About BTS Group AB

BTS is a global professional services firm headquartered in Stockholm, Sweden. BTS has about 1,100 professionals in 35 offices located on six continents. BTS competes in both talent and HR consulting as well as the traditional consulting markets. BTS's services support a broad range of client challenges including top-to-bottom and on-demand leadership development, talent selection and readiness, strategy creation and strategy implementation, as well as culture and broad-scale change. For 40 years, BTS has been focused on the people-side of change and on powering better performance using proprietary simulation, learning, coaching, and assessment methodologies. We partner with nearly 1,200 organizations, including over 40 of the world's 100 largest global corporations.

BTS is a public company listed on the Nasdaq Stockholm exchange and trades under the symbol BTS B.
