Press Release

Weekly progress on share repurchase program to cover share plans and reduce capital

Kaiseraugst (Switzerland), Maastricht (Netherlands), November 18, 2025

dsm-firmenich, innovators in nutrition, health, and beauty, announced on February 13, 2025 its intention to repurchase ordinary shares with an aggregate market value of €1 billion and reduce its issued capital, starting with an initial €500 million. On April 1, 2025, the company commenced a program to repurchase ordinary shares for a total amount of €580 million, of which €80 million to cover commitments under the Group's share-based compensation plans and €500 million to reduce its issued capital.

On June 27, 2025, the company announced the increase of the share repurchase program to €1,080 million following the completion of the previously announced sale of dsm-firmenich's stake in the Feed Enzymes Alliance.

In accordance with regulations, dsm-firmenich informs the market that during the period from November 10, 2025 up to and including November 14, 2025 a total number of 433,357 shares have been repurchased on its behalf. The shares were repurchased at an average price of €72.20 per share for a total amount of €31.3 million.

The total number of shares repurchased under this program to date is 12,060,857 shares at an average price of €84.45 for a total consideration of €1,018.5 million.

This €1,080 million share repurchase program will be completed no later than January 30, 2026.
