CVR No. 58 21 06 17**

Brødrene A. & O. Johansen A/S announces a recommended voluntary cash offer of NOK 22 per share to the shareholders of Elektroimportøren AS and publishes offer document; commencement of offer period

Elektroimportøren AS (the "Company" or "Elektroimportøren", and, together with its subsidiaries, the "Group") and Brødrene A. & O. Johansen A/S (the "Offeror"), today announce that they have entered into a transaction agreement (the "Transaction Agreement") pursuant to which the Offeror, subject to certain terms and conditions, today launches an unregulated recommended voluntary tender offer to acquire all issued and outstanding shares (the "Shares") in the Company (the "Offer"). In this connection, the Offeror will today publish an offer document (the "Offer Document") setting out the terms and conditions of the Offer, for which the offer period (the "Offer Period") commences today.

A cash consideration of NOK 22 (the "Offer Price") will be offered per Share, which values the total issued share capital of the Company at approximately NOK 1,117 million based on 50,782,200 issued and outstanding Shares as of the date of this announcement.

The Offer Price represents a premium of:

- 57.1% compared to the closing price on Euronext Growth Oslo of NOK 14.00 per Share on 2 July 2026;
- 54.3% compared to the one-month volume weighted average price (VWAP) of NOK 14.25 per Share ending 2 July 2026;
- 46.5% compared to the three-month volume weighted average price (VWAP) of NOK 15.02 per Share ending on 2 July 2026 (adjusted for April 2026 dividend); and
- 49.3% compared to the one-year volume weighted average price (VWAP) of NOK 14.73 per Share ending on 2 July 2026 (adjusted for April 2026 dividend).

The Board of Directors of the Company (the "Board") unanimously recommends the shareholders of the Company to accept the Offer. The Board has based its recommendation on an assessment of various factors, including but not limited to, its assumptions regarding the Company's financial status, performance and outlook. The Board believes the terms of the Offer are in the best interests of the Company and the shareholders as a whole. The Board has, as part of the basis for its considerations, obtained a fairness opinion from ABG Sundal Collier ASA concluding that the Offer (subject to customary assumptions, qualifications and limitations) is, at the date of the fairness opinion, fair from a financial point of view.

Kjersti Hobøl, the only member of the Board holding shares as at the date of the Transaction Agreement, and Jørgen Waldal Wist, the CFO of the Company, who is the only member of the executive management who holds shares and who has been involved in the process, have each undertaken to accept the Offer against cash consideration at the Offer Price. In addition, WQZ Investment Group Ltd., Varner Equities AS, Verdipapirfond Odin Norge, Trapesa AS, Alcancia Capital AS, T.D. Veen AS, Opek Invest AS and Niss Invest AS, representing in aggregate approximately 46.27% of the Company's outstanding share capital, have also

undertaken to accept the Offer in favour of the Offeror. In total, the aforementioned pre-acceptances (the "Pre-Acceptances") represent approximately 46.65% of the Company's outstanding share capital.

"For Elektroimportøren this is a natural next step. Becoming part of a larger Nordic group gives us greater scale, stronger supplier relationships and the resources to keep investing in our customers and our people. I am confident the combination will let us serve both our B2B and B2C customers even better, and I look forward to building the next phase of growth together" says Lars Tendal, CEO of Elektroimportøren AS

"Elektroimportøren is a business with a strong market position and a loyal customer base. This contemplated combination fits perfectly together with our ambition to grow across the Nordics. We believe our dual go-to-market model, our supplier relationships and our operational experience across the region can help unlock the next phase of growth for the combined business, for the benefit of customers, employees and partners alike across both the B2B and B2C segments" says Niels Axel Johansen, CEO of Brødrene A. & O. Johansen A/S.
