

CGG Announces New Segment Reporting Names and Q1 2022 Financial Results Conference Call Details

PARIS, France – April 19, 2022

New Segment Reporting Names

With CGG continuing to accelerate its development of a portfolio of unique technologies and proven expertise focused on rapidly growing new beyond the core markets, and to reflect the evolution of the Group into a Technology company, new segment reporting names will be used from Q1 2022 financial reporting, which will be communicated on May 4, 2022.

CGG will continue to present its financial information under two reporting segments, renaming them as follows:

- Geophysics, Geology and Reservoir (GGR) reporting segment will be renamed into Data, Digital & Energy Transition (DDE):
 - Geoscience business will keep its name as Geoscience (GEO), and
 - Multi-Client business will be renamed into Earth Data (EDA)
- Equipment reporting segment will be renamed into Sensing & Monitoring (SMO).
