draw up a notarial report of the matters dealt with at the meeting at the Company's expense.
- 21.4** Every Person with Meeting Rights may be represented at the General Meeting by a person holding a written proxy which is determined to be acceptable by the chairperson of the meeting, at the latter's sole discretion.

- 21.5** Managing directors and supervisory directors shall, in that capacity, have an advisory vote at General Meetings.
- 21.6** The Management Board may decide that each Person with Meeting Rights is entitled, whether in person or represented by a person holding a written proxy, to participate in, address and (where applicable) exercise its voting rights at the General Meeting by electronic means of communication. For the purposes of applying the preceding sentence it must be possible, by electronic means of communication, for the Person with Meeting Rights to be identified, observe in real time the proceedings at the meeting and (where applicable) exercise its voting rights.
- 21.7** The Management Board may impose conditions on the use of electronic means of communication. Such conditions must be announced in the convening notice.
- 21.8** The chairperson of the meeting shall decide whether persons other than Persons with Meeting Rights may be admitted to the General Meeting.

- 22.2** The Management Board may decide that votes cast before the General Meeting, but not earlier than on the thirtieth day before that of the meeting, by electronic means of communication shall be equated with those cast at the time of the meeting.
- 22.3** No vote may be cast at a General Meeting in respect of a share belonging to the Company or a Subsidiary thereof or in respect of a share for which either of them holds depositary receipts. Holders of a usufruct or pledge in respect of shares belonging to the Company or a Subsidiary thereof are not, however, precluded from exercising their right to vote if the usufruct or pledge was created before the relevant share belonged to the Company or Subsidiary. Neither the Company nor a Subsidiary thereof may cast a vote on shares in respect of which it holds a usufruct or a pledge.
- 22.4** Unless a greater majority is required by law or under these articles of association, all resolutions shall be passed by a Simple Majority. Invalid and blank votes shall not be counted as votes cast.
- 22.5** The determination made by the chairperson at the General Meeting with regard to the results of a vote shall be decisive. The same shall apply to the contents of a resolution passed, where there has been a vote about a proposal which has not been put in writing. However, where the accuracy of the chairperson's determination is contested immediately after it has been made, a new vote shall take place if the majority of the General Meeting so requires or, where the original vote did not take place by response to a roll call or in writing, if one person with the right to vote so requires. The legal consequences of the original vote shall become void as a result of the new vote.
- 22.6** The Management Board shall keep a record of the resolutions passed. The record shall be available at the Company's offices for inspection by Persons with Meeting Rights. Each of them shall, upon request, be provided with a copy of or extract from the record, at no more than the cost price.

AUDIT

Article 25

- 25.1** The General Meeting shall have the right – and, if required by law, be under an obligation – to instruct an auditor as referred to in Section 2:393 DCC to audit the annual accounts drawn up by the Management Board, to report to the Management Board and to issue an auditor's opinion on the truth and fairness of the annual accounts.
- 25.2** Where the General Meeting fails to instruct an auditor the Management Board shall do so.
- 25.3** The instruction may be revoked at any time by the General Meeting and the Management Board if the Management Board granted the instruction. The instruction may only be revoked for well-founded reasons; a difference of opinion regarding the reporting or auditing methods shall not constitute such a reason.

FINANCIAL YEAR, ANNUAL ACCOUNTS

Article 26

- 26.1** The financial year of the Company coincides with the calendar year.
- 26.2** Each year, within five months after the end of the Company's financial year, unless this period is extended by a maximum of five months by the General Meeting on account of special circumstances,

the Management Board shall prepare annual accounts and deposit them at the Company's office for inspection by the Shareholders. If the Company is required by law to prepare a management report, the Management Board shall, within the same period, also deposit the management report for inspection by the Shareholders. The annual accounts shall be signed by all managing directors and supervisory directors. If one or more of their signatures is missing, this fact and the reason therefor shall be stated.

- 26.3** The Company shall ensure that the annual accounts, the management report and the information to be added pursuant to Section 2:392(1) DCC are available at its offices from the date of the convening notice for the General Meeting at which they are to be discussed. Persons with Meeting Rights are entitled to inspect such documents at the aforementioned location and obtain a copy at no cost.
- 26.4** The annual accounts shall be adopted by the General Meeting. The signing of the annual accounts as provided for in the first sentence of section 2:210(5) DCC shall not serve as adoption of those accounts.
- 26.5** The Company shall publish the documents and information referred to in Article 26 if and to the extent and in the manner required by Sections 2:394 et seq. DCC.

DISTRIBUTIONS ON SHARES

Article 27

- 27.1** The Management Board may decide to make a distribution, to the extent that the shareholders' equity exceeds the reserves that must be maintained by law and provided that the Management Board must refrain from deciding to make a distribution if it knows or should reasonably foresee that, following the distribution, the Company will be unable to continue paying its due and payable debts.
- 27.2** For the purposes of calculating any distribution, shares held by the Company in its own capital shall not be included.
- 27.3** Unless the Management Board determines otherwise, distributions shall be payable immediately following the resolution of the Management Board to make the relevant distribution.
- 27.4** A Shareholder's claim under Article 27 shall lapse after five years.

Article 28

- 28.1** In the event of the Company being dissolved, the liquidation shall be effected by the Management Board, under the supervision of the Supervisory Board, unless the General Meeting decides otherwise.
- 28.2** The General Meeting shall determine the remuneration of the liquidators.
- 28.3** To the extent possible, these articles of association shall remain in effect during the liquidation.
- 28.4** Any assets remaining after payment of all of the Company's debts shall first be applied to pay back the part of the nominal value that has been paid up on the shares. Any remaining assets shall then be distributed among the Shareholders in proportion to the aggregate nominal value of their shares. No distribution may be made to the Company in respect of shares held by it.
- 28.5** After the liquidation has been completed, the books, records and other information carriers of the Company shall be kept for the period prescribed by law by the person designated for that purpose in the resolution of the General Meeting to dissolve the Company.
