

## Press release

### Acquisition of La Poste Mobile : information on the progress of the operation

**Paris, 29 May 2024 – 7H30** – Following the press release of 22 February 2024 announcing the signature of an exclusivity agreement with La Poste group for the acquisition of the MVNO La Poste Telecom, which is currently jointly owned by La Poste and SFR, Bouygues Telecom states that it has been informed by SFR and La Poste of differences between them regarding the terms and conditions of the transaction, leading La Poste to implement the dispute resolution mechanisms provided for in their agreements.

This could have an impact on the timetable for completion of the transaction.

**About Bouygues Telecom**

Bouygues Telecom is 90.5%-owned by the Bouygues group. As a full-service electronic communications operator, Bouygues Telecom stands out by providing its 28.5 million customers access to the best technology has to offer on a daily basis. The very high quality of its 5G and 4G network, which currently covers 99% of the French population, combined with its fixed and Cloud services, provide its customers with simple solutions, enabling them to fully enjoy their digital lives, both in the home and at work, regardless of their location. Bouygues Telecom's 5G network now covers more than 16,000 municipalities and more than 80% of the population in France. Since 2000, Bouygues Telecom has pursued an environmental policy that aims to reconcile improved access to quality digital services for all with a reduction in its environmental impact. In October 2022, the Science Based Targets initiative (SBTi) endorsed Bouygues Telecom's short-term greenhouse gas reduction targets for the period 2021-2027. #OnEstFaitPourEtreEnsemble [www.corporate.bouyguetelecom.fr](http://www.corporate.bouyguetelecom.fr)
