GreenMobility offers modern urbanites easy, flexible and sustainable transport in the form of electric, shared city cars. Users have access to these cars via the GreenMobility app. Trips are paid per-minute. Today, GreenMobility operates 400 cars in Copenhagen; and 250 cars in Oslo, together with cooperative partner VY. More than 65,000 people have signed up with GreenMobility.

Driven by global megatrends, GreenMobility sees a rapidly growing market for car sharing in large cities, that demand green transport for their citizens and aim to reduce the number of private cars. GreenMobility's ambition is to be among the leading global operators of green shared mobility solutions. GreenMobility is listed on the Nasdaq First North in Copenhagen.
