#### **About Wereldhave**

Wereldhave invests in dominant convenience shopping centres in larger provincial cities in northwest continental Europe. The area surrounding our centres will include at least 100,000 inhabitants within 10 minutes' travel time from the centre.

We focus on shopping centres that strike a balance between convenience and shopping experience. With easy accessibility, products that cover all the daily shopping needs, a successful mix of international and local retail products and strong food anchor stores, our centres provide convenience shopping to accommodate a busy urban lifestyle as well as an ageing population.

We aim for an experience that goes beyond shopping, with restaurants, kids' playgrounds and high quality amenities in order to attract families - and keep them with us for longer visits.
