

## ARYZTA AG

Ad Hoc announcement pursuant to article 53 LR

### H1 Results to be published 7 March

---

Schlieren/Switzerland, 4 March 2022

ARYZTA announces that it will release its Interim results on Monday 7 March, one week earlier than planned.

This change is to allow management to reassure the market in light of recent significant share price volatility. Management believes this volatility has been triggered by market speculation on input cost inflation, particularly wheat. The company reiterates it remains on track to reach its communicated objectives.
