Hexatronic signs a strategic supply agreement with Vocus in Australia

Hexatronic Australia Pty, a wholly owned subsidiary of Hexatronic Group AB, has signed a strategic supply agreement with the communications provider Vocus Pty, to supply fibre optic cables. The fibre cable will be used by Vocus as the company expands its fibre broadband network in Australia. The agreement will initially run for two years and Hexatronic will be a supplier for high count fibre optic cable.

“We are proud and delighted to have become a supplier to Vocus in the expansion of its full fibre network. This partnership with Vocus is an important milestone for Hexatronic in Australia and serves to significantly strengthen our position within the expanding Australian market” says Henrik Larsson Lyon, Chief Executive Officer at Hexatronic Group.
