*Lund, May 27, 2025*

## **Terranet invites you to a digital investor meeting on June 3, 2025**

In connection with the subscription period for Terranet AB's rights issue of units, which runs from May 27 to June 11, 2025, the company invites shareholders and other interested parties to a digital investor meeting. The meeting will be held via Microsoft Teams on June 3, 2025, at 14:00 CEST.

During the session, Terranet's CEO Lars Lindell will present the company's latest progress, including the development of BlincVision, plans for the launch of the Minimum Viable Product (MVP), and continued collaborations with leading industry partners. Participants will have the opportunity to ask questions in real-time via the chat function.

### **Registration**

Please register by emailing [corporatefinance@mangold.se](mailto:corporatefinance@mangold.se) as soon as possible, no later than Monday, June 2, 2025. Questions can be submitted in advance and will be answered during the Q&A session if time allows. It will also be possible to ask questions live during the meeting.

The purpose of the meeting is to provide shareholders and investors with an update on Terranet's technological and commercial progress.

More information about the rights issue is available on Terranet AB's website. The presentation will be held in Swedish.
