

A large industrial facility, likely a steel mill, with several large orange cylindrical components (possibly rollers or parts of a furnace) arranged in a row. A worker in safety gear (hard hat, orange vest, and respirator) is standing on a walkway to the right, looking towards the machinery. The scene is dimly lit with industrial lights.

# FLSmidth “Meet the Management” Investor Event, 22 to 23 September 2024

FLSmidth is pleased to invite institutional investors, equity analysts and financial media to visit our Salt Lake City premises for presentations by FLSmidth Executive and Senior Management, a tour of our Mining research & development facilities and a visit to the nearby Kennecott copper mine.

Please note that this is a physical event in Salt Lake City, UT, USA. A video recording of the presentations will be made available on FLSmidth’s Investor Relations webpage in the days following the event.

## Agenda

22 September: FLSmidth will host an informal dinner at a restaurant in the centre of Salt Lake City (expectedly from 6:30 p.m. to 9:30 p.m., MDT).

23 September: Presentations and site visit at our Salt Lake City premises as well as a visit to the nearby Kennecott copper mine.

Presentations will be in the form of deep dives into our Mining business, including the Service and Products businesses, innovation and R&D and our approach to investments and M&A.

The event is expected to start at 8:00 a.m. and end at 1:30 p.m., MDT.

A detailed programme for the day will follow at a later stage.

24 to 26 September: FLSmidth will participate in MINExpo 2024 at the Las Vegas Convention Center – Please visit us at booth no. 10775!

# Speakers
