## Wereldhave Belgium proposes an optional dividend to its shareholders and discloses the related conditions

For the financial year 2019, the general meeting decided to distribute a gross dividend of € 4.50 per share. After deduction of 30% withholding tax, the net dividend for the financial year 2019 amounts to € 3.15 per share. The board of directors of the statutory manager has decided on 21 October 2020 to offer the shareholders of Wereldhave Belgium NV/SA (hereafter '**Wereldhave Belgium**') an optional dividend for financial year 2019. With an optional dividend, the shareholders are given the opportunity to contribute their dividend receivable that arises from the profit distribution in the company's capital in return for the issue of new shares, in addition to the option to receive the dividend in cash or to choose for a combination of both previous options. The funds which are not paid as dividend in cash will be used by Wereldhave Belgium (i) to execute additional debt-financed transactions and (ii) to invest in its own existing portfolio in the future if necessary in order to realise its growth objectives. The optional dividend also makes it possible (insofar as the dividend rights are to be contributed into the capital of the Company) to avoid a cash-out.

Each shareholder has thus the choice to receive the dividend in cash or to invest in new shares, as follows:

- **Option 1: Payment of dividend in cash**

Coupon no. 24 gives entitlement to a gross dividend of € 4.50 or € 3.15 net per share (after deduction of 30% withholding tax).

- **Option 2: Investment of dividend in return for new shares Wereldhave Belgium**

A subscription can be made for two new shares through the contribution of 23 coupons no. 24 (each for a net dividend amount of € 3.15). The issue price for the shareholder amounts hence to  $23 / 2 \times € 3.15 = € 32.225$  for one new share. This price includes a discount of -4.24% on the average of the opening prices of the 10 last trading days before the decision of the board of directors and of -3.66% compared to the closing price of the share Wereldhave Belgium as at Tuesday 21 October 2020, each time after deduction of the gross dividend for financial year 2019.

- **Option 3: A combination of both previous options.**
