

## DISTRIBUTION OF EXTRAORDINARY DIVIDEND OF DKK 45.00 PER SHARE

The Board of Directors has assessed the company's capital structure and decided to use the authority granted by the latest annual general meeting to distribute an extraordinary dividend.

An extraordinary dividend of DKK 45.00 per share of DKK 100, totaling DKK 329m, will be distributed. This was made possible because of the upwards revised EBITDA guidance for 2022.

The distribution of dividend will take place on 17 May 2022 to shareholders, who have recorded their shares in their portfolio as at 16 May 2022.

11 May 2022 will be the last trading day with right to extraordinary dividend for shares, which are traded at normal value (T+2).
